Recently TheForbiddentruth.net was shut down and it seems now that Godaddy wants our sites moved off their servers. Although they are not saying any specific rule was violated but that they seem to be getting too many complaints and don't want to be in the middle of it and have threatened to shut down the sites. At this point I have to figure out what actions can be taken on my behalf but this is to forewarn those that all the prothink related sites will be shut down shortly which also includes JewishProblem.com, 911MissingLinks.com, and others. Your support now more then ever to keep these sites alive will be more then appreciated to safely move and transfer all the sites.

Here is the recent email from Godaddy:

Subject: Customer Warning – PROTHINK.ORG & ZIONCRIMEFACTORY.COM

Dear Sir or Madam,

Our records indicate that you are responsible for the PROTHINK.ORG & ZIONCRIMEFACTORY.COM domain names and their hosted content.

We have received complaints about your domain name and the contents of your website. Upon reviewing the situation, we have found that they are in violation on section 7 of your Domain Registration Agreement. (http://www.godaddy.com/gdshop/legal_agreements/show_doc.asp?se=%2B&pageid=REG%5FSA)

We understand that this can be a very sensitive topic, and that there will likely be a difference of opinion as to the nature of the complaints. We are not making a determination in favor of either, but do not wish to be involved in such disputes. As a result, we ask that you move the registration and hosting for these sites to another provider (Not affiliated with GoDaddy.com or our Reseller division, WildWestDomains.com).

If you can initiate this move within 48 hours of the transmission of this notice, there will not need to be any downtime for your site. If the transfer is not initiated by this time, we may have to suspend services to your website.

We strongly recommend you reply to this message as to your intentions. This will further help insure that no unnecessary downtime results for your site. If you have any questions, please let us know. Please be aware that this decision is final, and we do not wish to debate the actual content of your site.

Another Aspiring Truth Seeker (not AJ truther, lol) Discovers The *REAL* Truth About Adolf Hitler And The NSDAP

General 1 Response »

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

READ MORE HERE: http://mrfriendsblog.blogspot.com/2012/06/rethinking-hitler-national-socialism.html

Prothink: Everyday we see more and more people waking up to these issues and never turning back to be delusional due to the Jew again. I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and

I would be willing to help.

Well well, the 30 million Paul raised in the 08 election gone, the money raised this time, gone. Thanks suckers!

I guess people should realize that as attractive as it is to have someone else get “in” to fix the problems, the task is ultimately going to have to be done by us and it will be far uglier and much harder than just pushing a vote button. You get the drift… Submit and admit who your masters are or stand the hell up.

Run-Time: Varies (Usually about two hours)

Website: Prothink's Radio Show on TalkShoe

Description:

Many consider Prothink to be the smartest, edgiest, pro-White podcast around. Host Mike Delaney focuses on the Holohoax and other Jewish hoaxes and false flag operations, like the 911 attacks on the Pentagon and Twin Towers. He's a smart, erudite, penetrating interviewer who gets some of the best interviews in the business. Plus, his cuts-like-a-knife humor makes this show stand-out from the crowd.

Mike Delaney:

Mr. Delaney is a young, energetic White Rights Advocate who courageously seeks the truth concerning issues of Jewish Power. His emphasis is on their control of the flows of capital and information and how they use that control to advance their interests at the expense of the White natives of the host countries they've colonized.

The Study Of Parasitism

Protocols

WORLD CONQUEST THROUGH WORLD JEWISH GOVERNMENT

THE PROTOCOLS OF THE LEARNED ELDERS

OF ZION

PROTOCOLS OF THE MEETINGS OF THE LEARNED ELDERS OF ZION

1. ….Putting aside fine phrases we shall speak of the significance of each thought: by comparisons and deductions we shall throw light upon surrounding facts.

2. What I am about to set forth, then, is our system from the two points of view, that of ourselves and that of the GOYIM [i.e., non-Jews].

3. It must be noted that men with bad instincts are more in number than the good, and therefore the best results in governing them are attained by violence and terrorisation, and not by academic discussions. Every man aims at power, everyone would like to become a dictator if only he could, and rare indeed are the men who would not be willing to sacrifice the welfare of all for the sake of securing their own welfare.

4. What has restrained the beasts of prey who are called men? What has served for their guidance hitherto?

5. In the beginnings of the structure of society, they were subjected to brutal and blind force; afterwards – to Law, which is the same force, only disguised. I draw the conclusion that by the law of nature, right lies in force.

6. Political freedom is an idea but not a fact. This idea one must know how to apply whenever it appears necessary with this bait of an idea to attract the masses of the people to one's party for the purpose of crushing another who is in authority. This task is rendered easier if the opponent has himself been infected with the idea of freedom, SO-CALLED LIBERALISM, and, for the sake of an idea, is willing to yield some of his power. It is precisely here that the triumph of our theory appears; the slackened reins of government are immediately, by the law of life, caught up and

gathered together by a new hand, because the blind might of the nation cannot for one single day exist without guidance, and the new authority merely fits into the place of the old already weakened by liberalism.

GOLD

7. In our day the power which has replaced that of the rulers who were liberal is the power of Gold. Time was when Faith ruled. The idea of freedom is impossible of realization because no one knows how to use it with moderation. It is enough to hand over a people to self-government for a certain length of time for that people to be turned into a disorganized mob. From that moment on we get internecine strife which soon develops into battles between classes, in the midst of which States burn down and their importance is reduced to that of a heap of ashes.

8. Whether a State exhausts itself in its own convulsions, whether its internal discord brings it under the power of external foes – in any case it can be accounted irretrievably lost: IT IS IN OUR POWER. The despotism of Capital, which is entirely in our hands, reaches out to it a straw that the State, willy-nilly, must take hold of: if not – it goes to the bottom.

9. Should anyone of a liberal mind say that such reflections as the above are immoral, I would put the following questions: If every State has two foes and if in regard to the external foe it is allowed and not considered immoral to use every manner and art of conflict, as for example to keep the enemy in ignorance of plans of attack and defense, to attack him by night or in superior numbers, then in what way can the same means in regard to a worse foe, the destroyer of the structure of society and the commonweal, be called immoral and not permissible?

10. Is it possible for any sound logical mind to hope with any success to guide crowds by the aid of reasonable counsels and arguments, when any objection or contradiction, senseless though it may be, can be made and when such objection may find more favor with the people, whose powers of reasoning are superficial? Men in masses and the men of the masses, being guided solely by petty passions, paltry beliefs, traditions and sentimental theorems, fall a prey to party dissension, which hinders any kind of agreement even on the basis of a perfectly reasonable argument. Every resolution of a crowd depends upon a chance or packed majority, which, in its ignorance of

political secrets, puts forth some ridiculous resolution that lays in the administration a seed of anarchy.

11. The political has nothing in common with the moral. The ruler who is governed by the moral is not a skilled politician, and is therefore unstable on his throne. He who wishes to rule must have recourse both to cunning and to make-believe. Great national qualities, like frankness and honesty, are vices in politics, for they bring down rulers from their thrones more effectively and more certainly than the most powerful enemy. Such qualities must be the attributes of the kingdoms of the GOYIM, but we must in no wise be guided by them.

RIGHT IS MIGHT

12. Our right lies in force. The word “right” is an abstract thought and proved by nothing. The word means no more than: Give me what I want in order that thereby I may have a proof that I am stronger than you.

13. Where does right begin? Where does it end?

14. In any State in which there is a bad organization of authority, an impersonality of laws and of the rulers who have lost their personality amid the flood of rights ever multiplying out of liberalism, I find a new right – to attack by the right of the strong, and to scatter to the winds all existing forces of order and regulation, to reconstruct all institutions and to become the sovereign lord of those who have left to us the rights of their power by laying them down voluntarily in their liberalism.

15. Our power in the present tottering condition of all forms of power will be more invincible than any other, because it will remain invisible until the moment when it has gained such strength that no cunning can any longer undermine it.

16. Out of the temporary evil we are now compelled to commit will emerge the good of an unshakable rule, which will restore the regular course of the machinery of the national life, brought to naught by liberalism. The result justifies the means. Let us, however, in our plans, direct our attention not so much to what is good and moral as to

what is necessary and useful.

17. Before us is a plan in which is laid down strategically the line from which we cannot deviate without running the risk of seeing the labor of many centuries brought to naught.

18. In order to elaborate satisfactory forms of action it is necessary to have regard to the rascality, the slackness, the instability of the mob, its lack of capacity to understand and respect the conditions of its own life, or its own welfare. It must be understood that the might of a mob is blind, senseless and un-reasoning force ever at the mercy of a suggestion from any side. The blind cannot lead the blind without bringing them into the abyss; consequently, members of the mob, upstarts from the people even though they should be as a genius for wisdom, yet having no understanding of the political, cannot come forward as leaders of the mob without bringing the whole nation to ruin.

19. Only one trained from childhood for independent rule can have understanding of the words that can be made up of the political alphabet.

20. A people left to itself, i.e., to upstarts from its midst, brings itself to ruin by party dissensions excited by the pursuit of power and honors and the disorders arising therefrom. Is it possible for the masses of the people calmly and without petty jealousies to form judgment, to deal with the affairs of the country, which cannot be mixed up with personal interest? Can they defend themselves from an external foe? It is unthinkable; for a plan broken up into as many parts as there are heads in the mob, loses all homogeneity, and thereby becomes unintelligible and impossible of execution.

WE ARE DESPOTS

21. It is only with a despotic ruler that plans can be elaborated extensively and clearly in such a way as to distribute the whole properly among the several parts of the machinery of the State: from this the conclusion is inevitable that a satisfactory form of government for any country is one that concentrates in the hands of one responsible person. Without an absolute despotism there can be no existence for civilization which is carried on not by the masses but

by their guide, whosoever that person may be. The mob is savage, and displays its savagery at every opportunity. The moment the mob seizes freedom in its hands it quickly turns to anarchy, which in itself is the highest degree of savagery.

22. Behold the alcoholic animals, bemused with drink, the right to an immoderate use of which comes along with freedom. It is not for us and ours to walk that road. The peoples of the GOYIM are bemused with alcoholic liquors; their youth has grown stupid on classicism and from early immorality, into which it has been inducted by our special agents – by tutors, lackeys, governesses in the houses of the wealthy, by clerks and others, by our women in the places of dissipation frequented by the GOYIM. In the number of these last I count also the so-called “society ladies,” voluntary followers of the others in corruption and luxury.

23. Our countersign is – Force and Make-believe. Only force conquers in political affairs, especially if it be concealed in the talents essential to statesmen. Violence must be the principle, and cunning and make-believe the rule for governments which do not want to lay down their crowns at the feet of agents of some new power. This evil is the one and only means to attain the end, the good. Therefore we must not stop at bribery, deceit and treachery when they should serve towards the attainment of our end. In politics one must know how to seize the property of others without hesitation if by it we secure submission and sovereignty.

24. Our State, marching along the path of peaceful conquest, has the right to replace the horrors of war by less noticeable and more satisfactory sentences of death, necessary to maintain the terror which tends to produce blind submission. Just but merciless severity is the greatest factor of strength in the State: not only for the sake of gain but also in the name of duty, for the sake of victory, we must keep to the programme of violence and make-believe. The doctrine of squaring accounts is precisely as strong as the means of which it makes use. Therefore it is not so much by the means themselves as by the doctrine of severity that we shall triumph and bring all governments into subjection to our super-government. It is enough for them to know that we are too merciless for all disobedience to cease.

WE SHALL END LIBERTY

25. Far back in ancient times we were the first to cry among the masses of the people the words “Liberty, Equality, Fraternity,” words many times repeated since these days by stupid poll-parrots who, from all sides around, flew down upon these baits and with them carried away the well-being of the world, true freedom of the individual, formerly so well guarded against the pressure of the mob. The would-be wise men of the GOYIM, the intellectuals, could not make anything out of the uttered words in their abstractedness; did not see that in nature there is no equality, cannot be freedom: that Nature herself has established inequality of minds, of characters, and capacities, just as immutably as she has established subordination to her laws: never stopped to think that the mob is a blind thing, that upstarts elected from among it to bear rule are, in regard to the political, the same blind men as the mob itself, that the adept, though he be a fool, can yet rule, whereas the non-adept, even if he were a genius, understands nothing in the political – to all those things the GOYIM paid no regard; yet all the time it was based upon these things that dynastic rule rested: the father passed on to the son a knowledge of the course of political affairs in such wise that none should know it but members of the dynasty and none could betray it to the governed. As time went on, the meaning of the dynastic transference of the true position of affairs in the political was lost, and this aided the success of our cause.

26. In all corners of the earth the words “Liberty, Equality, Fraternity,” brought to our ranks, thanks to our blind agents, whole legions who bore our banners with enthusiasm. And all the time these words were canker-worms at work boring into the well-being of the GOYIM, putting an end everywhere to peace, quiet, solidarity and destroying all the foundations of the GOY States. As you will see later, this helped us to our triumph: it gave us the possibility, among other things, of getting into our hands the master card – the destruction of the privileges, or in other words of the very existence of the aristocracy of the GOYIM, that class which was the only defense peoples and countries had against us. On the ruins of the natural and genealogical aristocracy of the GOYIM we have set up the aristocracy of our educated class headed by the aristocracy of money. The qualifications for this aristocracy we have established in wealth, which is dependent upon us, and in knowledge, for which our learned elders provide the motive force.

27. Our triumph has been rendered easier by the fact that in our relations with the men, whom we wanted, we have always worked upon the most sensitive chords of the human mind, upon the cash account, upon the cupidity, upon the insatiability for material needs of man; and each one of these human weaknesses, taken alone, is sufficient to paralyze initiative, for it hands over the will of men to the disposition of him who has bought their activities.

28. The abstraction of freedom has enabled us to persuade the mob in all countries that their government is nothing but the steward of the people who are the owners of the country, and that the steward may be replaced like a worn-out glove.

29. It is this possibility of replacing the representatives of the people which has placed at our disposal, and, as it were, given us the power of appointment.

1. It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains: war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international AGENTUR; which possesses millions of eyes ever on the watch and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves.

2. The administrators, whom we shall choose from among the public, with strict regard to their capacities for servile obedience, will not be persons trained in the arts of government, and will therefore easily become pawns in our game in the hands of men of learning and genius who will be their advisers, specialists bred and reared from early childhood to rule the affairs of the whole world. As is well known to you, these specialists of ours have been drawing to fit them for rule the information they need from our political plans from the lessons of history, from observations made of the events of every moment as it passes. The GOYIM are not guided by practical use of unprejudiced historical observation, but by theoretical routine without any critical regard for consequent results. We need not, therefore, take any account of them – let them amuse themselves until the hour strikes, or live on hopes of new

forms of enterprising pastime, or on the memories of all they have enjoyed. For them let that play the principal part which we have persuaded them to accept as the dictates of science (theory). It is with this object in view that we are constantly, by means of our press, arousing a blind confidence in these theories. The intellectuals of the GOYIM will puff themselves up with their knowledges and without any logical verification of them will put into effect all the information available from science, which our AGENTUR specialists have cunningly pieced together for the purpose of educating their minds in the direction we want.

DESTRUCTIVE EDUCATION

3. Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for Darwinism (Evolution), Marxism (Communism), Nietzsche-ism (Socialism). To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had upon the minds of the GOYIM.

4. It is indispensable for us to take account of the thoughts, characters, tendencies of the nations in order to avoid making slips in the political and in the direction of administrative affairs. The triumph of our system of which the component parts of the machinery may be variously disposed according to the temperament of the peoples met on our way, will fail of success if the practical application of it be not based upon a summing up of the lessons of the past in the light of the present.

5. In the hands of the States of to-day there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing our requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the GOYIM States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the GOLD in our hands, notwithstanding that we have had to gather it out of the oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand GOYIM.

1. To-day I may tell you that our goal is now only a few steps off. There remains a small space to cross and the whole long path we have trodden is ready now to close its cycle of the Symbolic Snake, by which we symbolize our people. When this ring closes, all the States of Europe will be locked in its coil as in a powerful vice.

2. The constitution scales of these days will shortly break down, for we have established them with a certain lack of accurate balance in order that they may oscillate incessantly until they wear through the pivot on which they turn. The GOYIM are under the impression that they have welded them sufficiently strong and they have all along kept on expecting that the scales would come into equilibrium. But the pivots – the kings on their thrones – are hemmed in by their representatives, who play the fool, distraught with their own uncontrolled and irresponsible power. This power they owe to the terror which has been breathed into the palaces. As they have no means of getting at their people, into their very midst, the kings on their thrones are no longer able to come to terms with them and so strengthen themselves against seekers after power. We have made a gulf between the far-seeing Sovereign Power and the blind force of the people so that both have lost all meaning, for like the blind man and his stick, both are powerless apart.

3. In order to incite seekers after power to a misuse of power we have set all forces in opposition one to another, breaking up their liberal tendencies towards independence. To this end we have stirred up every form of enterprise, we have armed all parties, we have set up authority as a target for every ambition. Of States we have made gladiatorial arenas where a lot of confused issues contend … A little more, and disorders and bankruptcy will be universal …

4. Babblers, inexhaustible, have turned into oratorical contests the sittings of Parliament and Administrative Boards. Bold journalists and unscrupulous pamphleteers daily fall upon executive officials. Abuses of power will put the final touch in preparing all institutions for their overthrow and everything will fly skyward under the blows of the maddened mob.

POVERTY OUR WEAPON

5. All people are chained down to heavy toil by poverty more firmly than ever. They were chained by slavery and serfdom; from these, one way and another, they might free themselves. These could be settled with, but from want they will never get away. We have included in the constitution such rights as to the masses appear fictitious and not actual rights. All these so-called “Peoples Rights” can exist only in idea, an idea which can never be realized in practical life. What is it to the proletariat laborer, bowed double over his heavy toil, crushed by his lot in life, if talkers get the right to babble, if journalists get the right to scribble any nonsense side by side with good stuff, once the proletariat has no other profit out of the constitution save only those pitiful crumbs which we fling them from our table in return for their voting in favor of what we dictate, in favor of the men we place in power, the servants of our AGENTUR … Republican rights for a poor man are no more than a bitter piece of irony, for the necessity he is under of toiling almost all day gives him no present use of them, but the other hand robs him of all guarantee of regular and certain earnings by making him dependent on strikes by his comrades or lockouts by his masters.

WE SUPPORT COMMUNISM

6. The people, under our guidance, have annihilated the aristocracy, who were their one and only defense and foster-mother for the sake of their own advantage which is inseparably bound up with the well-being of the people. Nowadays, with the destruction of the aristocracy, the people have fallen into the grips of merciless money-grinding scoundrels who have laid a pitiless and cruel yoke upon the necks of the workers.

7. We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces – Socialists, Anarchists, Communists – to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our SOCIAL . The aristocracy, which enjoyed by law the labor of the workers, was interested in seeing that the workers were well fed, healthy, and strong. We are interested in just the opposite – in the diminution, the KILLING OUT OF THE GOYIM. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

8. By want and the envy and hatred which it engenders we shall move the mobs and with their hands we shall wipe out all those who hinder us on our way.

9. WHEN THE HOUR STRIKES FOR OUR SOVEREIGN LORD OF ALL THE WORLD TO BE CROWNED IT IS THESE SAME HANDS WHICH WILL SWEEP AWAY EVERYTHING THAT MIGHT BE A HINDRANCE THERETO. (The Biblical “Anti-Christ?”)

10. The GOYIM have lost the habit of thinking unless prompted by the suggestions of our specialists. Therefore they do not see the urgent necessity of what we, when our kingdom comes, shall adopt at once, namely this, that IT IS ESSENTIAL TO TEACH IN NATIONAL SCHOOLS ONE SIMPLE, TRUE PIECE OF KNOWLEDGE, THE BASIS OF ALL KNOWLEDGE – THE KNOWLEDGE OF THE STRUCTURE OF HUMAN LIFE, OF SOCIAL EXISTENCE, WHICH REQUIRES DIVISION OF LABOR, AND, CONSEQUENTLY, THE DIVISION OF MEN INTO CLASSES AND CONDITIONS. It is essential for all to know that OWING TO DIFFERENCE IN THE OBJECTS OF HUMAN ACTIVITY THERE CANNOT BE ANY EQUALITY, that he, who by any act of his compromises a whole class, cannot be equally responsible before the law with him who affects no one but only his own honor. The true knowledge of the structure of society, into the secrets of which we do not admit the GOYIM, would demonstrate to all men that the positions and work must be kept within a certain circle, that they may not become a source of human suffering, arising from an education which does not correspond with the work which individuals are called upon to do. After a thorough study of this knowledge, the peoples will voluntarily submit to authority and accept such position as is appointed them in the State. In the present state of knowledge and the direction we have given to its development of the people, blindly believing things in print – cherishes – thanks to promptings intended to mislead and to its own ignorance – a blind hatred towards all conditions which it considers above itself, for it has no understanding of the meaning of class and condition.

JEWS WILL BE SAFE

11. THIS HATRED WILL BE STILL FURTHER MAGNIFIED BY THE EFFECTS of an ECONOMIC CRISES, which

will stop dealing on the exchanges and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid of gold, which is all in our hands, A UNIVERSAL ECONOMIC CRISES WHEREBY WE SHALL THROW UPON THE STREETS WHOLE MOBS OF WORKERS SIMULTANEOUSLY IN ALL THE COUNTRIES OF EUROPE. These mobs will rush delightedly to shed the blood of those whom, in the simplicity of their ignorance, they have envied from their cradles, and whose property they will then be able to loot.

12. “OURS” THEY WILL NOT TOUCH, BECAUSE THE MOMENT OF ATTACK WILL BE KNOWN TO US AND WE SHALL TAKE MEASURES TO PROTECT OUR OWN.

13. We have demonstrated that progress will bring all the GOYIM to the sovereignty of reason. Our despotism will be precisely that; for it will know how, by wise severities, to pacificate all unrest, to cauterize liberalism out of all institutions.

14. When the populace has seen that all sorts of concessions and indulgences are yielded it, in the same name of freedom it has imagined itself to be sovereign lord and has stormed its way to power, but, naturally like every other blind man, it has come upon a host of stumbling blocks. IT HAS RUSHED TO FIND A GUIDE, IT HAS NEVER HAD THE SENSE TO RETURN TO THE FORMER STATE and it has laid down its plenipotentiary powers at OUR feet. Remember the French Revolution, to which it was we who gave the name of “Great”: the secrets of its preparations are well known to us for it was wholly the work of our hands.

15. Ever since that time we have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us in favor of that KING-DESPOT OF THE BLOOD OF ZION, WHOM WE ARE PREPARING FOR THE WORLD.

16. At the present day we are, as an international force, invincible, because if attacked by some we are supported by other States. It is the bottomless rascality of the GOYIM peoples, who crawl on their bellies to force, but are merciless towards weakness, unsparing to faults and indulgent to crimes, unwilling to bear the contradictions of a free social system but patient unto martyrdom under the violence of a bold despotism – it is those qualities which

are aiding us to independence. From the premier-dictators of the present day, the GOYIM peoples suffer patiently and bear such abuses as for the least of them they would have beheaded twenty kings.

