Trade-in and Save 15% on InfiniiVision 2000 and 3000 X-Series Scopes

End date: February 29, 2012
Promotion code: 5.853

Take advantage of this time-limited offer to trade-up to Agilent's new InfiniiVision 2000 and 3000 X-Series oscilloscopes and save 15%! Simply trade-in any vendor's ≥50 MHz bandwidth oscilloscope, working or not, to receive a 15% discount off any new 2000 or 3000 X-Series scope, one-for one.

Agilent's InfiniiVision 2000 and 3000 X-Series oscilloscopes redefine oscilloscopes with breakthrough technology that delivers more scope for the same budget. Find out for yourself!

Contact your Agilent Technologies' authorized distributor or designated reseller for more information and to have your order processed. Find an authorized distributor:

Promotion Conditions:

1) Promotion offer is available to customers placing an order with an Agilent Technologies authorized distributor or designated reseller partner in United States, Canada, Latin America, Korea, and Asia countries other than China, Hong Kong, and Taiwan.
2) Customer trades-in an eligible ≥50MHz bandwidth oscilloscope to an Agilent Technologies authorized distributor and purchases from that distributor a new 2000 or 3000 X-Series oscilloscope to receive the 15% promotion discount, one-for-one.
3) Reference promotion code 5.853 upon order placement to distribution or designated reseller partner.
4) Product feature options, support options, lease orders, or remarketed equipment are not eligible to receive the promotion discount.
5) Agilent Technologies reserves the right to modify or discontinue this offering during the promotional period.
6) Promotion discount cannot be combined with any other Agilent offer, promotion, or discount program.