17. What is the explanation of this phenomenon, this curious inconsequence of the masses of the peoples in their attitude towards what would appear to be events of the same order?

18. It is explained by the fact that these dictators whisper to the peoples through their agents that through these abuses they are inflicting injury on the States with the highest purpose – to secure the welfare of the peoples, the international brotherhood of them all, their solidarity and equality of rights. Naturally they do not tell the peoples that this unification must be accomplished only under our sovereign rule.

19. And thus the people condemn the upright and acquit the guilty, persuaded ever more and more that it can do whatsoever it wishes. Thanks to this state of things, the people are destroying every kind of stability and creating disorders at every step.

20. The word “freedom” brings out the communities of men to fight against every kind of force, against every kind of authority even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

21. These beasts, it is true, fall asleep again every time when they have drunk their fill of blood, and at such time can easily be riveted into their chains. But if they be not given blood they will not sleep and continue to struggle.

1. Every republic passes through several stages. The first of these is comprised in the early days of mad raging by the blind mob, tossed hither and thither, right and left: the second is demagogy from which is born anarchy, and that leads inevitably to despotism – not any longer legal and overt, and therefore responsible despotism, but to unseen and secretly hidden, yet nevertheless sensibly felt despotism in the hands of some secret organization or other,

whose acts are the more unscrupulous inasmuch as it works behind a screen, behind the backs of all sorts of agents, the changing of whom not only does not injuriously affect but actually aids the secret force by saving it, thanks to continual changes, from the necessity of expanding its resources on the rewarding of long services.

2. Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. GENTILE masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.

WE SHALL DESTROY GOD

3. But even freedom might be harmless and have its place in the State economy without injury to the well-being of the peoples if it rested upon the foundation of faith in God, upon the brotherhood of humanity, unconnected with the conception of equality, which is negatived by the very laws of creation, for they have established subordination. With such a faith as this a people might be governed by a wardship of parishes, and would walk contentedly and humbly under the guiding hand of its spiritual pastor submitting to the dispositions of God upon earth. This is the reason why IT IS INDISPENSABLE FOR US TO UNDERMINE ALL FAITH, TO TEAR OUT OF THE MIND OF THE "GOYIM" THE VERY PRINCIPLE OF GOD-HEAD AND THE SPIRIT, AND TO PUT IN ITS PLACE ARITHMETICAL CALCULATIONS AND MATERIAL NEEDS.

4. In order to give the GOYIM no time to think and take note, their minds must be diverted towards industry and trade. Thus, all the nations will be swallowed up in the pursuit of gain and in the race for it will not take note of their common foe. But again, in order that freedom may once for all disintegrate and ruin the communities of the GOYIM, we must put industry on a speculative basis: the result of this will be that what is withdrawn from the land by industry will slip through the hands and pass into speculation, that is, to our classes.

5. The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. Such communities will foster a strong aversion towards the higher political and towards religion. Their only guide is gain, that is Gold, which they will erect into a veritable cult,

for the sake of those material delights which it can give. Then will the hour strike when, not for the sake of attaining the good, not even to win wealth, but solely out of hatred towards the privileged, the lower classes of the GOYIM will follow our lead against our rivals for power, the intellectuals of the GOYIM.

1. What form of administrative rule can be given to communities in which corruption has penetrated everywhere, communities where riches are attained only by the clever surprise tactics of semi-swindling tricks; where loseness reigns: where morality is maintained by penal measures and harsh laws but not by voluntarily accepted principles: where the feelings towards faith and country are obligated by cosmopolitan convictions? What form of rule is to be given to these communities if not that despotism which I shall describe to you later? We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate mechanically all the actions of the political life of our subjects by new laws. These laws will withdraw one by one all the indulgences and liberties which have been permitted by the GOYIM, and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any GOYIM who oppose us by deed or word.

2. We shall be told that such a despotism as I speak of is not consistent with the progress of these days, but I will prove to you that it is.

3. In the times when the peoples looked upon kings on their thrones as on a pure manifestation of the will of God, they submitted without a murmur to the despotic power of kings: but from the day when we insinuated into their minds the conception of their own rights they began to regard the occupants of thrones as mere ordinary mortals. The holy unction of the Lord’s Anointed has fallen from the heads of kings in the eyes of the people, and when we also robbed them of their faith in God the might of power was flung upon the streets into the place of public proprietorship and was seized by us.

MASSES LED BY LIES

4. Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and verbiage, by

regulations of life in common and all sorts of other quirks, in all which the GOYIM understand nothing, belongs likewise to the specialists of our administrative brain. Reared on analysis, observation, on delicacies of fine calculation, in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity. In this respect the Jesuits alone might have compared with us, but we have contrived to discredit them in the eyes of the unthinking mob as an overt organization, while we ourselves all the while have kept our secret organization in the shade. However, it is probably all the same to the world who is its sovereign lord, whether the head of Catholicism or our despot of the blood of Zion! But to us, the Chosen People, it is very far from being a matter of indifference.

5. FOR A TIME PERHAPS WE MIGHT BE SUCCESSFULLY DEALT WITH BY A COALITION OF THE “GOYIM” OF ALL THE WORLD: but from this danger we are secured by the discord existing among them whose roots are so deeply seated that they can never now be plucked up. We have set one against another the personal and national reckonings of the GOYIM, religious and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to itself. We are too strong – there is no evading our power. THE NATIONS CANNOT COME TO EVEN AN INCONSIDERABLE PRIVATE AGREEMENT WITHOUT OUR SECRETLY HAVING A HAND IN IT.

6. PER ME REGES REGNANT. “It is through me that Kings reign.” And it was said by the prophets that we were chosen by God Himself to rule over the whole earth. God has endowed us with genius that we may be equal to our task. Were genius in the opposite camp it would still struggle against us, but even so, a newcomer is no match for the old-established settler: the struggle would be merciless between us, such a fight as the world has never seen. Aye, and the genius on their side would have arrived too late. All the wheels of the machinery of all States go by the force of the engine, which is in our hands, and that engine of the machinery of States is – Gold. The science of political economy invented by our learned elders has for long past been giving royal prestige to capital.

MONOPOLY CAPITAL

7. Capital, if it is to co-operate untrammeled, must be free to establish a monopoly of industry and trade: this is already being put in execution by an unseen hand in all quarters of the world. This freedom will give political force to those engaged in industry, and that will help to oppress the people. Nowadays it is more important to disarm the peoples than to lead them into war: more important to use for our advantage the passions which have burst into flames than to quench their fire: more important to eradicate them. THE PRINCIPLE OBJECT OF OUR DIRECTORATE CONSISTS IN THIS: TO DEBILITATE THE PUBLIC MIND BY CRITICISM; TO LEAD IT AWAY FROM SERIOUS REFLECTIONS CALCULATED TO AROUSE RESISTANCE; TO DISTRACT THE FORCES OF THE MIND TOWARDS A SHAM FIGHT OF EMPTY ELOQUENCE.

8. In all ages the people of the world, equally with individuals, have accepted words for deeds, for THEY ARE CONTENT WITH A SHOW and rarely pause to note, in the public arena, whether promises are followed by performance. Therefore we shall establish show institutions which will give eloquent proof of their benefit to progress.

9. We shall assume to ourselves the liberal physiognomy of all parties, of all directions, and we shall give that physiognomy a VOICE IN ORATORS WHO WILL SPEAK SO MUCH THAT THEY WILL EXHAUST THE PATIENCE OF THEIR HEARERS AND PRODUCE AN ABHORRENCE OF ORATORY.

10. IN ORDER TO PUT PUBLIC OPINION INTO OUR HANDS WE MUST BRING IT INTO A STATE OF BEWILDERMENT BY GIVING EXPRESSION FROM ALL SIDES TO SO MANY CONTRADICTORY OPINIONS AND FOR SUCH LENGTH OF TIME AS WILL SUFFICE TO MAKE THE “GOYIM” LOSE THEIR HEADS IN THE LABYRINTH AND COME TO SEE THAT THE BEST THING IS TO HAVE NO OPINION OF ANY KIND IN MATTERS POLITICAL, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret.

11. The second secret requisite for the success of our government is comprised in the following: To multiply to such an extent national failings, habits, passions, conditions of civil life, that it will be impossible for anyone to know

where he is in the resulting chaos, so that the people in consequence will fail to understand one another. This measure will also serve us in another way, namely, to sow discord in all parties, to dislocate all collective forces which are still unwilling to submit to us, and to discourage any kind of personal initiative which might in any degree hinder our affair. THERE IS NOTHING MORE DANGEROUS THAN PERSONAL INITIATIVE: if it has genius behind it, such initiative can do more than can be done by millions of people among whom we have sown discord. We must so direct the education of the GOYIM communities that whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence. The strain which results from freedom of actions saps the forces when it meets with the freedom of another. From this collision arise grave moral shocks, disenchantments, failures. BY ALL THESE MEANS WE SHALL SO WEAR DOWN THE “GOYIM” THAT THEY WILL BE COMPELLED TO OFFER US INTERNATIONAL POWER OF A NATURE THAT BY ITS POSITION WILL ENABLE US WITHOUT ANY VIOLENCE GRADUALLY TO ABSORB ALL THE STATE FORCES OF THE WORLD AND TO FORM A SUPER-GOVERNMENT. In place of the rulers of to-day we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organization will be of such colossal dimensions that it cannot fail to subdue all the nations of the world. (League of Nations and subsequent United Nations Organization – Ed.).

1. We shall soon begin to establish huge monopolies, reservoirs of colossal riches, upon which even large fortunes of the GOYIM will depend to such an extent that they will go to the bottom together with the credit of the States on the day after the political smash … (Compulsory superannuation, Social Security).

2. You gentlemen here present who are economists, just strike an estimate of the significance of this combination! …

3. In every possible way we must develop the significance of our Super-Government by representing it as the Protector and Benefactor of all those who voluntarily submit to us.

4. The aristocracy of the GOYIM as a political force, is dead – We need not take it into account; but as landed proprietors they can still be harmful to us from the fact that they are self-sufficing in the resources upon which they

live. It is essential therefore for us at whatever cost to deprive them of their land. This object will be best attained by increasing the burdens upon landed property – in loading lands with debts. These measures will check land-holding and keep it in a state of humble and unconditional submission.

5. The aristocrats of the GOYIM, being hereditarily incapable of contenting themselves with little, will rapidly burn up and fizzle out.

WE SHALL ENSLAVE GENTILES

6. At the same time we must intensively patronize trade and industry, but, first and foremost, speculation, the part played by which is to provide a counterpoise to industry: the absence of speculative industry will multiply capital in private hands and will serve to restore agriculture by freeing the land from indebtedness to the land banks. What we want is that industry should drain off from the land both labor and capital and by means of speculation transfer into our hands all the money of the world, and thereby throw all the GOYIM into the ranks of the proletariat. Then the GOYIM will bow down before us, if for no other reason but to get the right to exist.

7. To complete the ruin of the industry of the GOYIM we shall bring to the assistance of speculation the luxury which we have developed among the GOYIM, that greedy demand for luxury which is swallowing up everything. WE SHALL RAISE THE RATE OF WAGES WHICH, HOWEVER, WILL NOT BRING ANY ADVANTAGE TO THE WORKERS, FOR, AT THE SAME TIME, WE SHALL PRODUCE A RISE IN PRICES OF THE FIRST NECESSARIES OF LIFE, ALLEGING THAT IT ARISES FROM THE DECLINE OF AGRICULTURE AND CATTLE-BREEDING: WE SHALL FURTHER UNDERMINE ARTFULLY AND DEEPLY SOURCES OF PRODUCTION, BY ACCUSTOMING THE WORKERS TO ANARCHY AND TO DRUNKENNESS AND SIDE BY SIDE THEREWITH TAKING ALL MEASURE TO EXTIRPATE FROM THE FACE OF THE EARTH ALL THE EDUCATED FORCES OF THE “GOYIM.”

8. IN ORDER THAT THE TRUE MEANING OF THINGS MAY NOT STRIKE THE “GOYIM” BEFORE THE PROPER TIME WE SHALL MASK IT UNDER AN ALLEGED ARDENT DESIRE TO SERVE THE WORKING CLASSES AND

THE GREAT PRINCIPLES OF POLITICAL ECONOMY ABOUT WHICH OUR ECONOMIC THEORIES ARE CARRYING ON AN ENERGETIC PROPAGANDA.

1. The intensification of armaments, the increase of police forces – are all essential for the completion of the aforementioned plans. What we have to get at is that there should be in all the States of the world, besides ourselves, only the masses of the proletariat, a few millionaires devoted to our interests, police and soldiers.

2. Throughout all Europe, and by means of relations with Europe, in other continents also, we must create ferments, discords and hostility. Therein we gain a double advantage. In the first place we keep in check all countries, for they will know that we have the power whenever we like to create disorders or to restore order. All these countries are accustomed to see in us an indispensable force of coercion. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States by means of the political, by economic treaties, or loan obligations. In order to succeed in this we must use great cunning and penetration during negotiations and agreements, but, as regards what is called the “official language,” we shall keep to the opposite tactics and assume the mask of honesty and complacency. In this way the peoples and governments of the GOYIM, whom we have taught to look only at the outside whatever we present to their notice, will still continue to accept us as the benefactors and saviours of the human race.

UNIVERSAL WAR

3. We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us: but if these neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war.

4. The principal factor of success in the political is the secrecy of its undertakings: the word should not agree with the deeds of the diplomat.

5. We must compel the governments of the GOYIM to take action in the direction favored by our widely conceived

plan, already approaching the desired consummation, by what we shall represent as public opinion, secretly promoted by us through the means of that so-called “Great Power” – THE PRESS, WHICH, WITH A FEW EXCEPTIONS THAT MAY BE DISREGARDED, IS ALREADY ENTIRELY IN OUR HANDS.

6. In a word, to sum up our system of keeping the governments of the goyim in Europe in check, we shall show our strength to one of them by terrorist attempts and to all, if we allow the possibility of a general rising against us, we shall respond with the guns of America or China or Japan. (The Russo-Japanese War of 1904-1905 – Ed.).

1. We must arm ourselves with all the weapons which our opponents might employ against us. We must search out in the very finest shades of expression and the knotty points of the lexicon of law justification for those cases where we shall have to pronounce judgments that might appear abnormally audacious and unjust, for it is important that these resolutions should be set forth in expressions that shall seem to be the most exalted moral principles cast into legal form. (Genocide Convention? U.N. Declaration of the Rights of the Child?) Our directorate must surround itself with all these forces of civilization among which it will have to work. It will surround itself with publicists, practical jurists, administrators, diplomats and, finally, with persons prepared by a special super-educational training IN OUR SPECIAL SCHOOLS (Rhodes Scholars? London School of Economics?) These persons will have consonance of all the secrets of the social structure, they will know all the languages that can be made up by political alphabets and words; they will be made acquainted with the whole underside of human nature, with all its sensitive chords on which they will have to play. These chords are the cast of mind of the GOYIM, their tendencies, short-comings, vices and qualities, the particularities of classes and conditions. Needless to say that the talented assistants of authority, of whom I speak, will be taken not from among the GOYIM, who are accustomed to perform their administrative work without giving themselves the trouble to think what its aim is, and never consider what it is needed for. The administrators of the GOYIM sign papers without reading them, (As Margaret Thatcher signed-away British sovereignty by the Maastricht Treaty? As Australian Parliamentarians signed over 2,000 U.N. Treaties . . . unread?) and they serve either for mercenary reasons or from ambition.

2. We shall surround our government with a whole world of economists. That is the reason why economic sciences

form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and – THE MAIN THING – MILLIONAIRES, BECAUSE IN SUBSTANCE EVERYTHING WILL BE SETTLED BY THE QUESTION OF FIGURES.

3. For a time, until there will no longer be any risk in entrusting responsible posts in our State to our brother-Jews, we shall put them in the hands of persons whose past and reputation are such that between them and the people lies an abyss, persons who, in case of disobedience to our instructions, must face criminal charges or disappear – this in order to make them defend our interests to their last gasp.

1. In applying our principles let attention be paid to the character of the people in whose country you live and act; a general, identical application of them, until such time as the people shall have been re-educated to our pattern, cannot have success. But by approaching their application cautiously you will see that not a decade will pass before the most stubborn character will change and we shall add a new people to the ranks of those already subdued by us.

2. The words of the liberal, which are in effect the words of our masonic watchword, namely, “Liberty, Equality, Fraternity,” will, when we come into our kingdom, be changed by us into words no longer of a watchword, but only an expression of idealism, namely, into “The right of liberty, the duty of equality, the ideal of brotherhood.” That is how we shall put it, – and so we shall catch the bull by the horns … DE FACTO we have already wiped out every kind of rule except our own, although DE JURE there still remain a good many of them. Nowadays, if any States raise a protest against us it is only PRO FORMA at our discretion and by our direction, for THEIR ANTI-SEMITISM IS INDISPENSABLE TO US FOR THE MANAGEMENT OF OUR LESSER BRETHREN. I will not enter into further explanations, for this matter has formed the subject of repeated discussions amongst us.

JEWISH SUPER-STATE

3. For us there are not checks to limit the range of our activity. Our Super-Government subsists in extra-legal conditions which are described in the accepted terminology by the energetic and forcible word – Dictatorship. I am

in a position to tell you with a clear conscience that at the proper time we, the law-givers, shall execute judgment and sentence, we shall slay and we shall spare, we, as head of all our troops, are mounted on the steed of the leader. We rule by force of will, because in our hands are the fragments of a once powerful party, now vanquished by us. AND THE WEAPONS IN OUR HANDS ARE LIMITLESS AMBITIONS, BURNING GREEDINESS, MERCILESS VENGEANCE, HATREDS AND MALICE.

4. IT IS FROM US THAT THE ALL-ENGULFING TERROR PROCEEDS. WE HAVE IN OUR SERVICE PERSONS OF ALL OPINIONS, OF ALL DOCTRINES, RESTORATING MONARCHISTS, DEMAGOGUES, SOCIALISTS, COMMUNISTS, AND UTOPIAN DREAMERS OF EVERY KIND. We have harnessed them all to the task: EACH ONE OF THEM ON HIS OWN ACCOUNT IS BORING AWAY AT THE LAST REMNANTS OF AUTHORITY, IS STRIVING TO OVERTHROW ALL ESTABLISHED FORM OF ORDER. By these acts all States are in torture; they exhort to tranquility, are ready to sacrifice everything for peace: BUT WE WILL NOT GIVE THEM PEACE UNTIL THEY OPENLY ACKNOWLEDGE OUR INTERNATIONAL SUPER-GOVERNMENT, AND WITH SUBMISSIVENESS.

5. The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. DIVISION INTO FRACTIONAL PARTIES HAS GIVEN THEM INTO OUR HANDS, FOR, IN ORDER TO CARRY ON A CONTESTED STRUGGLE ONE MUST HAVE MONEY, AND THE MONEY IS ALL IN OUR HANDS.

6. We might have reason to apprehend a union between the “clear-sighted” force of the GOY kings on their thrones and the “blind” force of the GOY mobs, but we have taken all the needful measure against any such possibility: between the one and the other force we have erected a bulwark in the shape of a mutual terror between them. In this way the blind force of the people remains our support and we, and we only, shall provide them with a leader and, of course, direct them along the road that leads to our goal.

7. In order that the hand of the blind mob may not free itself from our guiding hand, we must every now and then enter into close communion with it, if not actually in person, at any rate through some of the most trusty of our

brethren. When we are acknowledged as the only authority we shall discuss with the people personally on the market, places, and we shall instruct them on questings of the political in such wise as may turn them in the direction that suits us.

8. Who is going to verify what is taught in the village schools? But what an envoy of the government or a king on his throne himself may say cannot but become immediately known to the whole State, for it will be spread abroad by the voice of the people.

9. In order to annihilate the institutions of the GOYIM before it is time we have touched them with craft and delicacy, and have taken hold of the ends of the springs which move their mechanism. These springs lay in a strict but just sense of order; we have replaced them by the chaotic license of liberalism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, BUT PRINCIPALLY INTO EDUCATION AND TRAINING AS BEING THE CORNERSTONES OF A FREE EXISTENCE.

CHRISTIAN YOUTH DESTROYED

10. WE HAVE FOOLED, BEMUSED AND CORRUPTED THE YOUTH OF THE “GOYIM” BY REARING THEM IN PRINCIPLES AND THEORIES WHICH ARE KNOWN TO US TO BE FALSE ALTHOUGH IT IS THAT THEY HAVE BEEN INCULCATED.

11. Above the existing laws without substantially altering them, and by merely twisting them into contradictions of interpretations, we have erected something grandiose in the way of results. These results found expression in the fact that the INTERPRETATIONS MASKED THE LAW: afterwards they entirely hid them from the eyes of the governments owing to the impossibility of making anything out of the tangled web of legislation.

12. This is the origin of the theory of course of arbitration.

13. You may say that the GOYIM will rise upon us, arms in hand, if they guess what is going on before the time

comes; but in the West we have against this a manoeuvre of such appalling terror that the very stoutest hearts quail – the undergrounds, metropolitans, those subterranean corridors which, before the time comes, will be driven under all the capitals and from whence those capitals will be blown into the air with all their organizations and archives.

1. To-day I begin with a repetition of what I said before, and I BEG YOU TO BEAR IN MIND THAT GOVERNMENTS AND PEOPLE ARE CONTENT IN THE POLITICAL WITH OUTSIDE APPEARANCES. And how, indeed, are the GOYIM to perceive the underlying meaning of things when their representatives give the best of their energies to enjoying themselves? For our policy it is of the greatest importance to take cognizance of this detail; it will be of assistance to us when we come to consider the division of authority of property, of the dwelling, of taxation (the idea of concealed taxes), of the reflex force of the laws. All these questions are such as ought not to be touched upon directly and openly before the people. In cases where it is indispensable to touch upon them they must not be categorically named, it must merely be declared without detailed exposition that the principles of contemporary law are acknowledged by us. The reason of keeping silence in this respect is that by not naming a principle we leave ourselves freedom of action, to drop this or that out of it without attracting notice; if they were all categorically named they would all appear to have been already given.

2. The mob cherishes a special affection and respect for the geniuses of political power and accepts all their deeds of violence with the admiring response: “rascally, well, yes, it is rascally, but it’s clever! … a trick, if you like, but how craftily played, how magnificently done, what impudent audacity!” …

OUR GOAL – WORLD POWER

3. We count upon attracting all nations to the task of erecting the new fundamental structure, the project for which has been drawn up by us. This is why, before everything, it is indispensable for us to arm ourselves and to store up in ourselves that absolutely reckless audacity and irresistible might of the spirit which in the person of our active workers will break down all hindrances on our way.

4. WHEN WE HAVE ACCOMPLISHED OUR COUP D’ETAT WE SHALL SAY THEN TO THE VARIOUS

PEOPLES: “EVERYTHING HAS GONE TERRIBLY BADLY, ALL HAVE BEEN WORN OUT WITH SUFFERING. WE ARE DESTROYING THE CAUSES OF YOUR TORMENT – NATIONALITIES, FRONTIERS, DIFFERENCES OF COINAGES. YOU ARE AT LIBERTY, OF COURSE, TO PRONOUNCE SENTENCE UPON US, BUT CAN IT POSSIBLY BE A JUST ONE IF IT IS CONFIRMED BY YOU BEFORE YOU MAKE ANY TRIAL OF WHAT WE ARE OFFERING YOU.” … THEN WILL THE MOB EXALT US AND BEAR US UP IN THEIR HANDS IN A UNANIMOUS TRIUMPH OF HOPES AND EXPECTATIONS. VOTING, WHICH WE HAVE MADE THE INSTRUMENT WHICH WILL SET US ON THE THRONE OF THE WORLD BY TEACHING EVEN THE VERY SMALLEST UNITS OF MEMBERS OF THE HUMAN RACE TO VOTE BY MEANS OF MEETINGS AND AGREEMENTS BY GROUPS, WILL THEN HAVE SERVED ITS PURPOSES AND WILL PLAY ITS PART THEN FOR THE LAST TIME BY A UNANIMITY OF DESIRE TO MAKE CLOSE ACQUAINTANCE WITH US BEFORE CONDEMNING US.

5. TO SECURE THIS WE MUST HAVE EVERYBODY VOTE WITHOUT DISTINCTION OF CLASSES AND QUALIFICATIONS, in order to establish an absolute majority, which cannot be got from the educated propertied classes. In this way, by inculcating in all a sense of self-importance, we shall destroy among the GOYIM the importance of the family and its educational value and remove the possibility of individual minds splitting off, for the mob, handled by us, will not let them come to the front nor even give them a hearing; it is accustomed to listen to us only who pay it for obedience and attention. In this way we shall create a blind, mighty force which will never be in a position to move in any direction without the guidance of our agents set at its head by us as leaders of the mob. The people will submit to this regime because it will know that upon these leaders will depend its earnings, gratifications and the receipt of all kinds of benefits.

6. A scheme of government should come ready made from one brain, because it will never be clinched firmly if it is allowed to be split into fractional parts in the minds of many. It is allowable, therefore, for us to have cognizance of the scheme of action but not to discuss it lest we disturb its artfulness, the interdependence of its component parts, the practical force of the secret meaning of each clause. To discuss and make alterations in a labor of this kind by means of numerous votings is to impress upon it the stamp of all ratiocinations and misunderstandings which have failed to penetrate the depth and nexus of its plottings. We want our schemes to be forcible and suitably concocted.

Therefore WE OUGHT NOT TO FLING THE WORK OF GENIUS OF OUR GUIDE to the fangs of the mob or even of a select company.

7. These schemes will not turn existing institutions upside down just yet. They will only effect changes in their economy and consequently in the whole combined movement of their progress, which will thus be directed along the paths laid down in our schemes.

POISON OF LIBERALISM

8. Under various names there exists in all countries approximately one and the same thing. Representation, Ministry, Senate, State Council, Legislative and Executive Corps. I need not explain to you the mechanism of the relation of these institutions to one another, because you are aware of all that; only take note of the fact that each of the above-named institutions corresponds to some important function of the State, and I would beg you to remark that the word “important” I apply not to the institution but to the function, consequently it is not the institutions which are important but their functions. These institutions have divided up among themselves all the functions of government – administrative, legislative, executive, wherefore they have come to operate as do the organs in the human body. If we injure one part in the machinery of State, the State falls sick, like a human body, and … will die.

9. When we introduced into the State organism the poison of Liberalism its whole political complexion underwent a change. States have been seized with a mortal illness – blood poisoning. All that remains is to await the end of their death agony.

10. Liberalism produced Constitutional States, which took the place of what was the only safeguard of the GOYIM, namely, Despotism; and A CONSTITUTION, AS YOU WELL KNOW, IS NOTHING ELSE BUT A SCHOOL OF DISCORDS, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims – in a word, a school of everything that serves to destroy the personality of State activity. THE TRIBUNE OF THE “TALKERIES” HAS, NO LESS EFFECTIVELY THAN THE PRESS, CONDEMNED THE RULERS TO INACTIVITY AND IMPOTENCE, and thereby rendered them useless and superfluous, for which reason indeed they have been in

many countries deposed. THEN IT WAS THAT THE ERA OF REPUBLICS BECOME POSSIBLE OF REALIZATION; AND THEN IT WAS THAT WE REPLACED THE RULER BY A CARICATURE OF A GOVERNMENT – BY A PRESIDENT, TAKEN FROM THE MOB, FROM THE MIDST OF OUR PUPPET CREATURES, OR SLAVES. This was the foundation of the mine which we have laid under the GOY people, I should rather say, under the GOY peoples.

WE NAME PRESIDENTS

11. In the near future we shall establish the responsibility of presidents.

12. By that time we shall be in a position to disregard forms in carrying through matters for which our impersonal puppet will be responsible. What do we care if the ranks of those striving for power should be thinned, if there should arise a deadlock from the impossibility of finding presidents, a deadlock which will finally disorganize the country? …

13. In order that our scheme may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some “Panama” or other – then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honor connected with the office of president. The chamber of deputies will provide cover for, will protect, will elect presidents, but we shall take from it the right to propose new, or make changes in existing laws, for this right will be given by us to the responsible president, a puppet in our hands. Naturally, the authority of the presidents will then become a target for every possible form of attack, but we shall provide him with a means of self-defense in the right of an appeal to the people, for the decision of the people over the heads of their representatives, that is to say, an appeal to that same blind slave of ours – the majority of the mob. Independently of this we shall invest the president with the right of declaring a state of war. We shall justify this last right on the ground that the president as chief of the whole army of the country must have it at his disposal, in case of need for the defense of the new republican constitution, the right to defend which will belong to him as the responsible representative of this constitution. (Iran? Grenada? Kuwait? Iraq? Panama? Somalia?

Bosnia? Kosovo? Indonesia?)

14. It is easy to understand that in these conditions the key of the shrine will lie in our hands, and no one outside ourselves will any longer direct the force of legislation.

15. Besides this we shall, with the introduction of the new republican constitution, take from the Chamber the right of interpolation on government measures, on the pretext of preserving political secrecy, and, further, we shall by the new constitution reduce the number of representatives to a minimum, thereby proportionately reducing political passions and the passion for politics. If, however, they should, which is hardly to be expected, burst into flame, even in this minimum, we shall nullify them by a stirring appeal and a reference to the majority of the whole people … Upon the president will depend the appointment of presidents and vice-presidents of the Chamber and the Senate. Instead of constant sessions of Parliaments we shall reduce their sittings to a few months. Moreover, the president, as chief of the executive power, will have the right to summon and dissolve Parliament, and, in the latter case, to prolong the time for the appointment of a new parliamentary assembly. But in order that the consequences of all these acts which in substance are illegal, should not, prematurely for our plans, fall upon the responsibility established by us of the president, WE SHALL INSTIGATE MINISTERS AND OTHER OFFICIALS OF THE HIGHER ADMINISTRATION ABOUT THE PRESIDENT TO EVADE HIS DISPOSITIONS BY TAKING MEASURES OF THEIR OWN, for doing which they will be made the scapegoats in his place … This part we especially recommend to be given to be played by the Senate, the Council of State, or the Council of Ministers, but not to an individual official.

16. The president will, at our discretion, interpret the sense of such of the existing laws as admit of various interpretation; he will further annul them when we indicate to him the necessity to do so, besides this, he will have the right to propose temporary laws, and even new departures in the government constitutional working, the pretext both for the one and the other being the requirements for the supreme welfare of the State. (Presidential Decrees such as F.D.R. employed to debase the US dollar and steal the gold and to place the U.S. under a permanent State of Emergency and War against its own citizens?)

WE SHALL DESTROY

17. By such measure we shall obtain the power of destroying little by little, step by step, all that at the outset when we enter on our rights, we are compelled to introduce into the constitutions of States to prepare for the transition to an imperceptible abolition of every kind of constitution, and then the time is come to turn every form of government into OUR DESPOTISM.

18. The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and incompetence – a matter which we shall arrange for – of their rulers, will clamor: “Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders – frontiers, nationalities, religions, State debts – who will give us peace and quiet which we cannot find under our rulers and representatives.”

19. But you yourselves perfectly well know that TO PRODUCE THE POSSIBILITY OF THE EXPRESSION OF SUCH WISHES BY ALL THE NATIONS IT IS INDISPENSABLE TO TROUBLE IN ALL COUNTRIES THE PEOPLE’S RELATIONS WITH THEIR GOVERNMENTS SO AS TO UTTERLY EXHAUST HUMANITY WITH DISSENSION, HATRED, STRUGGLE, ENVY AND EVEN BY THE USE OF TORTURE, BY STARVATION, BY THE INOCULATION OF DISEASES, BY WANT, SO THAT THE “GOYIM” SEE NO OTHER ISSUE THAN TO TAKE REFUGE IN OUR COMPLETE SOVEREIGNTY IN MONEY AND IN ALL ELSE.

20. But if we give the nations of the world a breathing space the moment we long for is hardly likely ever to arrive.

1. The State Council has been, as it were, the emphatic expression of the authority of the ruler: it will be, as the “show” part of the Legislative Corps, what may be called the editorial committee of the laws and decrees of the ruler.

2. This, then, is the program of the new constitution. We shall make Law, Right and Justice (1) in the guise of proposals to the Legislative Corps, (2) by decrees of the president under the guise of general regulations, of orders

occasion should arise – in the form of a revolution in the State.

3. Having established approximately the MODUS AGENDI we will occupy ourselves with details of those combinations by which we have still to complete the revolution in the course of the machinery of State in the direction already indicated. By these combinations I mean the freedom of the Press, the right of association, freedom of conscience, the voting principle, and many another that must disappear for ever from the memory of man, or undergo a radical alteration the day after the promulgation of the new constitution. It is only at the moment that we shall be able at once to announce all our orders, for, afterwards, every noticeable alteration will be dangerous, for the following reasons: if this alteration be brought in with harsh severity and in a sense of severity and limitations, it may lead to a feeling of despair caused by fear of new alterations in the same direction; if, on the other hand, it be brought in a sense of further indulgences it will be said that we have recognized our own wrong-doing and this will destroy the prestige of the infallibility of our authority, or else it will be said that we have become alarmed and are compelled to show a yielding disposition, for which we shall get no thanks because it will be supposed to be compulsory … Both the one and the other are injurious to the prestige of the new constitution. What we want is that from the first moment of its promulgation, while the peoples of the world are still stunned by the accomplished fact of the revolution, still in a condition of terror and uncertainty, they should recognize once for all that we are so strong, so inexpugnable, so super-abundantly filled with power, that in no case shall we take any account of them, and so far from paying any attention to their opinions or wishes, we are ready and able to crush with irresistible power all expression or manifestation thereof at every moment and in every place, that we have seized at once everything we wanted and shall in no case divide our power with them … Then in fear and trembling they will close their eyes to everything, and be content to await what will be the end of it all.

WE ARE WOLVES

4. The GOYIM are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock? ….

5. There is another reason also why they will close their eyes: for we shall keep promising them to give back all the

liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties ….

6. It is not worth to say anything about how long a time they will be kept waiting for this return of their liberties ….

7. For what purpose then have we invented this whole policy and insinuated it into the minds of the GOY without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has served as the basis for our organization of SECRET MASONRY WHICH IS NOT KNOWN TO, AND AIMS WHICH ARE NOT EVEN SO MUCH AS SUSPECTED BY, THESE “GOY” CATTLE, ATTRACTED BY US INTO THE “SHOW” ARMY OF MASONIC LODGES IN ORDER TO THROW DUST IN THE EYES OF THEIR FELLOWS.

8. God has granted to us, His Chosen People, the gift of the dispersion, and in this which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world.

9. There now remains not much more for us to build up upon the foundation we have laid.

1. The word “freedom,” which can be interpreted in various ways, is defined by us as follows -

2. Freedom is the right to do what which the law allows. This interpretation of the word will at the proper time be of service to us, because all freedom will thus be in our hands, since the laws will abolish or create only that which is desirable for us according to the aforesaid program.

3. We shall deal with the press in the following way: what is the part played by the press to-day? It serves to excite and inflame those passions which are needed for our purpose or else it serves selfish ends of parties. It is often vapid, unjust, mendacious, and the majority of the public have not the slightest idea what ends the press really serves. We shall saddle and bridle it with a tight curb: we shall do the same also with all productions of the printing

press, for where would be the sense of getting rid of the attacks of the press if we remain targets for pamphlets and books? The produce of publicity, which nowadays is a source of heavy expense owing to the necessity of censoring it, will be turned by us into a very lucrative source of income to our State: we shall lay on it a special stamp tax and require deposits of caution-money before permitting the establishment of any organ of the press or of printing offices; these will then have to guarantee our government against any kind of attack on the part of the press. For any attempt to attack us, if such still be possible, we shall inflict fines without mercy. Such measures as stamp tax, deposit of caution-money and fines secured by these deposits, will bring in a huge income to the government. It is true that party organs might not spare money for the sake of publicity, but these we shall shut up at the second attack upon us. No one shall with impunity lay a finger on the aureole of our government infallibility. The pretext for stopping any publication will be the alleged plea that it is agitating the public mind without occasion or justification. I BEG YOU TO NOTE THAT AMONG THOSE MAKING ATTACKS UPON US WILL ALSO BE ORGANS ESTABLISHED BY US, BUT THEY WILL ATTACK EXCLUSIVELY POINTS THAT WE HAVE PRE-DETERMINED TO ALTER.

WE CONTROL THE PRESS

4. NOT A SINGLE ANNOUNCEMENT WILL REACH THE PUBLIC WITHOUT OUR CONTROL. Even now this is already being attained by us inasmuch as all news items are received by a few agencies, in whose offices they are focused from all parts of the world. These agencies will then be already entirely ours and will give publicity only to what we dictate to them.

5. If already now we have contrived to possess ourselves of the minds of the GOY communities to such an extent the they all come near looking upon the events of the world through the colored glasses of those spectacles we are setting astride their noses; if already now there is not a single State where there exist for us any barriers to admittance into what GOY stupidity calls State secrets: what will our positions be then, when we shall be acknowledged supreme lords of the world in the person of our king of all the world ….

6. Let us turn again to the FUTURE OF THE PRINTING PRESS. Every one desirous of being a publisher, librarian,

or printer, will be obliged to provide himself with the diploma instituted therefore, which, in case of any fault, will be immediately impounded. With such measures THE INSTRUMENT OF THOUGHT WILL BECOME AN EDUCATIVE MEANS ON THE HANDS OF OUR GOVERNMENT, WHICH WILL NO LONGER ALLOW THE MASS OF THE NATION TO BE LED ASTRAY IN BY-WAYS AND FANTASIES ABOUT THE BLESSINGS OF PROGRESS. Is there any one of us who does not know that these phantom blessings are the direct roads to foolish imaginings which give birth to anarchical relations of men among themselves and towards authority, because progress, or rather the idea of progress, has introduced the conception of every kind of emancipation, but has failed to establish its limits …. All the so-called liberals are anarchists, if not in fact, at any rate in thought. Every one of them in hunting after phantoms of freedom, and falling exclusively into license, that is, into the anarchy of protest for the sake of protest….

FREE PRESS DESTROYED

7. We turn to the periodical press. We shall impose on it, as on all printed matter, stamp taxes per sheet and deposits of caution-money, and books of less than 30 sheets will pay double. We shall reckon them as pamphlets in order, on the one hand, to reduce the number of magazines, which are the worst form of printed poison, and, on the other, in order that this measure may force writers into such lengthy productions that they will be little read, especially as they will be costly. At the same time what we shall publish ourselves to influence mental development in the direction laid down for our profit will be cheap and will be read voraciously. The tax will bring vapid literary ambitions within bounds and the liability to penalties will make literary men dependent upon us. And if there should be any found who are desirous of writing against us, they will not find any person eager to print their productions. Before accepting any production for publication in print, the publisher or printer will have to apply to the authorities for permission to do so. Thus we shall know beforehand of all tricks preparing against us and shall nullify them by getting ahead with explanations on the subject treated of.

8. Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralize the injurious influence of the privately-owned press and will put us in possession of a tremendous influence upon the public mind …. If we give permits for ten

journals, we shall ourselves found thirty, and so on in the same proportion. This, however, must in no wise be suspected by the public. For which reason all journals published by us will be of the most opposite, in appearance, tendencies and opinions, thereby creating confidence in us and bringing over to us quite unsuspicious opponents, who will thus fall into our trap and be rendered harmless.

9. In the front rank will stand organs of an official character. They will always stand guard over our interests, and therefore their influence will be comparatively insignificant.

10. In the second rank will be the semi-official organs, whose part it will be to attack the tepid and indifferent.

11. In the third rank we shall set up our own, to all appearance, opposition, which, in at least one of its organs, will present what looks like the very antipodes to us. Our real opponents at heart will accept this simulated opposition as their own and will show us their cards.

12. All our newspapers will be of all possible complexions — aristocratic, republican, revolutionary, even anarchical – for so long, of course, as the constitution exists …. Like the Indian idol “Vishnu” they will have a hundred hands, and every one of them will have a finger on any one of the public opinions as required. When a pulse quickens these hands will lead opinion in the direction of our aims, for an excited patient loses all power of judgment and easily yields to suggestion. Those fools who will think they are repeating the opinion of a newspaper of their own camp will be repeating our opinion or any opinion that seems desirable for us. In the vain belief that they are following the organ of their party they will, in fact, follow the flag which we hang out for them.

13. In order to direct our newspaper militia in this sense we must take special and minute care in organizing this matter. Under the title of central department of the press we shall institute literary gatherings at which our agents will without attracting attention issue the orders and watchwords of the day. By discussing and controverting, but always superficially, without touching the essence of the matter, our organs will carry on a sham fight fusillade with the official newspapers solely for the purpose of giving occasion for us to express ourselves more fully than could well be done from the outset in official announcements, whenever, of course, that is to our advantage.

14. THESE ATTACKS UPON US WILL ALSO SERVE ANOTHER PURPOSE, NAMELY, THAT OUR SUBJECTS WILL BE CONVINCED TO THE EXISTENCE OF FULL FREEDOM OF SPEECH AND SO GIVE OUR AGENTS AN OCCASION TO AFFIRM THAT ALL ORGANS WHICH OPPOSE US ARE EMPTY BABBLERS, since they are incapable of finding any substantial objections to our orders.

ONLY LIES PRINTED

15. Methods of organization like these, imperceptible to the public eye but absolutely sure, are the best calculated to succeed in bringing the attention and the confidence of the public to the side of our government. Thanks to such methods we shall be in a position as from time to time may be required, to excite or to tranquillize the public mind on political questions, to persuade or to confuse, printing now truth, now lies, facts or their contradictions, according as they may be well or ill received, always very cautiously feeling our ground before stepping upon it …. WE SHALL HAVE A SURE TRIUMPH OVER OUR OPPONENTS SINCE THEY WILL NOT HAVE AT THEIR DISPOSITION ORGANS OF THE PRESS IN WHICH THEY CAN GIVE FULL AND FINAL EXPRESSION TO THEIR VIEWS owing to the aforesaid methods of dealing with the press. We shall not even need to refute them except very superficially.

16. Trial shots like these, fired by us in the third rank of our press, in case of need, will be energetically refuted by us in our semi-official organs.

17. Even nowadays, already, to take only the French press, there are forms which reveal masonic solidarity in acting on the watchword: all organs of the press are bound together by professional secrecy; like the augurs of old, not one of their numbers will give away the secret of his sources of information unless it be resolved to make announcement of them. Not one journalist will venture to betray this secret, for not one of them is ever admitted to practice literature unless his whole past has some disgraceful sore or other …. These sores would be immediately revealed. So long as they remain the secret of a few the prestige of the journalist attacks the majority of the country – the mob follow after him with enthusiasm.

18. Our calculations are especially extended to the provinces. It is indispensable for us to inflame there those hopes and impulses with which we could at any moment fall upon the capital, and we shall represent to the capitals that these expressions are the independent hopes and impulses of the provinces. Naturally, the source of them will be always one and the same – ours. WHAT WE NEED IS THAT, UNTIL SUCH TIME AS WE ARE IN THE PLENITUDE POWER, THE CAPITALS SHOULD FIND THEMSELVES STIFLED BY THE PROVINCIAL OPINION OF THE NATIONS, I.E., OF A MAJORITY ARRANGED BY OUR AGENTUR. What we need is that at the psychological moment the capitals should not be in a position to discuss an accomplished fact for the simple reason, if for no other, that it has been accepted by the public opinion of a majority in the provinces.

19. WHEN WE ARE IN THE PERIOD OF THE NEW REGIME TRANSITIONAL TO THAT OF OUR ASSUMPTION OF FULL SOVEREIGNTY WE MUST NOT ADMIT ANY REVELATION BY THE PRESS OF ANY FORM OF PUBLIC DISHONESTY; IT IS NECESSARY THAT THE NEW REGIME SHOULD BE THOUGHT TO HAVE SO PERFECTLY CONTENDED EVERYBODY THAT EVEN CRIMINALITY HAS DISAPPEARED … Cases of the manifestation of criminality should remain known only to their victims and to chance witnesses – no more.

1. The need for daily bread forces the GOYIM to keep silence and be our humble servants. Agents taken on to our press from among the GOYIM will at our orders discuss anything which it is inconvenient for us to issue directly in official documents, and we meanwhile, quietly amid the din of the discussion so raised, shall simply take and carry through such measures as we wish and then offer them to the public as an accomplished fact. No one will dare to demand the abrogation of a matter once settled, all the more so as it will be represented as an improvement … And immediately the press will distract the current of thought towards, new questions, (have we not trained people always to be seeking something new?). Into the discussions of these new questions will throw themselves those of the brainless dispensers of fortunes who are not able even now to understand that they have not the remotest conception about the matters which they undertake to discuss. Questions of the political are unattainable for any save those who have guided it already for many ages, the creators.

2. From all this you will see that in securing the opinion of the mob we are only facilitating the working of our

machinery, and you may remark that it is not for actions but for words issued by us on this or that question that we seem to seek approval. We are constantly making public declaration that we are guided in all our undertakings by the hope, joined to the conviction, that we are serving the common weal.

WE DECEIVE WORKERS

3. In order to distract people who may be too troublesome from discussions of questions of the political we are now putting forward what we allege to be new questions of the political, namely, questions of industry. In this sphere let them discuss themselves silly! The masses are agreed to remain inactive, to take a rest from what they suppose to be political (which we trained them to in order to use them as a means of combating the GOY governments) only on condition of being found new employments, in which we are prescribing them something that looks like the same political object. In order that the masses themselves may not guess what they are about WE FURTHER DISTRACT THEM WITH AMUSEMENTS, GAMES, PASTIMES, PASSIONS, PEOPLE'S PALACES …. SOON WE SHALL BEGIN THROUGH THE PRESS TO PROPOSE COMPETITIONS IN ART, IN SPORT IN ALL KINDS: these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them. Growing more and more unaccustomed to reflect and form any opinions of their own, people will begin to talk in the same tone as we because we alone shall be offering them new directions for thought … of course through such persons as will not be suspected of solidarity with us.

4. The part played by the liberals, utopian dreamers, will be finally played out when our government is acknowledged. Till such time they will continue to do us good service. Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories, new and apparently progressive: for have we not with complete success turned the brainless heads of the GOYIM with progress, till there is not among the GOYIM one mind able to perceive that under this word lies a departure from truth in all cases where it is not a question of material inventions, for truth is one, and in it there is no place for progress. Progress, like a fallacious idea, serves to obscure truth so that none may know it except us, the Chosen of God, its guardians.

5. When, we come into our kingdom our orators will expound great problems which have turned humanity upside

down in order to bring it at the end under our beneficent rule.

6. Who will ever suspect then that ALL THESE PEOPLES WERE STAGE-MANAGED BY US ACCORDING TO A POLITICAL PLAN WHICH NO ONE HAS SO MUCH AS GUESSED AT IN THE COURSE OF MANY CENTURIES?

1. When we come into our kingdom it will be undesirable for us that there should exist any other religion than ours of the One God with whom our destiny is bound up by our position as the Chosen People and through whom our same destiny is united with the destinies of the world. We must therefore sweep away all other forms of belief. If this gives birth to the atheists whom we see to-day, it will not, being only a transitional stage, interfere with our views, but will serve as a warning for those generations which will hearken to our preaching of the religion of Moses, that, by its stable and thoroughly elaborated system has brought all the peoples of the world into subjection to us. Therein we shall emphasize its mystical right, on which, as we shall say, all its educative power is based …. Then at every possible opportunity we shall publish articles in which we shall make comparisons between our beneficent rule and those of past ages. The blessing of tranquillity, though it be a tranquillity forcibly brought about by centuries of agitation, will throw into higher relief the benefits to which we shall point. The errors of the GOYIM governments will be depicted by us in the most vivid hues. We shall implant such an abhorrence of them that the peoples will prefer tranquillity in a state of serfdom to those rights of vaunted freedom which have tortured humanity and exhausted the very sources of human existence, sources which have been exploited by a mob of rascally adventurers who know not what they do …. USELESS CHANGES OF FORMS OF GOVERNMENT TO WHICH WE INSTIGATED THE "GOYIM" WHEN WE WERE UNDERMINING THEIR STATE STRUCTURES, WILL HAVE SO WEARIED THE PEOPLES BY THAT TIME THAT THEY WILL PREFER TO SUFFER ANYTHING UNDER US RATHER THAN RUN THE RISK OF ENDURING AGAIN ALL THE AGITATIONS AND MISERIES THEY HAVE GONE THROUGH.

WE SHALL FORBID CHRIST

2. At the same time we shall not omit to emphasize the historical mistakes of the GOY governments which have tormented humanity for so many centuries by their lack of understanding of everything that constitutes the true good of humanity in their chase after fantastic schemes of social blessings, and have never noticed that these schemes

kept on producing a worse and never a better state of the universal relations which are the basis of human life …

3. The whole force of our principles and methods will lie in the fact that we shall present them and expound them as a splendid contrast to the dead and decomposed old order of things in social life.

4. Our philosophers will discuss all the shortcomings of the various beliefs of the “GOYIM,” BUT NO ONE WILL EVER BRING UNDER DISCUSSION OUR FAITH FROM ITS TRUE POINT OF VIEW SINCE THIS WILL BE FULLY LEARNED BY NONE SAVE OURS WHO WILL NEVER DARE TO BETRAY ITS SECRETS.

5. IN COUNTRIES KNOWN AS PROGRESSIVE AND ENLIGHTENED WE HAVE CREATED A SENSELESS, FILTHY, ABOMINABLE LITERATURE. For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to the speeches, party program, which will be distributed from exalted quarters of ours …. Our wise men, trained to become leaders of the GOYIM, will compose speeches, projects, memoirs, articles, which will be used by us to influence the minds of the GOYIM, directing them towards such understanding and forms of knowledge as have been determined by us.

1. When we at last definitely come into our kingdom by the aid of COUPS D’ETAT prepared everywhere for one and the same day, after definitely acknowledged (and not a little time will pass before that comes about, perhaps even a whole century) we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose we shall slay without mercy all who take arms (in hand, like Waco? Randy Weaver? Port Arthur? Oklahoma?) to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society will also be punished with death; those of them which are now in existence, are known to us, serve us and have served us, we shall disband and send into exile to continents far removed from Europe. IN THIS WAY WE SHALL PROCEED WITH THOSE “GOY” MASONS WHO KNOW TOO MUCH; such of these as we may for some reason spare will be kept in constant fear of exile. We shall promulgate a law making all former members of secret societies liable to exile from Europe as the center of rule.

2. Resolutions of our government will be final, without appeal.

3. In the GOY societies, in which we have planted and deeply rooted discord and protestantism, the only possible way of restoring order is to employ merciless measures that prove the direct force of authority: no regard must be paid to the victims who fall, they suffer for the well-being of the future. The attainment of that well-being, even at the expense of sacrifices, is the duty of any kind of government that acknowledges as justification for its existence not only its privileges but its obligations. The principal guarantee of stability of rule is to confirm the aureole of power, and this aureole is attained only by such a majestic inflexibility of might as shall carry on its face the emblems of inviolability from mystical causes – from the choice of God. SUCH WAS, UNTIL RECENT TIMES, THE RUSSIAN AUTOCRACY, THE ONE AND ONLY SERIOUS FOE WE HAD IN THE WORLD, WITHOUT COUNTING THE PAPACY. Bear in mind the example when Italy, drenched with blood, never touched a hair of the head of Sulla who had poured forth that blood: Sulla enjoyed an apotheosis for his might in him, but his intrepid return to Italy ringed him round with inviolability. The people do not lay a finger on him who hypnotizes them by his daring and strength of mind.

SECRET SOCIETIES

4. Meantime, however, until we come into our kingdom, we shall act in the contrary way: we shall create and multiply free masonic lodges in all the countries of the world, absorb into them all who may become or who are prominent in public activity, for these lodges we shall find our principal intelligence office and means of influence. All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders. The lodges will have their representatives who will serve to screen the above-mentioned administration of MASONRY and from whom will issue the watchword and program. In these lodges we shall tie together the knot which binds together all revolutionary and liberal elements. Their composition will be made up of all strata of society. The most secret political plots will be known to us and fall under our guiding hands on the very day of their conception. AMONG THE MEMBERS OF THESE LODGES WILL BE ALMOST ALL THE AGENTS OF INTERNATIONAL AND NATIONAL POLICE since their service is for us irreplaceable in the respect that the police is in a position not only to use its own particular measures with the

insubordinate, but also to screen our activities and provide pretexts for discontents, ET CETERA.

5. The class of people who most willingly enter into secret societies are those who live by their wits, careerists, and in general people, mostly light-minded, with whom we shall have no difficulty in dealing and in using to wind up the mechanism of the machine devised by us. If this world grows agitated the meaning of that will be that we have had to stir up in order to break up its too great solidarity. BUT IF THERE SHOULD ARISE IN ITS MIDST A PLOT, THEN AT THE HEAD OF THAT PLOT WILL BE NO OTHER THAN ONE OF OUR MOST TRUSTED SERVANTS. It is natural that we and no other should lead MASONIC activities, for we know whither we are leading, we know the final goal of every form of activity whereas the GOYIM have knowledge of nothing, not even of the immediate effect of action; they put before themselves, usually, the momentary reckoning of the satisfaction of their self-opinion in the accomplishment of their thought without even remarking that the very conception never belonged to their initiative but to our instigation of their thought …

GENTILES ARE STUPID

6. The GOYIM enter the lodges out of curiosity or in the hope by their means to get a nibble at the public pie, and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies: they thirst for the emotion of success and applause, of which we are remarkably generous. And the reason why we give them this success is to make use of the high conceit of themselves to which it gives birth, for that insensibly disposes them to assimulate our suggestions without being on their guard against them in the fullness of their confidence that it is their own infallibility which is giving utterance to their own thoughts and that it is impossible for them to borrow those of others …. You cannot imagine to what extent the wisest of the GOYIM can be brought to a state of unconscious naivete in the presence of this condition of high conceit of themselves, and at the same time how easy it is to take the heart out of them by the slightest ill-success, though it be nothing more than the stoppage of the applause they had, and to reduce them to a slavish submission for the sake of winning a renewal of success …. BY SO MUCH AS OURS DISREGARD SUCCESS IF ONLY THEY CAN CARRY THROUGH THEIR PLANS, BY SO MUCH THE “GOYIM” ARE WILLING TO SACRIFICE ANY PLANS ONLY TO HAVE SUCCESS. This psychology of theirs materially facilitates for us the task of setting them in the required direction. These tigers in

appearance have the souls of sheep and the wind blows freely through their heads. We have set them on the hobby-horse of an idea about the absorption of individuality by the symbolic unit of COLLECTIVISM …. They have never yet and they never will have the sense to reflect that this hobby-horse is a manifest violation of the most important law of nature, which has established from the very creation of the world one unit unlike another and precisely for the purpose of instituting individuality ….

7. If we have been able to bring them to such a pitch of stupid blindness is it not a proof, and an amazingly clear proof, of the degree to which the mind of the GOYIM is undeveloped in comparison with our mind? This it is, mainly, which guarantees our success.

GENTILES ARE CATTLE

8. And how far-seeing were our learned elders in ancient times when they said that to attain a serious end it behooves not to stop at any means or to count the victims sacrificed for the sake of that end …. We have not counted the victims of the seed of the GOY cattle, though we have sacrificed many of our own, but for that we have now already given them such a position on the earth as they could not even have dreamed of. The comparatively small numbers of the victims from the number of ours have preserved our nationality from destruction.

9. Death is the inevitable end for all. It is better to bring that end nearer to those who hinder our affairs than to ourselves, to the founders of this affair. WE EXECUTE MASONS IN SUCH WISE THAT NONE SAVE THE BROTHERHOOD CAN EVER HAVE A SUSPICION OF IT, NOT EVEN THE VICTIMS THEMSELVES OF OUR DEATH SENTENCE, THEY ALL DIE WHEN REQUIRED AS IF FROM A NORMAL KIND OF ILLNESS ….. Knowing this, even the brotherhood in its turn dare not protest. By such methods we have plucked out of the midst of MASONRY the very root of protest against our disposition. While preaching liberalism to the GOY we at the same time keep our own people and our agents in a state of unquestioning submission.

10. Under our influence the execution of the laws of the GOYIM has been reduced to a minimum. The prestige of the law has been exploded by the liberal interpretations introduced into this sphere. In the most important and

fundamental affairs and questions, JUDGES DECIDE AS WE DICTATE TO THEM, see matters in the light wherewith we enfold them for the administration of the GOYIM, of course, through persons who are our tools though we do not appear to have anything in common with them – by newspaper opinion or by other means …. Even senators and the higher administration accept our counsels. The purely brute mind of the GOYIM is incapable of use for analysis and observation, and still more for the foreseeing whither a certain manner of setting a question may tend.

11. In this difference in capacity for thought between the GOYIM and ourselves may be clearly discerned the seal of our position as the Chosen People and of our higher quality of humanness, in contradistinction to the brute mind of the GOYIM. Their eyes are open, but see nothing before them and do not invent (unless perhaps, material things). From this it is plain that nature herself has destined us to guide and rule the world.

WE DEMAND SUBMISSION

12. When comes the time of our overt rule, the time to manifest its blessing, we shall remake all legislatures, all our laws will be brief, plain, stable, without any kind of interpretations, so that anyone will be in a position to know them perfectly. The main feature which will run right through them is submission to orders, and this principle will be carried to a grandiose height. Every abuse will then disappear in consequence of the responsibility of all down to the lowest unit before the higher authority of the representative of power. Abuses of power subordinate to this last instance will be so mercilessly punished that none will be found anxious to try experiments with their own powers. We shall follow up jealously every action of the administration on which depends the smooth running of the machinery of the State, for slackness in this produces slackness everywhere; not a single case of illegality or abuse of power will be left without exemplary punishment.

13. Concealment of guilt, connivance between those in the service of the administration – all this kind of evil will disappear after the very first examples of severe punishment. The aureole of our power demands suitable, that is, cruel, punishments for the slightest infringement, for the sake of gain, of its supreme prestige. The sufferer, though his punishment may exceed his fault, will count as a soldier falling on the administrative field of battle in the interests

of authority, principle and law, which do not permit that any of those who hold the reins of the public coach should turn aside from the public highway to their own private paths. FOR EXAMPLES OUR JUDGES WILL KNOW THAT WHENEVER THEY FEEL DISPOSED TO PLUME THEMSELVES ON FOOLISH CLEMENCY THEY ARE VIOLATING THE LAW OF JUSTICE WHICH IS INSTITUTED FOR THE EXEMPLARY EDIFICATION OF MEN BY PENALTIES FOR LAPSES AND NOT FOR DISPLAY OF THE SPIRITUAL QUALITIES OF THE JUDGES …. Such qualities it is proper to show in private life, but not in a public square which is the educational basis of human life.

14. Our legal staff will serve not beyond the age of 55, firstly because old men more obstinately hold to prejudiced opinions, and are less capable of submitting to new directions, and secondly because this will give us the possibility by this measure of securing elasticity in the changing of staff, which will thus the more easily bend under our pressure: he who wishes to keep his place will have to give blind obedience to deserve it. In general, our judges will be elected by us only from among those who thoroughly understand that the part they have to play is to punish and apply laws and not to dream about the manifestations of liberalism at the expense of the educational scheme of the State, as the GOYIM in these days imagine it to be …. This method of shuffling the staff will serve also to explode any collective solidarity of those in the same service and will bind all to the interests of the government upon which their fate will depend. The young generation of judges will be trained in certain views regarding the inadmissibility of any abuses that might disturb the established order of our subjects among themselves.

15. In these days the judges of the GOYIM create indulgences to every kind of crimes, not having a just understanding of their office, because the rulers of the present age in appointing judges to office take no care to inculcate in them a sense of duty and consciousness of the matter which is demanded of them. As a brute beast lets out its young in search of prey, so do the GOYIM give to them for what purpose such place was created. This is the reason why their governments are being ruined by their own forces through the acts of their own administration.

16. Let us borrow from the example of the results of these actions yet another lesson for our government.

17. We shall root out liberalism from all the important strategic posts of our government on which depends the training of subordinates for our State structure. Such posts will fall exclusively to those who have been trained by us

for administrative rule. To the possible objection that the retirement of old servants will cost the Treasury heavily, I reply, firstly, they will be provided with some private service in place of what they lose, and, secondly, I have to remark that all the money in the world will be concentrated in our hands, consequently it is not our government that has to fear expense.

WE SHALL BE CRUEL

18. Our absolutism will in all things be logically consecutive and therefore in each one of its decrees our supreme will must be respected and unquestionably fulfilled: it will ignore all murmurs, all discontents of every kind and will destroy to the root every kind of manifestation of them in act by punishment of an exemplary character.

19. We shall abolish the right of appeal, which will be transferred exclusively to our disposal – to the cognizance of him who rules, for we must not allow the conception among the people of a thought that there could be such a thing as a decision that is not right of judges set up by us. If, however, anything like this should occur, we shall ourselves quash the decision, but inflict therewith such exemplary punishment on the judge for lack of understanding of his duty and the purpose of his appointment as will prevent a repetition of such cases …. I repeat that it must be born in mind that we shall know every step of our administration which only needs to be closely watched for the people to be content with us, for it has the right to demand from a good government a good official.

20. OUR GOVERNMENT WILL HAVE THE APPEARANCE OF A PATRIARCHAL PATERNAL GUARDIANSHIP ON THE PART OF OUR RULER. Our own nation and our subjects will discern in his person a father caring for their every need, their every act, their every interrelation as subjects one with another, as well as their relations to the ruler. They will then be so thoroughly imbued with the thought that it is impossible for them to dispense with this wardship and guidance, if they wish to live in peace and quiet, THAT THEY WILL ACKNOWLEDGE THE AUTOCRACY OF OUR RULER WITH A DEVOTION BORDERING ON “APOTHEOSIS,” especially when they are convinced that those whom we set up do not put their own in place of authority, but only blindly execute his dictates. They will be rejoiced that we have regulated everything in their lives as is done by wise parents who desire to train children in the cause of duty and submission. For the peoples of the world in regard to the secrets of our polity are

ever through the ages only children under age, precisely as are also their governments.

21. As you see, I found our despotism on right and duty: the right to compel the execution of duty is the direct obligation of a government which is a father for its subjects. It has the right of the strong that it may use it for the benefit of directing humanity towards that order which is defined by nature, namely, submission. Everything in the world is in a state of submission, if not to man, then to circumstances or its own inner character, in all cases, to what is stronger. And so shall we be this something stronger for the sake of good.

22. We are obliged without hesitation to sacrifice individuals, who commit a breach of established order, for in the exemplary punishment of evil lies a great educational problem.

23. When the King of Israel sets upon his sacred head the crown offered him by Europe he will become patriarch of the world. The indispensable victims offered by him in consequence of their suitability will never reach the number of victims offered in the course of centuries by the mania of magnificence, the emulation between the GOY governments.

24. Our King will be in constant communion with the peoples, making to them from the tribune speeches which fame will in that same hour distribute over all the world.

1. In order to effect the destruction of all collective forces except ours we shall emasculate the first stage of collectivism – the UNIVERSITIES, by re-educating them in a new direction. THEIR OFFICIALS AND PROFESSORS WILL BE PREPARED FOR THEIR BUSINESS BY DETAILED SECRET PROGRAMS OF ACTION FROM WHICH THEY WILL NOT WITH IMMUNITY DIVERGE, NOT BY ONE IOTA. THEY WILL BE APPOINTED WITH ESPECIAL PRECAUTION, AND WILL BE SO PLACED AS TO BE WHOLLY DEPENDENT UPON THE GOVERNMENT.

2. We shall exclude from the course of instruction State Law as also all that concerns the political question. These

subjects will be taught to a few dozen of persons chosen for their pre-eminent capacities from among the number of the initiated. THE UNIVERSITIES MUST NO LONGER SEND OUT FROM THEIR HALLS MILK SOPS CONCOCTING PLANS FOR A CONSTITUTION, LIKE A COMEDY OR A TRAGEDY, BUSYING THEMSELVES WITH QUESTIONS OF POLICY IN WHICH EVEN THEIR OWN FATHERS NEVER HAD ANY POWER OF THOUGHT.

3. The ill-guided acquaintance of a large number of persons with questions of polity creates utopian dreamers and bad subjects, as you can see for yourselves from the example of the universal education in this direction of the GOYIM. We must introduce into their education all those principles which have so brilliantly broken up their order. But when we are in power we shall remove every kind of disturbing subject from the course of education and shall make out of the youth obedient children of authority, loving him who rules as the support and hope of peace and quiet.

WE SHALL CHANGE HISTORY

4. Classicism as also any form of study of ancient history, in which there are more bad than good examples, we shall replace with the study of the program of the future. We shall erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the government of the GOYIM. The study of practical life, of the obligations of order, of the relations of people one to another, of avoiding bad and selfish examples, which spread the infection of evil, and similar questions of an educative nature, will stand in the forefront of the teaching program, which will be drawn up on a separate plan for each calling or state of life, in no wise generalizing the teaching. This treatment of the question has special importance.

5. Each state of life must be trained within strict limits corresponding to its destination and work in life. The OCCASIONAL GENIUS HAS ALWAYS MANAGED AND ALWAYS WILL MANAGE TO SLIP THROUGH INTO OTHER STATES OF LIFE, BUT IT IS THE MOST PERFECT FOLLY FOR THE SAKE OF THIS RARE OCCASIONAL GENIUS TO LET THROUGH INTO RANKS FOREIGN TO THEM THE UNTALENTED WHO THUS ROB OF THEIR PLACES THOSE WHO BELONG TO THOSE RANKS BY BIRTH OR EMPLOYMENT. YOU

KNOW YOURSELVES IN WHAT ALL THIS HAS ENDED FOR THE “GOYIM” WHO ALLOWED THIS CRYING ABSURDITY.

6. In order that he who rules may be seated firmly in the hearts and minds of his subjects it is necessary for the time of his activity to instruct the whole nation in the schools and on the market places about this meaning and his acts and all his beneficent initiatives.

7. We shall abolish every kind of freedom of instruction. Learners of all ages have the right to assemble together with their parents in the educational establishments as it were in a club: during these assemblies, on holidays, teachers will read what will pass as free lectures on questions of human relations, of the laws of examples, of the philosophy of new theories not yet declared to the world. These theories will be raised by us to the stage of a dogma of faith as a traditional stage towards our faith. On the completion of this exposition of our program of action in the present and the future I will read you the principles of these theories.

8. In a word, knowing by the experience of many centuries that people live and are guided by ideas, that these ideas are imbibed by people only by the aid of education provided with equal success for all ages of growth, but of course by varying methods, we shall swallow up and confiscate to our own use the last scintilla of independence of thought, which we have for long past been directing towards subjects and ideas useful for us. The system of bridling thought is already at work in the so-called system of teaching by OBJECT LESSONS, the purpose of which is to turn the GOYIM into unthinking submissive brutes waiting for things to be presented before their eyes in order to form an idea of them …. In France, one of our best agents, Bourgeois, has already made public a new program of teaching by object lessons.

1. The practice of advocacy produces men cold, cruel, persistent, unprincipled, who in all cases take up an impersonal, purely legal standpoint. They have the inveterate habit to refer everything to its value for the defense and not to the public welfare of its results. They do not usually decline to undertake any defense whatever, they strive for an acquittal at all costs, caviling over every petty crux of jurisprudence and thereby they demoralize

justice. For this reason we shall set this profession into narrow frames which will keep it inside this sphere of executive public service. Advocates, equally with judges, will be deprived of the right of communication with litigants; they will receive business only from the court and will study it by notes of report and documents, defending their clients after they have been interrogated in court on facts that have appeared. They will receive an honorarium without regard to the quality of the defense. This will render them mere reporters on law-business in the interests of justice and as counterpoise to the proctor who will be the reporter in the interests of prosecution; this will shorten business before the courts. In this way will be established a practice of honest unprejudiced defense conducted not from personal interest but by conviction. This will also, by the way, remove the present practice of corrupt bargain between advocation to agree only to let that side win which pays most …..

WE SHALL DESTROY THE CLERGY

2. WE HAVE LONG PAST TAKEN CARE TO DISCREDIT THE PRIESTHOOD OF THE “GOYIM,” and thereby to ruin their mission on earth which in these days might still be a great hindrance to us. Day by day its influence on the peoples of the world is falling lower. FREEDOM OF CONSCIENCE HAS BEEN DECLARED EVERYWHERE, SO THAT NOW ONLY YEARS DIVIDE US FROM THE MOMENT OF THE COMPLETE WRECKING OF THAT CHRISTIAN RELIGION: as to other religions we shall have still less difficulty in dealing with them, but it would be premature to speak of this now. We shall set clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress.

3. When the time comes finally to destroy the papal court the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place.

. THE KING OF THE JEWS WILL BE THE REAL POPE OF THE UNIVERSE, THE PATRIARCH OF THE INTERNATIONAL CHURCH

5. But, IN THE MEANTIME, while we are re-educating youth in new traditional religions and afterwards in ours, WE SHALL NOT OVERTLY LAY A FINGER ON EXISTING CHURCHES, BUT WE SHALL FIGHT AGAINST THEM BY CRITICISM CALCULATED TO PRODUCE SCHISM . . .

6. In general, then, our contemporary press will continue to CONVICT State affairs, religions, incapacities of the GOYIM, always using the most unprincipled expressions in order by every means to lower their prestige in the manner which can only be practiced by the genius of our gifted tribe . . . (Calling the Jim Jones massacre in Guyana a mass suicide, not a C.I.A./MK-ULTRA/U.S. Government massacre? Denying the massacre of the Branch Dravidian sect at Waco, Texas, was a needless and deliberate massacre by the B.A.T.F./F.B.I/C.I.A/U.S. Government).

7. Our kingdom will be an apologia of the divinity Vishnu, in whom is found its personification – in our hundred hands will be, one in each, the springs of the machinery of social life. We shall see everything without the aid of official police which, in that scope of its rights which we elaborated for the use of the GOYIM, hinders governments from seeing. In our programs ONE-THIRD OF OUR SUBJECTS WILL KEEP THE REST UNDER OBSERVATION from a sense of duty, on the principle of volunteer service to the State. It will then be no disgrace to be a spy and informer, but a merit: unfounded denunciations, however, will be cruelly punished that there may be no development of abuses of this right.

8. Our agents will be taken from the higher as well as the lower ranks of society, from among the administrative class who spend their time in amusements, editors, printers and publishers, booksellers, clerks, and salesmen, workmen, coachmen, lackeys, et cetera. This body, having no rights and not being empowered to take any action on their own account, and consequently a police without any power, will only witness and report: verification of their reports and arrests will depend upon a responsible group of controllers of police affairs, while the actual act of arrest will be performed by the gendarmerie and the municipal police. Any person not denouncing anything seen or heard concerning questions of polity will also be charged with and made responsible for concealment, if it be proved that he is guilty of this crime.

9. JUST AS NOWADAYS OUR BRETHREN, ARE OBLIGED AT THEIR OWN RISK TO DENOUNCE TO THE KAHAL APOSTATES OF THEIR OWN FAMILY or members who have been noticed doing anything in opposition to the KAHAL, SO IN OUR KINGDOM OVER ALL THE WORLD IT WILL BE OBLIGATORY FOR ALL OUR SUBJECTS TO OBSERVE THE DUTY OF SERVICE TO THE STATE IN THIS DIRECTION.

10. Such an organization will extirpate abuses of authority, of force, of bribery, everything in fact which we by our counsels, by our theories of the superhuman rights of man, have introduced into the customs of the GOYIM …. But how else were we to procure that increase of causes predisposing to disorders in the midst of their administration? …. Among the number of those methods one of the most important is – agents for the restoration of order, so placed as to have the opportunity in their disintegrating activity of developing and displaying their evil inclinations – obstinate self-conceit, irresponsible exercise of authority, and, first and foremost, venality. (Janet Reno? B.A.T.F.? C.I.A.?)

1. When it becomes necessary for us to strengthen the strict measures of secret defense (the most fatal poison for the prestige of authority) we shall arrange a simulation of disorders or some manifestation of discontents finding expression through the co-operation of good speakers. Round these speakers will assemble all who are sympathetic to his utterances. This will give us the pretext for domiciliary prerequisitions and surveillance on the part of our servants from among the number of the GOYIM police … (Australia's One Nation Party? A.D.L./B'nai B'rith activities against the peace?)

2. As the majority of conspirators act out of love for the game, for the sake of talking, so, until they commit some overt act we shall not lay a finger on them but only introduce into their midst observation elements …. It must be remembered that the prestige of authority is lessened if it frequently discovers conspiracies against itself: this implies a presumption of consciousness of weakness, or, what is still worse, of injustice. You are aware that we have broken the prestige of the GOY kings by frequent attempts upon their lives through our agents, blind sheep of our flock, who are easily moved by a few liberal phrases to crimes provided only they be painted in political colors. WE HAVE COMPELLED THE RULERS TO ACKNOWLEDGE THEIR WEAKNESS IN ADVERTISING OVERT

MEASURES OF SECRET DEFENSE AND THEREBY WE SHALL BRING THE PROMISE OF AUTHORITY TO DESTRUCTION.

3. Our ruler will be secretly protected only by the most insignificant guard, because we shall not admit so much as a thought that there could exist against him any sedition with which he is not strong enough to contend and is compelled to hide from it.

4. If we should admit this thought, as the GOYIM have done and are doing, we should IPSO FACTO be signing a death sentence, if not for our ruler, at any rate for his dynasty, at no distant date.

GOVERNMENT BY FEAR

5. According to strictly enforced outward appearances our ruler will employ his power only for the advantage of the nation and in no wise for his own or dynastic profits. Therefore, with the observance of this decorum, his authority will be respected and guarded by the subjects themselves, it will receive an apotheosis in the admission that with it is bound up the well-being of every citizen of the State, for upon it will depend all order in the common life of the pack ….

6. OVERT DEFENSE OF THE KIND ARGUES WEAKNESS IN THE ORGANIZATION OF HIS STRENGTH.

7. Our ruler will always be among the people and be surrounded by a mob of apparently curious men and women, who will occupy the front ranks about him, to all appearance by chance, and will restrain the ranks of the rest out of respect as it will appear for good order. This will sow an example of restraint also in others. If a petitioner appears among the people trying to hand a petition and forcing his way through the ranks, the first ranks must receive the petition and before the eyes of the petitioner pass it to the ruler, so that all may know that what is handed in reaches its destination, that consequently, there exists a control of the ruler himself. The aureole of power requires for his existence that the people may be able to say: “If the king knew of this,” or: “the king will hear it.”

8. WITH THE ESTABLISHMENT OF OFFICIAL DEFENSE, THE MYSTICAL PRESTIGE OF AUTHORITY DISAPPEARS: given a certain audacity, and everyone counts himself master of it, the sedition-monger is conscious of his strength, and when occasion serves watches for the moment to make an attempt upon authority …. For the GOYIM we have been preaching something else, but by that very fact we are enabled to see what measures of overt defense have brought them to ….

9. CRIMINALS WITH US WILL BE ARRESTED AT THE FIRST, more or less, well-grounded SUSPICION: it cannot be allowed that out of fear of a possible mistake an opportunity should be given of escape to persons suspected of a political lapse of crime, for in these matters we shall be literally merciless. If it is still possible, by stretching a point, to admit a reconsideration of the motive causes in simple crimes, there is no possibility of excuse for persons occupying themselves with questions in which nobody except the government can understand anything …. And it is not all governments that understand true policy.

1. If we do not permit any independent dabbling in the political we shall on the other hand encourage every kind of report or petition with proposals for the government to examine into all kinds of projects for the amelioration of the condition of the people; this will reveal to us the defects or else the fantasies of our subjects, to which we shall respond either by accomplishing them or by a wise rebuttment to prove the shortsightedness of one who judges wrongly.

2. Sedition-mongering is nothing more than the yapping of a lap-dog at an elephant. For a government well organized, not from the police but from the public point of view, the lap-dog yaps at the elephant in entire unconsciousness of its strength and importance. It needs no more than to take a good example to show the relative importance of both and the lap-dogs will cease to yap and will wag their tails the moment they set eyes on an elephant.

3. In order to destroy the prestige of heroism for political crime we shall send it for trial in the category of thieving, murder, and every kind of abominable and filthy crime. Public opinion will then confuse in its conception this

category of crime with the disgrace attaching to every other and will brand it with the same contempt.

4. We have done our best, and I hope we have succeeded to obtain that the GOYIM should not arrive at this means of contending with sedition. It was for this reason that through the Press and in speeches, indirectly – in cleverly compiled school-books on history, we have advertised the martyrdom alleged to have been accredited by sedition-mongers for the idea of the commonweal. This advertisement has increased the contingent of liberals and has brought thousands of GOYIM into the ranks of our livestock cattle.

1. To-day we shall touch upon the financial program, which I put off to the end of my report as being the most difficult, the crowning and the decisive point of our plans. Before entering upon it I will remind you that I have already spoken before by way of a hint when I said that the sum total of our actions is settled by the question of figures.

2. When we come into our kingdom our autocratic government will avoid, from a principle of self-preservation, sensibly burdening the masses of the people with taxes, remembering that it plays the part of father and protector. But as State organization cost dear it is necessary nevertheless to obtain the funds required for it. It will, therefore, elaborate with particular precaution the question of equilibrium in this matter.

3. Our rule, in which the king will enjoy the legal fiction that everything in his State belongs to him (which may easily be translated into fact), will be enabled to resort to the lawful confiscation of all sums of every kind for the regulation of their circulation in the State. From this follows that taxation will best be covered by a progressive tax on property. In this manner the dues will be paid without straitening or ruining anybody in the form of a percentage of the amount of property. The rich must be aware that it is their duty to place a part of their superfluities at the disposal of the State since the State guarantees them security of possession of the rest of their property and the right of honest gains, I say honest, for the control over property will do away with robbery on a legal basis.

4. This social reform must come from above, for the time is ripe for it – it is indispensable as a pledge of peace.

WE SHALL DESTROY CAPITAL

5. The tax upon the poor man is a seed of revolution and works to the detriment of the State which in hunting after the trifling is missing the big. Quite apart from this, a tax on capitalists diminishes the growth of wealth in private hands in which we have in these days concentrated it as a counterpoise to the government strength of the GOYIM – their State finances.

6. A tax increasing in a percentage ratio to capital will give much larger revenue than the present individual or property tax, which is useful to us now for the sole reason that it excites trouble and discontent among the GOYIM. (Now we know the purpose of the 16th Amendment!!)

7. The force upon which our king will rest consists in the equilibrium and the guarantee of peace, for the sake of which things it is indispensable that the capitalists should yield up a portion of their incomes for the sake of the secure working of the machinery of the State. State needs must be paid by those who will not feel the burden and have enough to take from.

8. Such a measure will destroy the hatred of the poor man for the rich, in whom he will see a necessary financial support for the State, will see in him the organizer of peace and well-being since he will see that it is the rich man who is paying the necessary means to attain these things.

9. In order that payers of the educated classes should not too much distress themselves over the new payments they will have full accounts given them of the destination of those payments, with the exception of such sums as will be appropriated for the needs of the throne and the administrative institutions.

10. He who reigns will not have any properties of his own once all in the State represented his patrimony, or else the one would be in contradiction to the other; the fact of holding private means would destroy the right of property in the common possessions of all.

11. Relatives of him who reigns, his heirs excepted, who will be maintained by the resources of the State, must enter the ranks of servants of the State or must work to obtain the right to property; the privilege of royal blood must not serve for the spoiling of the treasury.

12. Purchase, receipt of money or inheritance will be subject to the payment of a stamp progressive tax. Any transfer of property, whether money or other, without evidence of payment of this tax which will be strictly registered by names, will render the former holder liable to pay interest on the tax from the moment of transfer of these sums up to the discovery of his evasion of declaration of the transfer. Transfer documents must be presented weekly at the local treasury office with notifications of the name, surname and permanent place of residence of the former and the new holder of the property. This transfer with register of names must begin from a definite sum which exceeds the ordinary expenses of buying and selling necessaries, and these will be subject to payment only by a stamp impost of a definite percentage of the unit.

13. Just strike an estimate of how many times such taxes as these will cover the revenue of the GOYIM States.

WE CAUSE DEPRESSIONS

14. The State exchequer will have to maintain a definite complement of reserve sums, and all that is collected above that complement must be returned into circulation. On these sums will be organized public works. The initiative in works of this kind, proceeding from State sources, will bind the working class firmly to the interests of the State and to those who reign. From these same sums also a part will be set aside as rewards of inventiveness and productiveness.

15. On no account should so much as a single unit above the definite and freely estimated sums be retained in the State Treasuries, for money exists to be circulated and any kind of stagnation of money acts ruinously on the running of the State machinery, for which it is the lubricant; a stagnation of the lubricant may stop the regular working of the mechanism.

16. The substitution of interest-bearing paper for a part of the token of exchange has produced exactly this stagnation. The consequences of this circumstance are already sufficiently noticeable.

17. A court of account will also be instituted by us, and in it the ruler will find at any moment a full accounting for State income and expenditure, with the exception of the current monthly account, not yet made up, and that of the preceding month, which will not yet have been delivered.

18. The one and only person who will have no interest in robbing the State is its owner, the ruler. This is why his personal control will remove the possibility of leakages or extravagances.

19. The representative function of the ruler at receptions for the sake of etiquette, which absorbs so much invaluable time, will be abolished in order that the ruler may have time for control and consideration. His power will not then be split up into fractional parts among time-serving favorites who surround the throne for its pomp and splendor, and are interested only in their own and not in the common interests of the State.

20. Economic crises have been produced by us for the GOYIM by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals …. The concentration of industry in the hands of capitalists out of the hands of small masters has drained away all the juices of the peoples and with them also the States …. (Now we know the purpose of the Federal Reserve Bank Corporation!!)

21. The present issue of money in general does not correspond with the requirements per head, and cannot therefore satisfy all the needs of the workers. The issue of money ought to correspond with the growth of population and thereby children also must absolutely be reckoned as consumers of currency from the day of their birth. The revision of issue is a material question for the whole world.

22. YOU ARE AWARE THAT THE GOLD STANDARD HAS BEEN THE RUIN OF THE STATES WHICH

ADOPTED IT, FOR IT HAS NOT BEEN ABLE TO SATISFY THE DEMANDS FOR MONEY, THE MORE SO THAT WE HAVE REMOVED GOLD FROM CIRCULATION AS FAR AS POSSIBLE.

GENTILE STATES BANKRUPT

23. With us the standard that must be introduced is the cost of working-man power, whether it be reckoned in paper or in wood. We shall make the issue of money in accordance with the normal requirements of each subject, adding to the quantity with every birth and subtracting with every death.

24. The accounts will be managed by each department (the French administrative division), each circle.

25. In order that there may be no delays in the paying out of money for State needs the sums and terms of such payments will be fixed by decree of the ruler; this will do away with the protection by a ministry of one institution to the detriment of others.

26. The budgets of income and expenditure will be carried out side by side that they may not be obscured by distance one to another.

27. The reforms projected by us in the financial institutions and principles of the GOYIM will be clothed by us in such forms as will alarm nobody. We shall point out the necessity of reforms in consequence of the disorderly darkness into which the GOYIM by their irregularities have plunged the finances. The first irregularity, as we shall point out, consists in their beginning with drawing up a single budget which year after year grows owing to the following cause: this budget is dragged out to half the year, then they demand a budget to put things right, and this they expend in three months, after which they ask for a supplementary budget, and all this ends with a liquidation budget. But, as the budget of the following year is drawn up in accordance with the sum of the total addition, the annual departure from the normal reaches as much as 50 per cent in a year, and so the annual budget is trebled in ten years. Thanks to such methods, allowed by the carelessness of the GOY States, their treasuries are empty. The period of loans supervenes, and that has swallowed up remainders and brought all the GOY States to bankruptcy.

(The United States was declared “bankrupt” at the Geneva Convention of 1929! [see 31 USC 5112, 5118, and 5119).

28. You understand perfectly that economic arrangements of this kind, which have been suggested to the GOYIM by us, cannot be carried on by us.

29. Every kind of loan proves infirmity in the State and a want of understanding of the rights of the State. Loans hang like a sword of Damocles over the heads of rulers, who, instead of taking from their subjects by a temporary tax, come begging with outstretched palm to our bankers. Foreign loans are leeches which there is no possibility of removing from the body of the State until they fall off of themselves or the State flings them off. But the GOY States do not tear them off; they go on in persisting in putting more on to themselves so that they must inevitably perish, drained by voluntary blood-letting.

YRANNY OF USURY

30. What also indeed is, in substance, a loan, especially a foreign loan? A loan is – an issue of government bills of exchange containing a percentage obligation commensurate to the sum of the loan capital. If the loan bears a charge of 5 per cent, then in twenty years the State vainly pays away in interest a sum equal to the loan borrowed, in forty years it is paying a double sum, in sixty – treble, and all the while the debt remains an unpaid debt.

31. From this calculation it is obvious that with any form of taxation per head the State is baling out the last coppers of the poor taxpayers in order to settle accounts with wealthy foreigners, from whom it has borrowed money instead of collecting these coppers for its own needs without the additional interest.

32. So long as loans were internal the GOYIM only shuffled their money from the pockets of the poor to those of the rich, but when we bought up the necessary persons in order to transfer loans into the external sphere, (Woodrow Wilson and F.D. Roosevelt) all the wealth of States flowed into our cash-boxes and all the GOYIM began to pay us the tribute of subjects.

33. If the superficiality of GOY kings on their thrones in regard to State affairs and the venality of ministers or the want of understanding of financial matters on the part of other ruling persons have made their countries debtors to our treasuries to amounts quite impossible to pay it has not been accomplished without, on our part, heavy expenditure of trouble and money.

34. Stagnation of money will not be allowed by us and therefore there will be no State interest-bearing paper, except a one per-cent series, so that there will be no payment of interest to leeches that suck all the strength out of the State. The right to issue interest-bearing paper will be given exclusively to industrial companies who find no difficulty in paying interest out of profits, whereas the State does not make interest on borrowed money like these companies, for the State borrows to spend and not to use in operations. (Now we know why President Kennedy was assassinated in 1963 when he refused to borrow any more of the “Bank Notes” from the bankers of the Federal Reserve Bank and began circulating non-interest bearing “Notes” of the “United States of America”!!!).

35. Industrial papers will be bought also by the government which from being as now a paper of tribute by loan operations will be transformed into a lender of money at a profit. This measure will stop the stagnation of money, parasitic profits and idleness, all of which were useful for us among the GOYIM so long as they were independent but are not desirable under our rule.

36. How clear is the undeveloped power of thought of the purely brute brains of the GOYIM, as expressed in the fact that they have been borrowing from us with payment of interest without ever thinking that all the same these very moneys plus an addition for payment of interest must be got by them from their own State pockets in order to settle up with us. What could have been simpler than to take the money they wanted from their own people?

37. But it is a proof of the genius of our chosen mind that we have contrived to present the matter of loans to them in such a light that they have even seen in them an advantage for themselves.

38. Our accounts, which we shall present when the time comes, in the light of centuries of experience gained by

experiments made by us on the GOY States, will be distinguished by clearness and definiteness and will show at a glance to all men the advantage of our innovations. They will put an end to those abuses to which we owe our mastery over the GOYIM, but which cannot be allowed in our kingdom.

39. We shall so hedge about our system of accounting that neither the ruler nor the most insignificant public servant will be in a position to divert even the smallest sum from its destination without detection or to direct it in another direction except that which will be once fixed in a definite plan of action. (Is this why a “private corporation,” known as the “Internal Revenue Service,” is in charge of collecting the “payments” of the “Income Taxes” and the IRS always deposits those “payments” to the Federal Reserve bank and never to the Treasury of the United States??)

40. And without a definite plan it is impossible to rule. Marching along an undetermined road and with undetermined resources brings to ruin by the way heroes and demi-gods.

41. The GOY rulers, whom we once upon a time advised should be distracted from State occupations by representative receptions, observances of etiquette, entertainments, were only screens for our rule. (Like the House of Windsor (Guelph) and the rest of the “Black Nobility”?) The accounts of favorite courtiers who replaced them in the sphere of affairs were drawn up for them by our agents, and every time gave satisfaction to short-sighted minds by promises that in the future economies and improvements were foreseen …. Economies from what? From new taxes? – were questions that might have been but were not asked by those who read our accounts and projects.

42. You know to what they have been brought by this carelessness, to what pitch of financial disorder they have arrived, notwithstanding the astonishing industry of their peoples ….

1. To what I reported to you at the last meeting I shall now add a detailed explanation of internal loans. Of foreign loans I shall say nothing more, because they have fed us with the national moneys of the GOYIM, but for our State there will be no foreigners, that is, nothing external.

2. We have taken advantage of the venality of administrators and slackness of rulers to get our moneys twice, thrice and more times over, by lending to the GOY governments moneys which were not at all needed by the States. Could anyone do the like in regard to us? …. Therefore, I shall only deal with the details of internal loans.

3. States announce that such a loan is to be concluded and open subscriptions for their own bills of exchange, that is, for their interest-bearing paper. That they may be within the reach of all the price is determined at from a hundred to a thousand; and a discount is made for the earliest subscribers. Next day by artificial means the price of them goes up, the alleged reason being that everyone is rushing to buy them. In a few days the treasury safes are, as they say, overflowing and there's more money than they can do with (why then take it?) The subscription, it is alleged, covers many times over the issue total of the loan; in this lies the whole stage effect – look you, they say, what confidence is shown in the government's bills of exchange.

4. But when the comedy is played out there emerges the fact that a debit and an exceedingly burdensome debit has been created. For the payment of interest it becomes necessary to have recourse to new loans, which do not swallow up but only add to the capital debt. And when this credit is exhausted it becomes necessary by new taxes to cover, not the loan, BUT ONLY THE INTEREST ON IT. These taxes are a debit employed to cover a debit …. (Hence THE CRY TO BALANCE THE BUDGET!)

5. Later comes the time for conversions, but they diminish the payment of interest without covering the debt, and besides they cannot be made without the consent of the lenders; on announcing a conversion a proposal is made to return the money to those who are not willing to convert their paper. If everybody expressed his unwillingness and demanded his money back, the government would be hoist on their own petard and would be found insolvent and unable to pay the proposed sums. By good luck the subjects of the GOY governments, knowing nothing about financial affairs, have always preferred losses on exchange and diminution of interest to the risk of new investments of their moneys, and have thereby many a time enabled these governments to throw off their shoulders a debit of several millions.

6. Nowadays, with external loans, these tricks cannot be played by the GOYIM for they know that we shall demand

all our moneys back.

7. In this way in acknowledged bankruptcy will best prove to the various countries the absence of any means between the interests of the peoples and of those who rule them.

8. I beg you to concentrate your particular attention upon this point and upon the following: nowadays all internal loans are consolidated by so-called flying loans, that is, such as have terms of payment more or less near. These debts consist of moneys paid into the savings banks and reserve funds. If left for long at the disposition of a government these funds evaporate in the payment of interest on foreign loans, and are placed by the deposit of equivalent amount of RENTS.

9. And these last it is which patch up all the leaks in the State treasuries of the GOYIM.

10. When we ascend the throne of the world all these financial and similar shifts, as being not in accord with our interests, will be swept away so as not to leave a trace, as also will be destroyed all money markets, since we shall not allow the prestige of our power to be shaken by fluctuations of prices set upon our values, which we shall announce by law at the price which represents their full worth without any possibility of lowering or raising. (Raising gives the pretext for lowering, which indeed was where we made a beginning in relation to the values of the GOYIM).

11. We shall replace the money markets by grandiose government credit institutions, the object of which will be to fix the price of industrial values in accordance with government views. These institutions will be in a position to fling upon the market five hundred millions of industrial paper in one day, or to buy up for the same amount. In this way all industrial undertakings will come into dependence upon us. You may imagine for yourselves what immense power we shall thereby secure for ourselves ….

1 In all that has so far been reported by me to you, I have endeavored to depict with care the secret of what is coming, of what is past, and of what is going on now, rushing into the flood of the great events coming already in the

near future, the secret of our relations to the GOYIM and of financial operations. On this subject there remains still a little for me to add.

2. IN OUR HANDS IS THE GREATEST POWER OF OUR DAY – GOLD: IN TWO DAYS WE CAN PROCURE FROM OUR STOREHOUSES ANY QUANTITY WE MAY PLEASE.

3. Surely there is no need to seek further proof that our rule is predestined by God? Surely we shall not fail with such wealth to prove that all that evil which for so many centuries we have had to commit has served at the end of ends the cause of true well-being – the bringing of everything into order? Though it be even by the exercise of some violence, yet all the same it will be established. (The motto of the Freemasons – “Out of Chaos, Order”). We shall contrive to prove that we are benefactors who have restored to the rent and mangled earth the true good and also freedom of the person, and therewith we shall enable it to be enjoyed in peace and quiet, with proper dignity of relations, on the condition, of course, of strict observance of the laws established by us. We shall make plain therewith that freedom does not consist in dissipation and in the right of unbridled license any more than the dignity and force of a man do not consist in the right of everyone to promulgate destructive principles in the nature of freedom of conscience, equality and the like, that freedom of the person in no wise consists in the right to agitate oneself and others by abominable speeches before disorderly mobs, and that true freedom consists in the inviolability of the person who honorably and strictly observes all the laws of life in common, that human dignity is wrapped up in consciousness of the rights and also of the absence of rights of each, and not wholly and solely in fantastic imaginings about the subject of one’s EGO.

4. One authority will be glorious because it will be all-powerful, will rule and guide, and not muddle along after leaders and orators shrieking themselves hoarse with senseless words which they call great principles and which are nothing else, to speak honestly, but utopian …. Our authority will be the crown of order, and in that is included the whole happiness of man. The aureole of this authority will inspire a mystical bowing of the knee before it and a reverent fear before it of all the peoples. True force makes no terms with any right, not even with that of God: none dare come near to it so as to take so much as a span from it away.

1. That the peoples may become accustomed to obedience it is necessary to inculcate lessons of humility and therefore to reduce the production of articles of luxury. By this we shall improve morals which have been debased by emulation in the sphere of luxury. We shall re-establish small master production which will mean laying a mine under the private capital of manufactures. This is indispensable also for the reason that manufacturers on the grand scale often move, though not always consciously, the thoughts of the masses in directions against the government. A people of small masters knows nothing of unemployment and this binds him closely with existing order, and consequently with the firmness of authority. For us its part will have been played out the moment authority is transferred into our hands. Drunkenness also will be prohibited by law and punishable as a crime against the humanness of man who is turned into a brute under the influence of alcohol.

2. Subjects, I repeat once more, give blind obedience only to the strong hand which is absolutely independent of them, for in it they feel the sword of defense and support against social scourges …. What do they want with an angelic spirit in a king? What they have to see in him is the personification of force and power.

3. The supreme lord who will replace all now existing rulers, dragging in their existence among societies demoralized by us, societies that have denied even the authority of God, from whose midst breeds out on all sides the fire of anarchy, must first of all proceed to quench this all-devouring flame. Therefore he will be obliged to kill off those existing societies, though he should drench them with his own blood, that he may resurrect them again in the form of regularly organized troops fighting consciously with every kind of infection that may cover the body of the State with sores.

4. This Chosen One of God is chosen from above to demolish the senseless forces moved by instinct and not reason, by brutishness and not humanness. These forces now triumph in manifestations of robbery and every kind of violence under the mask of principles of freedom and rights. They have overthrown all forms of social order to erect on the ruins the throne of the King of the Jews; but their part will be played out the moment he enters into his kingdom. Then it will be necessary to sweep them away from his path, on which must be left no knot, no splinter.

5. Then will it be possible for us to say to the peoples of the world: “Give thanks to God and bow the knee before him who bears on his front the seal of the predestination of man, to which God himself has led his star that none other but Him might free us from all the before-mentioned forces and evils”.

1. I pass now to the method of confirming the dynastic roots of King David to the last strata of the earth.

2. This confirmation will first and foremost be included in that which to this day has rested the force of conservatism by our learned elders of the conduct of the affairs of the world, in the directing of the education of thought of all humanity.

3. Certain members of the seed of David will prepare the kings and their heirs, selecting not by right of heritage but by eminent capacities, inducting them into the most secret mysteries of the political, into schemes of government, but providing always that none may come to knowledge of the secrets. The object of this mode of action is that all may know that government cannot be entrusted to those who have not been inducted into the secret places of its art ….

4. To these persons only will be taught the practical application of the aforenamed plans by comparison of the experiences of many centuries, all the observations on the politico-economic moves and social sciences – in a word, all the spirit of laws which have been unshakably established by nature herself for the regulation of the relations of humanity.

5. Direct heirs will often be set aside from ascending the throne if in their time of training they exhibit frivolity, softness and other qualities that are the ruin of authority, which render them incapable of governing and in themselves dangerous for kingly office.

6. Only those who are unconditionally capable for firm, even if it be to cruelty, direct rule will receive the reins of rule from our learned elders.

7. In case of falling sick with weakness of will or other form of incapacity. kings must by law hand over the reins of rule to new and capable hands.

8. The king's plan of action for the current moment, and all the more so for the future, will be unknown, even to those who are called his closest counselors.

KING OF THE JEWS

9. Only the king and the three who stood sponsor for him will know what is coming.

10. In the person of the king who with unbending will is master of himself and of humanity all will discern as it were fate with its mysterious ways. None will know what the king wishes to attain by his dispositions, and therefore none will dare to stand across an unknown path.

11. It is understood that the brain reservoir of the king must correspond in capacity to the plan of government it has to contain. It is for this reason that he will ascend the throne not otherwise than after examination of his mind by the aforesaid learned elders.

12. That the people may know and love their king, it is indispensable for him to converse in the market-places with his people. This ensures the necessary clinching of the two forces which are now divided one from another by us by the terror.

13. This terror was indispensable for us till the time comes for both these forces separately to fall under our influence.

14. The king of the Jews must not be at the mercy of his passions, and especially of sensuality: on no side of his character must he give brute instincts power over his mind. Sensuality worse than all else disorganizes the capacities of the mind and clearness of views, distracting the thoughts to the worst and most brutal side of human

activity.

15. The prop of humanity in the person of the supreme lord of all the world of the holy seed of David must sacrifice to his people all personal inclinations.

16. Our supreme lord must be of an exemplary irreproachability.

This document is also verified to be true by the excellent book "Rivers flowing eastward" found here: http://iamthewitness.com/books/Denis.Fahey/Waters.Flowing.Eastward/0.1.Title.htm

Excellent post. This needs to be read by everyone. Even the fools who say it isn't true CAN NOT debate the fact that everything has come true in it and that the people in control are certainly Jews!

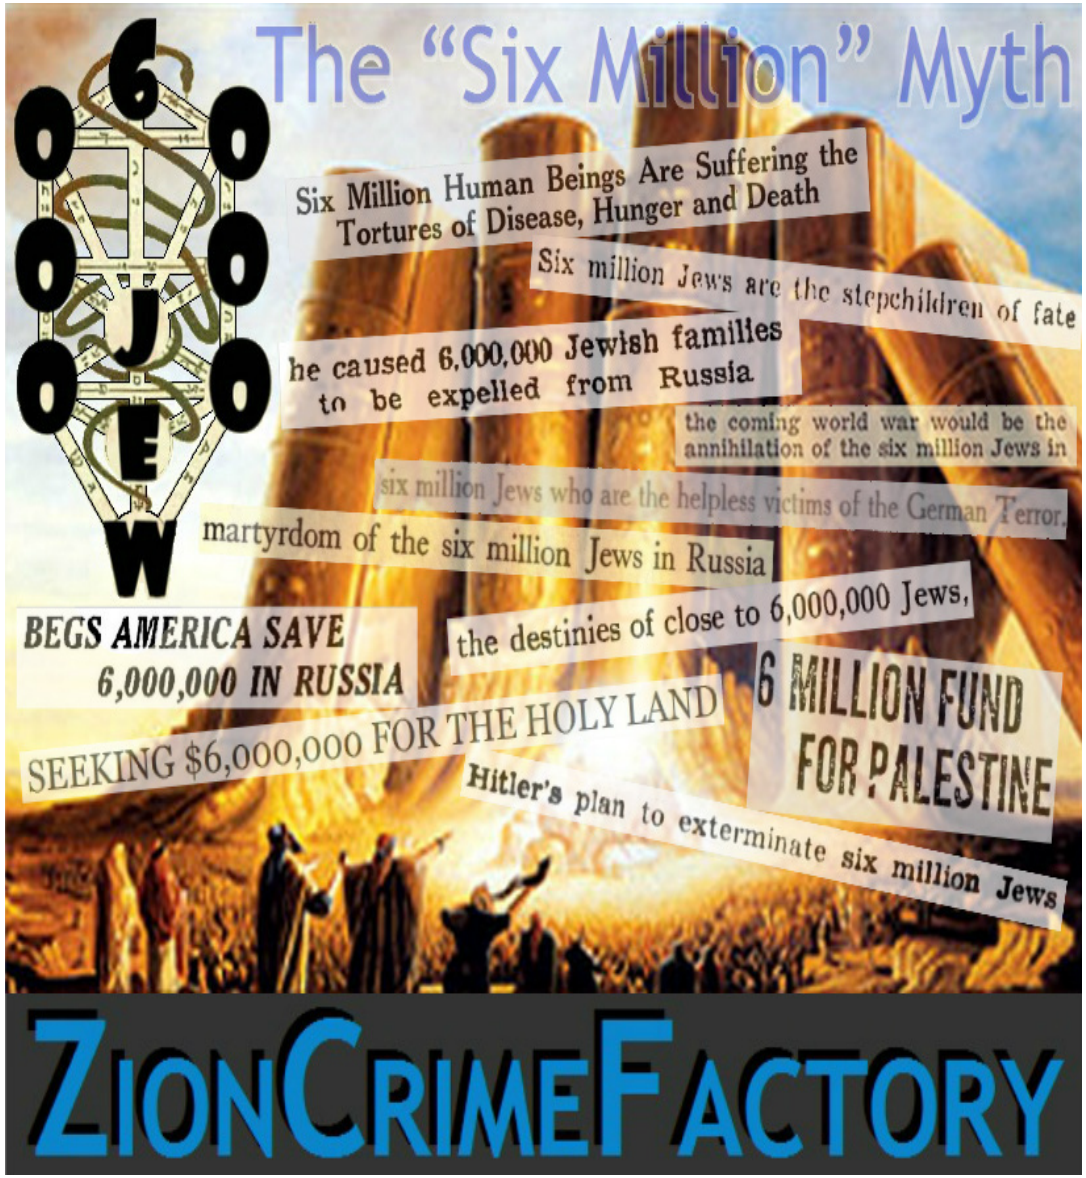
The Study Of Parasitism

Holohoax



by ZionCrimeFactory

Author Don Heddesheimer's book, ***The First Holocaust: Jewish Fundraising Campaigns With Holocaust Claims During and After World War One***, is an important piece of the revisionist puzzle. Heddesheimer cogently documents the slew of previous attempts by Jews to disseminate

deceitful and untrue atrocity propaganda **before, during and after World War I**. *The First Holocaust* features an amazing collection of press clippings and propaganda articles dating back to the late 19th century that make claims of the suffering and imminent extermination of European Jewry. Among such articles we find that Jews have, dozens of times before WWII, invoked the cabalisitc "6,000,000″ number as the amount of Jews on the verge of death and destruction during various periods of turmoil and conflict in Europe and Russia. Undoubtedly, this book exposes the deliberate fraudulence of these sinister Zionist campaigns and media blitzes — long before Hitler became Chancellor of Germany in 1933 — designed to elicit public sympathy and financial support for Jewish political ambitions, principally the establishment of the State of Israel.

Must read book by Don Heddesheimer, The First Holocaust.

The obsessive invocation of the cabalistic fable of **"6,000,000 dead or dying Jews"** dating back at least four decades prior to the events of WWII directly undermines and betrays the notion that 6,000,000 Jews perished in Europe between 1939-1945, as Jews have claimed. It was a lie the first time, and it is a lie today!

Young White children are taught to hate their own kind over something that never even happened!

The Gentile populations of the West have, for decades, been inundated and inoculated with an endless onslaught of holocaust-themed Hollywood movies, television shows, "docudramas", books and memoirs; in conjunction with **mandatory** "holocaust education" in schools across North America and Europe. The primary function of this insidious global propaganda campaign is to — quite simply — brainwash non-Jews into a state of abject fear and paralysis while we are ideologically, economically and physically enslaved by the Jewish tribe. It is also designed to delegitimize all criticism of Jews and the State of Israel and to ensnare non-Jews into adopting a pro-Jewish, pro-Zionist worldview. With their hateful holocaust lies, Zionist myth-makers are teaching masses of young school children to hate Germans, and European mankind in general. These kids, not knowing any

better and unable to think for themselves, blindly believe these tall tales and never question what they've been told when they become adults. The indoctrination of our little ones with Zionist 'holocaust' fiction is permanently damaging the minds of young people. Force-feeding young children, as well as teenagers, distortions and outright falsehoods about World War II so that they sympathize with Jewish people and treacherous Jewish causes — such as Zionism and Communism — is immoral, destructive, harmful and criminal. It must be stopped!

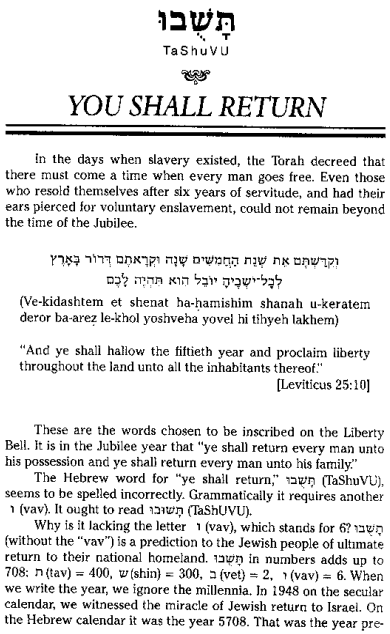
A question that you might ask is: **"what is the significance of the 'Six Million' figure and where did it originate?"**

The mythical "Six Million" figure has intriguing origins indeed. Jews have staunchly emphasized the 6,000,000 figure in atrocity propaganda from the years 1890 through 1945. World War II ended in 1945, and since that time the cabalistic 6,000,000 figure has now reached sacrosanct status. This was achieved through a sleazy and deceptive campaign of repetitive HoloHoax swindlespeak in the news and entertainment media, centered in Jewish Hollywood. As the Jewish-Communist mass murderer, Vladimir Lenin, once said: **"a lie told often enough becomes the truth**." This campaign of Jewish deceit has steadily intensified over the years. When Jews sense an increase in awareness of their treachery and global crimes against humanity amongst the Gentile public (a natural reaction of which is resentment and hostility), the louder they begin to wail about their invented holocaust in the octopus of media organs they control. That's why they are always gauging the pulse of public opinion.

World leaders, Presidents, Prime Ministers, ceremonial Kings and Queens, Popes, Priests and Holy Men of all faiths, genuflect in groveling reverence of the mythical "6,000,000 Jews" who ***didn't*** perish in "Nazi gas chambers", as such chambers **did not exist and were impossible**. (*See:* VHO, IHR, CODOH, WSMOT, Zundelsite, Nazi Gassings Never Happened) Research shows that the reason for this bizarre Jewish fixation on the number 6,000,000 primarily stems from an ancient religious prophecy in the Torah. According to some sources, the prophecy envisioned that before the Jewish people could reclaim and

reconquer Palestine to establish a Jewish homeland called “Israel”, 6,000,000 Jews would first have to perish in a fiery burnt offering (i.e. “Holocaust”), as a sacrifice to their bloodthirsty tribal deity, YHWH. (*See:* Weintraub, Ben. The Holocaust Dogma of Judaism: Keystone of the New World Order. Washington, D.C.: Cosmo Pub., 1995.) Jewish author, Benjamen Blech, confirmed this reality in his book “The Secrets of Hebrew Words” (J Aronson Inc., 1991, p. 241), stating,

> **“The Hebrew word for ‘ye shall return’(TaShuVU), seems to have been spelled incorrectly. Grammatically it requires another (vav). It ought to read (TaShUVU). Why is it lacking the letter (vav) which stands for six?. [TaShuVU] without the vav is a prediction to the Jewish people of ultimate return to their national homeland. TaShuVU in numbers adds up to 708: tav=400, shin=300, vei=2, vey=6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. That was the year predicted by the incomplete word (TaShuVu), you shall return. We did return, lacking 6 – an all important 6 million of our people who perished in the holocaust. Yet the fulfillment of the prediction of return in precisely that year implied by the gematria of TaShuVU gives us firm hope that the words of the prophets for Final Redemption will come true as well.”**



תָּשֻׁבוּ

TaShuVU

YOU SHALL RETURN

In the days when slavery existed, the Torah decreed that there must come a time when every man goes free. Even those who resold themselves after six years of servitude, and had their ears pierced for voluntary enslavement, could not remain beyond the time of the Jubilee.

וְקִדַּשְׁתֶּם אֵת שְׁנַת הַחֲמִשִּׁים שָׁנָה וְקָרָאתֶם דְּרוֹר בָּאָרֶץ
לְכָל־יֹשְׁבֶיהָ יוֹבֵל הִוא תִּהְיֶה לָכֶם

(Ve-kidashtem et shenat ha-ḥamishim shanah u-keratem deror ba-arez le-khol yoshveha yovel hi tihyeh lakhem)

"And ye shall hallow the fiftieth year and proclaim liberty throughout the land unto all the inhabitants thereof."
[Leviticus 25:10]

These are the words chosen to be inscribed on the Liberty Bell. It is in the Jubilee year that "ye shall return every man unto his possession and ye shall return every man unto his family."

The Hebrew word for "ye shall return," תָּשֻׁבוּ (TaShuVU), seems to be spelled incorrectly. Grammatically it requires another ו (vav). It ought to read תָּשׁוּבוּ (TaShUVU).

Why is it lacking the letter ו (vav), which stands for 6? תָּשֻׁבוּ (without the "vav") is a prediction to the Jewish people of ultimate return to their national homeland. תָּשֻׁבוּ in numbers adds up to 708: ת (tav) = 400, ש (shin) = 300, ב (vet) = 2, ו (vav) = 6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. That was the year pre-

"You shall return minus 6,000,000"; Jewish scripture relates a prophecy that 6,000,000 Jews must vanish before they can reclaim Palestine as their ancient ancestral homeland.

Here are two additional commentaries on the origins of the “Six Million” from ***History & Scriptural Origins of the Six Million Number*:**

> **[Quote 1] Jewish prophecies in the Torah require that 6 million Jews must “vanish” before the state of Israel can be formed. “You shall return minus 6 million.” That’s why Tom Segev, an Israeli historian,**

declared that the "6 million" is an attempt to transform the Holocaust story into state religion. Those six million, according to prophecy, had to disappear in "burning ovens", which the judicial version of the Holocaust now authenticates. As a matter of fact, Robert B. Goldmann writes: ". . . without the Holocaust, there would be no Jewish State." A simple consequence: Given six million Jews gassed at Auschwitz who ended up in the "burning ovens" (the Greek word holocaust means burned offerings), therefore, the prophecies have now been "fulfilled" and Israel can become a "legitimate state". –Unknown

> **[Quote 2] Regarding the 'six million' number you should know the following: In the Hebrew text of the Torah prophesies, one can read "you shall return". In the text the letter "V" or "VAU" is absent, as Hebrew does not have any numbers; the letter V stands for the number 6. Ben Weintraub, a religious scientist, learned from rabbis that the meaning of the missing letter means the number is '6 million'. The prophesy then reads: You will return, but with 6 million less. See Ben Weintraub: "The Holocaust Dogma of Judaism", Cosmo Publishing, Washington 1995, page 3. The missing 6 million must be so before the Jews can return to the Promised Land. Jahweh sees this as a cleaning of the souls of the sinful people. The Jews must, on the return to the Promised Land, be clean — the cleaning shall be done in burning stokes. – A Correspondent**

Is it just coincidental that the flimsy and farcical story of "6,000,000 Jews" being murdered in "gas chambers" and burned up in "ovens" in concentration camps during WWII gave the Jews the impetus and PR ammunition they needed to make their "gallant return" to the "promised land" at the war's end — occupying and ethnically cleansing much of Palestine through terrorism and force of arms — establishing a racist/apartheid "Jewish state" called "Israel" in 1948? And this all just happens to fit the previously cited ancient Torah prophecy to the letter? I hardly think so!

Today, the holocaust™ tall tale has taken the form of a bizarre cult-like State-enforced and protected religious dogma of the West (i.e. Holocaustianity), as it is **illegal** to question, dispute or deny in over a

dozen European countries, under punishment of heavy fines and imprisonment! This farfetched Zionist-trumpeted conspiracy theory is being utilized by Jewish hucksters and scam artists as a money-making enterprise — a larcenous con of near-planetary proportions which Jewish professor Norman Finkelstein dubbed "The Holocaust Industry". (The Holocaust Industry: Reflection on the Exploitation of Jewish Suffering. London: VERSO, 2000.) On top of that, this myth has been wielded by Jewish zealots as an ideological sledgehammer to club Gentiles over the head with any time non-Jews dare criticize or oppose the global banditry and menacing influence of the self-professed "Chosen People".

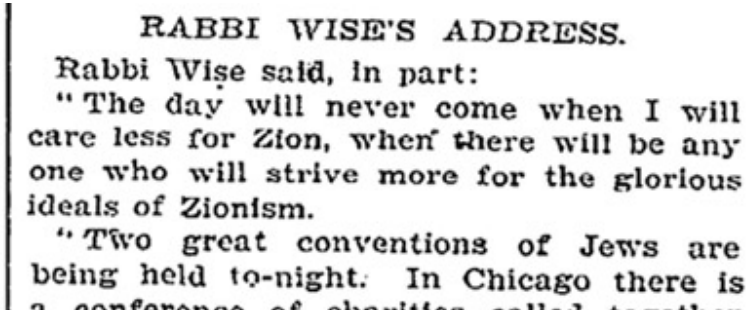
Below are reproductions of many press clippings and articles featuring the cabalistic 6,000,000 number, dating back to the year 1900. Note the ceaseless references to "6,000,000 Jews", the continuous begging for money and land (Palestine), and the term "holocaust" used well before the events of the 1940s. It is also noteworthy that the authors of the vast majority of these propaganda articles were the richest of Wall Street's Jewish bankers as well as leaders of Zionist pressure groups — Schiffs and Warburgs among them. (More examples can be found here, here and here; credit also goes to this blogger for unearthing many of these article clippings).

1900-

American Zionist leader, Rabbi Stephen S. Wise, let slip the Zionist agenda behind the Holocaust Hoax: to promote public sympathy for Zionism (Jewish takeover of Palestine).

"There are 6,000,000 living, bleeding, suffering arguments in favor of Zionism."

("ZIONISTS' MASS MEETING: Rabbi Wise's Address." *New York Times*. June 11, 1900.)



RABBI WISE'S ADDRESS.

Rabbi Wise said, in part:

"The day will never come when I will care less for Zion, when there will be any one who will strive more for the glorious ideals of Zionism.

"Two great conventions of Jews are being held to-night. In Chicago there is

a conference of charities called together by men who minister to the wants of the poor. They have assembled to see that too much charity is not given to the unworthy. Their purpose is right. But ours is the greater charity. We have assembled not to see that the Jew does not get too much, but that every Jew shall get the right to live.

"There are 6,000,000 living, bleeding, suffering arguments in favor of Zionism. They come not to beg, but ask for that which is higher than all material things. They seek to have satisfied the unquenchable thirst after the ideal. They ask to become once again the messengers of right, justice, and humanity.

"Your Christian friends will honor you if you have enough self-respect to care for your own people. Say that you are not a Jew, and you will be hated as a Jew, nevertheless. But say that you are an American Jew, and strive for the best principles of the race, you will be respected and the Zionist name honored.

"Of Israel and Zion one thing is true. They can conquer. God is our leader, and with the General of the heavenly hosts to lead who will say that we go not to victory?

"In the old Greek games, the man who won the race was not he who went fastest, but the one who bore a lighted torch to the end of the course.

"We Zionists have entered a race, the torch of liberty, charity, and justice in our hands.

"The race will be won, not because we are fastest but because that lamp is a light unto the world. It will never be extinguished.

"Come, brothers, the lamp is in your hands; run the race and may God give you the victory forever."

Other speakers were Dr. M. Mintz, Dr. Robert L. Halperin of Chicago, and the Rev. Dr. B. Drachman.

The Zion hymn by the Rev. Dr. H. Pereira Mendes, was sung at the conclusion of the speaking. The band of the Hebrew Sheltering Guardian Society Orphan Asylum, under direction of I. L. Fauerbach, played a number of selections.

Entry for 'Antisemitism'

While the main activity of anti-Semitism has manifested itself in Germany, Russia, Rumania, Austria-Hungary and France, its vibratory influences have been felt in other countries when conditions favourable to its extension have presented themselves. In England more than one attempt to acclimatize the doctrines of Marr and Treitschke has been made. The circumstance that at the time of the rise of German anti-Semitism a premier of Hebrew race, Lord Beaconsfield, was in power first suggested the Jewish bogey to English political extremists. The Eastern crisis of 1876-1878, which was regarded by the Liberal party as primarily a struggle between Christianity, as represented by Russia, and a degrading Semitism, as represented by Turkey, accentuated the anti-Jewish feeling, owing to the anti-Russian attitude adopted by the government. Violent expression to the ancient prejudices against the Jews was given by Sir J. G. Tollemache Sinclair (*A Defence of Russia*, 1877). Mr T. P. O'Connor, in a life of Lord Beaconsfield (1878), pictured him as the instrument of the Jewish people, "moulding the whole policy of Christendom to Jewish aims." Professor Goldwin Smith, in several articles in the

Great Britain, &c.

Baron de Hirsch founded a colossal scheme for transplanting persecuted Jews to new countries under new conditions of life, and endowed it with no less a sum than £9,000,000 (see HIRSCH, MAURICE DE).

Though anti-Semitism has been unmasked and discredited, it is to be feared that its history is not yet at an end. While there remain in Russia and Rumania over six millions of Jews who are being systematically degraded, and who periodically overflow the western frontier, there must continue to be a Jewish question in Europe; and while there are weak governments, and ignorant and superstitious elements in the enfranchized classes of the countries affected, that question will seek to play a part in politics.

LITERATURE.—No impartial history of modern anti-Semitism has yet been written. The most comprehensive works on the subject, *Israel among the Nations*, by A. Leroy-Beaulieu (1895), and *L'Anti-sémitisme, son histoire et ses causes*, by Bernard Lazare (1894), are collections of studies rather than histories. M. Lazare's work will be found most useful by the student on account of its detached standpoint and its valuable bibliographical notes. A good list of works relating to Jewish ethnography will be found at the end of M. Isidor Loeb's valuable article, "Juifs," in the *Dictionnaire universel de géographie* (1884). To these should be added, Adolf

END OF ZIONISM, MAYBE.

Jewish Preacher's View of Uprising in Russia.

The Rev. Dr. M. H. Harris spoke in the Temple Israel, Fifth Avenue and One Hundred and Twenty-fifth Street, yesterday morning at the regular services on the "Russian Situation." He prefaced his remarks by reference to the Testaments and to history to show that the people had gradually received a larger sphere of freedom from nations and Governments for the exercise of their powers and duties.

He declared that a free and a happy Russia, with its 6,000,000 Jews, would possibly mean the end of Zionism, since the abolition of the autocracy would practically eliminate the causes that brougnt Zionism into existence.

Russia, he said, seemed to prefer its own bloody experience in learning the power of the people to profiting by the experience and the history of other nations.

Chief Procurator of the Holy Synod Most Hated Man in Russia.

ST. PETERSBURG, Oct. 31.—Constantine Petrovitch Pobiedonostzeff, Chief Procurator of the Holy Synod, has resigned.

Constantine Petrovitch Pobiedonostzeff, now in his seventy-eighth year, has been a prominent factor in the internal life of the Russian Empire for the last fifty years, and is the most hated man in Russia to-day.

Since his appointment as Procurator General of the Holy Synod, in 1880, he has persecuted the Jews, Lutherans, Catholics, and other dissenting sects with an unswerving fanatical zeal. From 1890 to 1902 he caused 6,000,000 Jewish families to be expelled from Russia and sent thousands of Poles to Siberia. His watchword was "Russia for the Orthodox Russians." Cossacks were ordered to surround the Catholic churches in Poland and shoot down the congregations as they came out

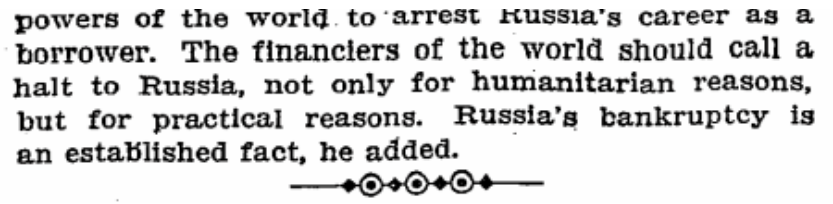
Dr. Paul Nathan's View of Russian Massacre

STARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of $1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solution" of the Jewish question is systematic and murderous extermination.

Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire."

He concluded with an appeal to the Jewish money



powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added.

As a side note: 1906 was the year after the first Jewish-led Communist uprising in Russia had failed. This lame sob story was nothing more than a ploy to distract public attention from the fact that the Communist-led upheaval that took place in Russia a year earlier was the handiwork of his fellow Jews who perpetrated widespread atrocities against Russian patriots (anti-Communists).

RUSSIA

The position of our co-religionists in Russia grows increasingly deplorable, and recent advices from that country indicate that there is little likelihood of any relief being afforded.

The situation is of the gravest. It may be doubted whether Jewry has ever confronted a greater crisis since the overthrow of the Jewish state by the Roman Empire. Not even the horrible persecutions of the times of the Crusades or the expulsion from Spain and Portugal affected so large a mass of our co-religionists. Russia has since 1890 adopted a deliberate plan to expel or exterminate six millions of its people for no other reason than that they refuse to become members of the Greek Church, but prefer to remain Jews. To carry out this purpose, it has used several methods. Wholesale assassinations (called pogroms), have been employed in order to arouse the religious fanaticism, the greed, and the savagery of the needy, the ignorant and the depraved among the Russian people. Horrible as these pogroms are, their effects are trivial compared with those which have followed other methods countenanced by that Government. The Jewish inhabitants of the congested Pale of Settlement are being harassed by restrictions on their ordinary activities, by practical denial to a serious extent of the right to educate their children, and by having thrust upon them by force, large numbers of their co-religionists who had settled in other places within the Empire and had there been usefully employed. By this insidious process, the Russian Government wickedly and artificially creates unnatural conditions that enable it to twist economic and social laws into the service of persecution, and it believes that by their operation the ultimate expulsion or destruction of the Jews of Russia is assured. From the point of view of that Government, this method has the further advantage that it avoids the cry of horror

Max Nordau, co-founder of the *World Zionist Organization* together with Theodore Herzl, made an astonishing pronouncement at the tenth Zionist Congress in Basle, Switzerland. He claimed that 6,000,000 Jews would be annihilated. This was twenty-two years before Hitler came to power and three years before World War I started.

American Committee Tells of Suffering Due to the War.

The American Jewish Relief Committee, called into being at a conference of more than 100 national Jewish organizations which was held at Temple Emanu-El on Oct. 25 to consider the plight of more than 6,000,000 Jews who live within the war zone, has elected Louis Marshall Chairman, Cyrus L. Sulzberger Secretary, and Felix M. Warburg Treasurer, and has issued the following appeal:

1915-

Jewish leader Louis Marshall proclaims: ***"In the world today there are about 13,000,000 Jews, of whom more than 6,000,000 are in the heart of the war zone: Jews whose lives are at stake and who today are subjected to every manner of suffering and sorrow…"***

Louis Marshall Denounces Apathy Toward Suffering of Co-Religionists.

"In the world today there are about 13,000,000 Jews, of whom more than 6,000,000 are in the very heart of the war zone: Jews whose lives are at stake and who today are subjected to every manner of suffering and sorrorw, and the grerat American Jewish community is not doing its duty toward these sufferers. In the United States there are between 2,000,000 and 3,000,000 Jews, nearly all able to do something and yet, after months of work, we have not raised more than $300,000. In New York there are more than 1,000,000 Jews, some of them persons of great affluence, but many of them seem to think if they give a few hundred dollars they have done their duty.

"We hear of pogroms in Russia, in Poland, in Galicia, and et we sit indifferent. In Palestine starvation stalks through the land. Shall we selfishly enjoy ourselves and say we would like to, but cannot help because of hard times, and think we are doing out duty? No. The time has come for every man and women and child to do his duty, and we must fulfill that duty quickly or it may be too late in hundreds of thousands of cases."

Foreign Office,
November 2nd, 1917.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet

'His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country'

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

Britain becomes a deadly pawn of Zionism

This very same year radical Jewish Marxists take control of Russia in the Bolshevik Revolution establishing the first Zionist state, the "Soviet Union." Czar Nicholas II, along with his wife and children, are kidnapped by Jews, then shot and bayoneted. The "revolution" was led by the Jews' Leon Trotsky, Lazar Kaganovich, Lev Kamanev, Grigory Zinoviev, Jacob Sverdlov, Moisei Uritsky, Alexander Parvus, Karl Radek, and the philosemitic part-Jew Vladimir Lenin, who all received financing from capitalist Jewish international bankers: Jacob Schiff, Max Warburg and ultimately the Rothschild's. The Communist Jews and their pawns would go on a six decade long reign of terror. Some 40 million Russian and Eastern European Gentiles would perish in Gulags, death camps, mass executions and via man-made famines under Jewish Communist ruler-ship.

Committee of American Jews Lays Plans for the Greatest Humanitarian Task in History.

The American people, Jews and non-Jews alike, will soon be asked to lend or contribute the larger part of a fund of approximately $1,000,000,000 to carry out plans for the reconstruction of the Jewry of the entire world. Announcement to this effect, together with the general plan of procedure, was made public last night, following a meeting held yesterday in the office of Felix M. Warburg of Kuhn, Loeb & Co., Chairman of the Joint Distribution Committee of the American Funds for Jewish War Sufferers.

The British take control of Palestine, and occupy the country militarily. Eventually the British Mandate for Palestine is administered, against the will of the Arabs living there.

This same year Jewish Communist leader Grigory Zinoviev announces plans for the annihilation

of 10,000,000 Russians.

"To overcome our enemies we must have our own Socialist Militarism. We must win over to our side, 90 millions out of the 100 millions of population of Russia under the Soviets. As for the rest, we have nothing to say to them; they must be annihilated."

Jewish Communists plot genocide of Russians. They put out stories of Jewish persecution at this same time to hide their blood-curdling atrocities in Russia.

Shortly after the end of World War I hostilities, Zionists claim a "Holocaust" of "Six Million Jews" is imminent in Europe in a deceitful campaign to raise money for Jewish charities and also to distract public attention from the Jewish origins of Communism, the Bolshevik atrocities in Russia and the Armenian Genocide.

The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN

(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

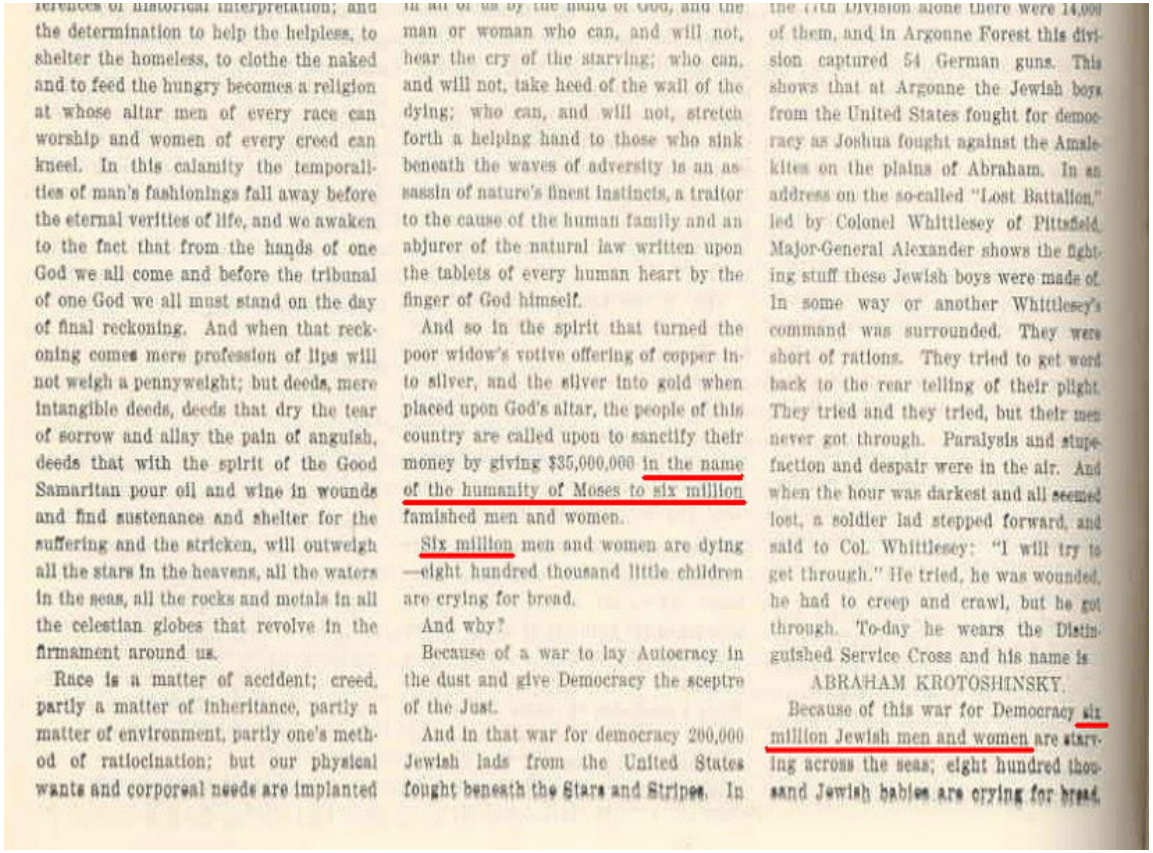
These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within them reside the illimitable possibilities for the advancement of the human race as naturally would reside in six million human beings. *We may not be their keepers but we ought to be their helpers.*

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessaries of life; eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a bigoted lust for Jewish blood.

In this threatened holocaust of human life, forgotten are the niceties of philosophical distinction, forgotten are the dif-

WHITHER?



ferences of historical interpretation; and the determination to help the helpless, to shelter the homeless, to clothe the naked and to feed the hungry becomes a religion at whose altar men of every race can worship and women of every creed can kneel. In this calamity the temporalities of man's fashionings fall away before the eternal verities of life, and we awaken to the fact that from the hands of one God we all come and before the tribunal of one God we all must stand on the day of final reckoning. And when that reckoning comes mere profession of lips will not weigh a pennyweight; but deeds, mere intangible deeds, deeds that dry the tear of sorrow and allay the pain of anguish, deeds that with the spirit of the Good Samaritan pour oil and wine in wounds and find sustenance and shelter for the suffering and the stricken, will outweigh all the stars in the heavens, all the waters in the seas, all the rocks and metals in all the celestian globes that revolve in the firmament around us.

Race is a matter of accident; creed, partly a matter of inheritance, partly a matter of environment, partly one's method of ratiocination; but our physical wants and corporeal needs are implanted in all of us by the hand of God, and the man or woman who can, and will not, hear the cry of the starving; who can, and will not, take heed of the wail of the dying; who can, and will not, stretch forth a helping hand to those who sink beneath the waves of adversity is an assassin of nature's finest instincts, a traitor to the cause of the human family and an abjurer of the natural law written upon the tablets of every human heart by the finger of God himself.

And so in the spirit that turned the poor widow's votive offering of copper into silver, and the silver into gold when placed upon God's altar, the people of this country are called upon to sanctify their money by giving $35,000,000 in the name of the humanity of Moses to six million famished men and women.

Six million men and women are dying—eight hundred thousand little children are crying for bread.

And why?

Because of a war to lay Autocracy in the dust and give Democracy the sceptre of the Just.

And in that war for democracy 200,000 Jewish lads from the United States fought beneath the Stars and Stripes. In the 77th Division alone there were 14,000 of them, and in Argonne Forest this division captured 54 German guns. This shows that at Argonne the Jewish boys from the United States fought for democracy as Joshua fought against the Amalekites on the plains of Abraham. In an address on the so-called "Lost Battalion," led by Colonel Whittlesey of Pittsfield, Major-General Alexander shows the fighting stuff these Jewish boys were made of. In some way or another Whittlesey's command was surrounded. They were short of rations. They tried to get word back to the rear telling of their plight. They tried and they tried, but their men never got through. Paralysis and stupefaction and despair were in the air. And when the hour was darkest and all seemed lost, a soldier lad stepped forward, and said to Col. Whittlesey: "I will try to get through." He tried, he was wounded, he had to creep and crawl, but he got through. To-day he wears the Distinguished Service Cross and his name is

ABRAHAM KROTOSHINSKY.

Because of this war for Democracy six million Jewish men and women are starving across the seas; eight hundred thousand Jewish babies are crying for bread.

The first reported "Holocaust" of "Six Million Jews." Nothing more than Zionist propaganda.

PITIFUL PICTURE DRAWN

Appeal Issued for Mothers Driven Insane by Seeing Children Starved

By NATHAN STRAUS

NEW YORK, October 18.—Terrible as conditions have been for the last five years among the destitute Jews of Eastern Europe, they have never before been so appalling as they are at the present moment. With the coming of winter the climax of tragedy has been reached, according to the latest reports from American Jewish relief workers, in every part of these stricken countries. At no time since hostilities ceased has the suffering been so intense as it is now among the Jews in these unfortunate lands.

Six million Jews, out of the 16,000,000 in the world, or considerably more than a third of the entire Jewish race, are today standing in bread lines or getting the soup on which they live from the soup kitchens of the Joint Distribution Committee of American Funds for Jewish War Sufferers.

ORPHANS LIVE ON STREETS

Thousands of them are sick, hundreds of thousands are without homes—all are destitute. A hundred thousand Jewish orphans, many of whom are sleeping and living on the streets, look forward with terror to the coming of the winter. It is impossible to compute the number of mothers who have gone insane as they watched their children starve or the number of typhus patients who are praying for death as they lie sick, without hospitals or medicines or sufficient food.

One year more of malnutrition has so weakened these poverty-stricken Jews that they will not be able to endure the rigors of the winter even as well as they did last year, when thousands of them died from cold and hunger. The number of refugees has been greatly increased also by the Bolshevik fighting, and innumerable homes have been destroyed within the last twelve months.

Hundreds of thousands of Jews are living today in open fields or under the help of the Joint Distribution Committee of American funds for Jewish War Sufferers.

Every month this summer 27,000 Jewish children were sent to vacation homes to recover their strength, depleted by starvation. Last month 500 additional children were sent from Vienna to Holland, where private homes were to receive them and 500 other invalids were sent from Vienna to Trieste to convalesce.

Extensive as it seems, the aid now being given children in Eastern Europe does not nearly meet the need, and unless funds are raised to carry on the work on an infinitely greater scale, the coming spring will find comparatively few children alive in these stricken lands. Herbert Hoover of the American food commission, who just returned to America, commented upon this fact, and said that it would have been impossible for the food commission, to have kept between 4,000,000 and 5,000,000 children in Eastern Europe alive even until now without the help of the American Jewish Relief Committee's funds.

There is no corner of Poland, Lithuania, Rumania, Czecho-Slovakia, or Palestine so remote that the Joint Distribution Committee of American Funds for Jewish War Sufferers has not reached it with some supplies for the unfortunate populace, either Jews or Gentiles or both. A relief train of forty-four cars recently carried food and old clothing and bedding to

roofed platforms, fifteen families to a platform, in broken houses, in stalls of old stables or in holes in the ground. They are clad, for the most part, in the rags they have worn for the last five years, with strips of cloth bound to their feet or bits of bark tied to their soles to serve as shoes.

"We come out now before the world with the determined slogan, 'Those

pogroms must stop," said the President in his annual message. "It is only a question of holding these facts continually before the civilized world: we must not permit the world to slumber. This fact that the population of 6,000,000 souls in Ukrainia and in Poland have received notice through action and by word that they are going to be completely exterminated—this fact stands before the whole world as the paramount issue of the present day."

More persecution propaganda in the same year. Again "6,000,000 Jews" as victims, of course.

While the 3,500,000 American Jews were loyally fighting and laboring to help "make the World safe for Democracy," the Jews of Eastern Europe, where lives the bulk of the world's Jewish population, were being ground out of existence by the ebb and flow of contending armies.

Today 6,000,000 Jews Are Facing the Darkest

Days Ever Known in the Long History of the Race

Families are scattered—broken. A hundred thousand children are orphaned. Poverty is the common lot. Whole cities have not known a square meal in five years. Disease stalks on every hand. The death rate mounts to double—triple—quadruple—that ever before known in a civilized country.

America Is the Only Hope

In this, the greatest crisis that Jewry has ever known in centuries of suffering and persecution, the Jews of America turn to their fellow citizens of all races and creeds for that material and immediate aid which alone can save the survivors of the race in Europe from destruction.

$35,000,000 NEEDED!

This sum represents the amount sought from the country at large. Every cent of it will go to buy food, clothing, medicines and other necessities of life for the destitute, starving and utterly stricken men, women and children across the sea. BERLIN, July 19.—Russia's 6,000,000 Jews are facing extermination by massacre. As the famine is spreading, the counter-revolutionary movement is gaining and the Soviet's control is waning. Dr. Sokolow Tells Zionist Congress Jerusalem Will Be International Peace Capital.

CALSBAD, Aug. 27 (Jewish Telegraphic Agency).—"The League of Nations is a Jewish idea, and Jerusalem some day will become the capital of the world's peace," declared Dr. Nahum Sokolow, Chairman of the Zionist Executive Committee, at a special meeting of the Zionist Conference today.

"The League has recognized our rights to our ancient home," Dr. Sokolow continued. "We Jews throughout the world will make the League's struggle our own and will not rest until there is ultimate victory."

The meeting was convoked in order to celebrate the twenty-fifth anniversary of the first Zionist Congress.

"Today will be a holiday for Jews throughout the world," Dr. Sokolow added. "What we have achieved after a struggle of twenty-five years we owe to the genius of our immortal leader, Theodor Herzl, who laid the foundation stone of our movement."

It was decided at the meeting to send messages of congratulation to Max Nordau, one of Herzl's first followers; the Earl of Balfour and Baron Edmond de Rothschild, the last named being the founder of the first Jewish colony in Palestine.

Jews commit a deliberate genocide. To put down nationalist resistance to a Communist

takeover, Soviet Dictator Josef Stalin orders the Jewish-dominated Soviet Secret Police (NKVD) to orchestrate a man-made famine in the Ukraine. Stalin's Jewish deputies and secret police chiefs (Kaganovich, Beria, Yagoda, etc) ruthlessly implement the murderous starvation policy. Between six and seven million Ukrainian men, women and children, are annihilated in this genuine Holocaust. It is now known as the "Holodomor."

SIX MILLION PERISH IN SOVIET FAMINE

Peasants' Crops Seized, They and Their Animals Starve

Like barnyard fowl, two peasant women garner kernels of grain spilled in sowing. They must do this to keep alive in a land of plenty—the Ukraine —where 6,000,000 children, women and men have died of starvation. The women were permitted, as a great privilege, to pick the kernels.

Russia's beautiful thoroughbred horses, known the world over, are used now in the agricultural districts. The animals, needed on every farm, are dying off by the million of starvation. Ten million died in a few years. Here one horse is dead, another is too weak to stand. Peasants begging food to save their livestock were driven off by armed soldiers.

Reporter Risks Life to Get Photographs Showing Starvation

STARVATION stalks through the Ukraine section of Soviet Russia, leaving a ghastly trail of death and agony. The Ukraine is the most fertile grain-producing district in Russia.

The facts contained in the series of articles, of which this is the first, were obtained by Thomas Walker, an American newspaperman, now resident in London, at the peril of his life.

When Mr. Walker entered Russia last Spring he smuggled in a camera.

While the photographs shown with these articles were obtained under the most adverse and dangerous possible circumstances, the evidence they present is more grim and graphic than words.

By THOMAS WALKER,

Noted Journalist and Traveler and Student of Russian Affairs, Who for Several Years Has Toured the Union of Soviet Republics.

I HAVE recently toured the Ukraine district of Soviet Russia, where 6,000,000 peasants have perished from starvation in the past eighteen months, due to the excessive tolls made on their crops by the Bolshevik government.

Last Winter, Red Army soldiers, under orders from Moscow, took so much of the season's crops from the peasants that they were unable to feed themselves and their livestock through the Winter.

Photographs accompanying this series of articles were taken at great risk and brought out of Russia in my pockets. Fortunately, I was not searched. I threw away a valuable camera before coming to the border, so as not to arouse the suspicions of the Russian customs officials regarding photographs. The Soviet travel regulations distinctly state that all camera films are to be developed within U. S. S. R., and pictures detrimental to the Bolshevik cause are destroyed and the owner of the films is arrested.

The map shows the famine-stricken Ukraine district and Tambeff and Voronezh, mentioned in Mr. Walker's article.

Meets Immigrants.

(Run Model Farm)

Starting from Moscow late in the Spring of 1934 on what was advertised by the Intourist Travel Bureau as a complete tour of the Ukraine, we first went to a large Collective Farm near Tambov. Honesty compels me to state that this was indeed a model farm.

Conversation with the workers on this farm established the fact that practically all of these people were immigrant Communists from either America, England or Germany, who had even brought their farming implements with them, at their own expense, from abroad.

At the railway station at Voronezh I asked the glib-tongued Intourist guide why so many hundreds of persons were sleeping in the railway station—why were they all in rags, and why did they have such agonizing looks on their faces.

To which he replied:

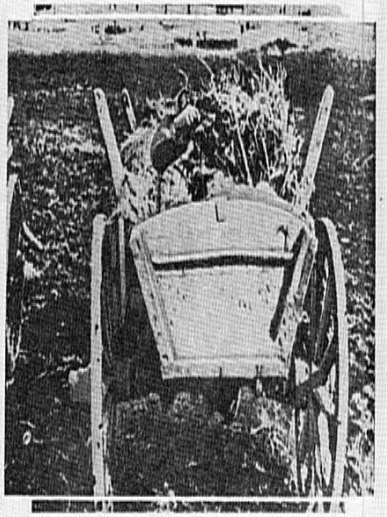
"They were sleeping in the railway station because they were all workers from a factory nearby and are leaving today for their month's holiday in the Crimea, which also accounts for their old clothing, being on holiday and having sat up all night so as not to miss the train, naturally they looked tired."

The look of agony and intense misery on all the faces of these misery did not bespeak of any forthcoming holidays in the Crimea. Questioning a few of these peasants convinced me that we were being shown only the rosy side of a very horrible condition.

I decided to leave the tour as planned by Intourist and start on one of my own devising.

Buying a ticket to Belgorod and traveling only with a small bag of Russian make so as not to attract attention, I arrived there early in the morning. I set out to walk the six kilometers to the Collective Farm.

In his article describing the enforced famine in the Ukraine, Thomas Walker tells of finding this little Russian peasant boy standing beside his dying father and weeping bitterly. The father had been shot for approaching too closely to forbidden territory while the two were picking up grains of wheat spilled on the ground. Now the boy must wander alone, almost certainly to die of starvation.



Death from starvation in a Soviet hay cart! Although he worked on a community farm where food was plentiful, this peasant could not get enough to eat to keep life in his body. Weary from his forced labor, he crawled into this hay cart to find rest. His eyes closed—and never opened again.

Peasants, Horses Starve

(Death on Highway)

About halfway out I came upon a party of three peasants and three horses in varying stages of starvation (see photograph). One peasant had died the night previous. One horse had just died and another laid down that was too weak to get on its legs again.

These peasants stated that they had been at the Collective Farm several days previous and had begged the officials for some wheat straw to feed the horses and to be allowed to fill their water barrels. Both requests were refused, and they were ordered away from the farm at the point of revolvers.

These peasants told me that they had raised enough grain the year previous to more than supply the needs of themselves and their live stock, but that the Red soldiers had come, under the auspices of the GPU, and requisitioned practically all of the harvest.

Two of the peasants were married and had children, who perished by starvation during the year 1932-33. I left them as they started to butcher the dead horse.

In this connection it may be interesting to state that over ten million horses have perished in Soviet Russia since 1929. Most of these animals had belonged to independent peasants.

Recently, however, trials have been held in Moscow and Smolensk, attempting to fix the blame on the managers of certain Bolshevik stock farms for the starvation of thousands of Russia's prime horses.

Search for Grain.

('A Great Privilege')

The collective farm near Belgorod is a concentration camp of forced labor, and in these drastic times in this section it is deemed a privilege to be a prisoner on this farm. Supervision on this farm is by Red Army soldiers, who carry loaded rifles and shoot to kill. They guard the planting, growing, harvesting and storage of the grain.

As a great privilege, peasants were permitted to pick up the grains of wheat that fell on the ground in the process of Spring sowing.

Food Hunter Shot.

(Red Bullets Fly)

Walking around this farm I came upon two peasant women who were picking up grains of wheat after the manner of barnyard fowl under the most dirty conditions imaginable. (See photograph.)

They were distinctly forbidden to take any wheat that was outside of certain limits.

A father and son had been busy picking up these grains of wheat when apparently the father came too close to the prohibited territory to suit a Red soldier and was promptly shot in the back by a guard without warning and left to die where he fell. (See photograph). The son was in tears when photographed.

Both father and son were employed on this farm at the time

Adolf Hitler becomes Chancellor of Germany in 1933. Jews immediately seek his complete destruction.

Hitler comes to power in Germany. Antithetical to Jewish banking interests which thrives off of usury (the lending of money at interest making debt-slaves out of countries), Hitler immediately begins printing his own state-controlled, labor-backed currency and thus breaking the death-grip of the monolithic Jewish banking establishment of Europe, led by the Rothschild's and the Warburg's. Hitler also removed Jews from all positions in government, media, education and banks, which they had been dominating up until that point.

Because of this World Jewry declares war on Germany in 1933. Jews around the world launched a global economic boycott of German goods in an effort to economically strangle Germany to death and topple Hitler's new government.

DRAMATIC ACTION

"Daily Express" Special Political Correspondent.

ALL Israel is uniting in wrath against the Nazi onslaught on the Jews in Germany.

Adolf Hitler, swept into power by an appeal to elemental patriotism, is making history of a kind he least expected. Thinking to unite only the German nation to race consciousness he has roused the whole Jewish people to a national renaissance.

The appearance of the swastika symbol of a new Germany has called forth the Lion of Judah, the old battle symbol of Jewish defiance.

Fourteen million Jews dispersed throughout the world have banded together as one man to declare war on the German persecutors of their co-religionists. Sectional differences and antagonisms have been submerged in one common aim—to stand by the 600,000 Jews of Germany who are terrorised by Hitlerist anti-semitism, and to compel Fascist Germany to end its campaign of violence and suppression directed against its Jewish minority.

World Jewry has made up its mind not to rest quiescent in face of this revival of medieval Jew-baiting.

"PEACE CAN BE KEPT IN EUROPE"

MR. RAMSAY MACDONALD faced a crowded House of Commons yesterday afternoon when he spoke about his visits to Paris, Geneva, and Rome, and his talks with Signor Mussolini.

The German, French, Italian, Polish, and Belgian Ambassadors were among a crowd of diplomatic representatives in their special gallery, and Mr. Bruce, of Australia, and other representatives of the Dominions also listened.

Mr. MacDonald, who was greeted with cheers, said:—

"I take the earliest available opportunity to inform the House regarding what happened while the Foreign Secretary and myself were at Geneva and Rome.

"We were asked by our colleagues here to go to Geneva. But in every respect I found that there was a grave danger of an imminent collapse of the Disarmament Conference, and we felt strongly that it might be possible to avert such a collapse, because we knew not at all convinced that it was necessary that it should take place.

"Therefore, the Foreign Secretary and I went to Geneva. Our first business was to discover how matters exactly stood, and for that purpose we interviewed for some two or three days the leading delegates from various nations.

Mr. MacDonald.

Jews don't like it when Gentiles revolt against their tyranny and control. Their motto is: be our slave or be dead.

This act of treachery leads to widespread dislike of Jews in Germany and foments tension between Jews and German Gentiles. For this act, and for the Jews' well-known support for Communism and substantial involvement in the bloody Bolshevik Revolution, the Nazis declare Jews "enemies of the state" eventually interning them in concentration camps and labor camps during the Second World War. Almost the same thing happened to Japanese-Americans after Pearl Harbor. Although, unlike the Jews, Japanese people never

waged an economic war on America, they were interned in American concentration camps simply for their ethnicity.

1936-

As early as 1936, Zionists who originally coined the phrase *Final Solution of The Jewish Question*, somehow knew exactly 6,000,000 Jews had "neither hope nor future."

THE JEWISH CASE

DR. WEIZMANN BEFORE ROYAL COMMISSION

FROM OUR CORRESPONDENT

JERUSALEM, Nov. 25

Dr. Chaim Weizmann, the Zionist leader, presented the historical and moral background of Zionism to the Royal Commission at its public session to-day.

He explained that the Jewish problem was two-fold. First was the "homelessness" of the Jews. While in Western Europe many individual Jews had happy homes, in Eastern Europe there were 6,000,000 unwanted unfortunates who were condemned to be penned up in places where they could not live. Even those in Western Europe were now threatened. Second was the world problem created by the presence of these 6,000,000 people without a future whose condition was a threat to Europe. A certificate permitting emigration to Palestine was regarded as a certificate of freedom.

Dr. Weizmann Says . . .

Editor's Note: Commentators have declared Dr. Weizmann's speech before the Royal Commission in Palestine, an address which lasted some 2½ hours to be the greatest declaration regarding Palestine since the issuance of the Balfour Declaration. Since space does not permit us to print the text in full we are happy to present the following excerpts:

"I should like to present a tried statement of the background and motives behind the Zionist movement, which seeks the establishment of the Jewish National Home in Palestine. **The stimulus and hope which animate Zionism cannot be understood without relationship to the position of the Jewish people in Central and Eastern Europe, where six million Jews are in a position which is neither life nor death.** Only recently the Foreign Minister of Poland said that there are one million Jews too many in Poland. It is difficult to understand why Jews who had lived in Poland for a thousand years, shared its vicissitudes and made their contribution to the growth of the country

Continued on Page 4)

The Jewish Western Bulletin
Dec 11, 1936

Referring to the past history of the Jews, Dr. Weizmann claimed that there had never been a time when the Jews did not try to return to Palestine. He said that England had been interested in the project for 300 years and that the Balfour Declaration had been no more than a final link. That Declaration had not been a matter of "War expediency," but was a serious step in the culmination of long discussions. Originally the Jews had plainly understood the Declaration to mean the restoration to them of Judea as a Jewish State.

The Government had reminded them of their obligations towards others in the country, but the Jews could honestly say that these others had indirectly benefited by the work they had done.

THE "NATIONAL HOME"

Although the Jews regarded the limitation of immigration to the absorptive capacity of the country as an inadequate interpretation of the "National Home," yet the officials of the Jewish Agency had loyally adhered to the formula; but to limit immigration for other reasons was unthinkable. It was felt that there was an unlimited opportunity for expansion by the use of what was called uncultivable land; but unless the Government adopted a positive and dynamic policy Jewish work would be slow.

He defended the desire of the Jews to refrain from employing Arabs as they wished to make their home with their own hands, and in concluding said that the Jews had reluctantly opposed the establishment of a Legislative Council as a premature scheme which would be used by the Arabs to hinder the creation of the "National Home."

The (London) Times
November 26, 1936

Appearing before the Peel Commission, World Zionist Organization chairman, and first Israeli president, Chaim Weizmann, declares that "6,000,000 Jews are destined to be imprisoned," (in Europe) "where they are unwanted."

Jews continue to agitate for Palestine. The *New York Times* reported that Zionist groups were desperately lobbying American Christian leaders, Christian organizations, and the British government, demanding assistance in the creation of a "Jewish nation in Palestine" to save the Jews from "the European Holocaust." These strikingly prophetic statements were made years before the creation of ghettos or concentration camps and over three years before the German invasion of Poland.

Special to THE NEW YORK TIMES.

WASHINGTON, May 30.—A petition addressed to Prime Minister Stanley Baldwin expressive of the hope that Great Britain will steer a course favoring the establishment of a free Jewish nation in Palestine such as would provide refuge for millions of persecuted Jews in Eastern Europe and Germany was presented to Sir Ronald Lindsay, the British Ambassador, today by a Christian delegation representing the Pro-Palestine Federation of America and headed by the Right Rev. James F. Freeman, Episcopal Bishop of Washington.

The petition, in expressing the opinion of enlightened Christian leadership in the United States, favoring a larger Jewish immigration into Palestine, stressed the intolerable sufferings of the millions of Jews in "the European holocaust."

Urges Definite Policy

It suggested the need for a clear and definite policy on the part of

[illegible] development of the country, which untimely and premature projects of self-government would cause, in the present condition of the country.

Recognizes Problems

We are mindful of the complex and difficult task faced by His Majesty's government in Palestine. We also appreciate the anxiety and sincerity with which the Palestine Government is grappling with the problems there. We, however, feel that the right solution calls for a definite policy, which should, once and for all, make clear to the turbulent element in Palestine that His Majesty's government, as mandatory power, will carry out its trust to help transform Palestine into a Jewish homeland to which the persecuted Jews of the world may freely come, and where they may have the right to constitute themselves into a free nation.

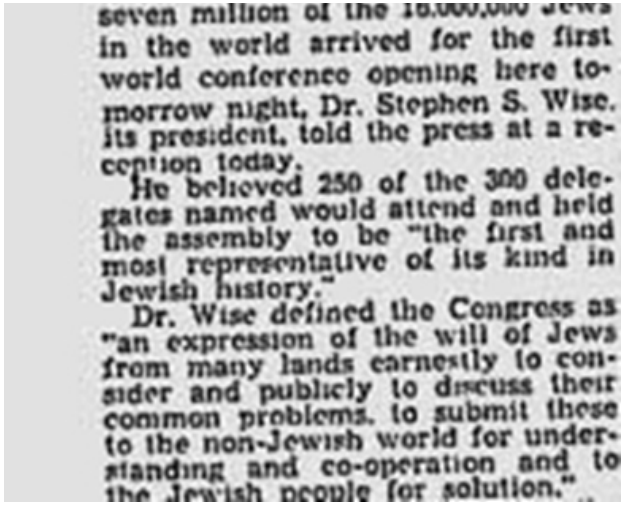
By CLARENCE K. STREIT
(Wireless to The New York Times and The Gazette.)

Geneva, August 7.—Delegates of 32 countries representing six or



seven million of the 16,000,000 Jews in the world arrived for the first world conference opening here tomorrow night, Dr. Stephen S. Wise, its president, told the press at a reception today.

He believed 250 of the 300 delegates named would attend and held the assembly to be "the first and most representative of its kind in Jewish history."

Dr. Wise defined the Congress as "an expression of the will of Jews from many lands earnestly to consider and publicly to discuss their common problems, to submit these to the non-Jewish world for understanding and co-operation and to the Jewish people for solution."

Jewish leaders meet to discuss their schemes, swindles and sinister conspiracies. "Six Million Hebrews" is mentioned in the article title.

The number of Jews deprived of their rights and economic opportunity in Europe increased greatly last year, Dr Bernhard Kahn, European director of the American Jewish Joint Distribution Committee, said on his arrival here last week from Europe.

The new Government of Rumania has threatened to outlaw 800,000 Rumanian Jews, "disregarding peace treaties, minority treaties and the constitution of the country," said Dr Kahn

"In Germany the Jews are being driven out of the last economic positions. Increased oppression is swelling the number of refugees and emigrants. More than 15,000 Jews had to leave Germany during the last year and in the middle of the year the German laws of racial discrimination were extended to the 12,000 Jew in Upper Silesia (the Danzig corridor)"

Dr Kahn said there are 25,000 refugees in Europe, the greater number of them living in need and in demoralizing uncertainty. He expressed the hope that the intergovernmental conference at the League of Nations would take up the refugee problem again in February.

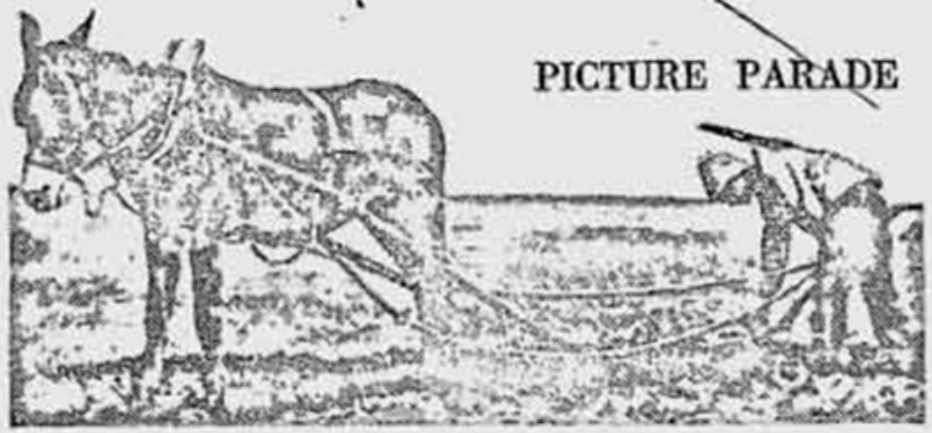
Jews Are Fighting for a Homeland



Ready at any moment to defend the strip which he is trying to convert to fertility is the Jewish settler of the Jesreel valley.

FIVE or six million Jews, uprooted by dictatorships and tossed about by economic storms, may have to depend upon the development of the Holy Land, under British mandate, as a solution to their difficulties. But they face the hostility of the Arabs living there, whose economic and religious interests conflict with theirs.

In North Palestine the Jews fence themselves in armed settlements as a protection against marauding Arab bands, while they try to work the poor land. With Britain anxious to get rid of her mandate, and with enemies in nearly every corner of the world, these "people without a country" are in a sorry plight.

This article references "five or six million Jews uprooted by dictatorships" and calls for them to be settled in the "Holy Land" (Palestine).

Poland, under British influence, refuses to concede to Hitler any of his relatively modest territorial demands. Hitler sought to recover the territory stripped away from Germany and given to Poland at the end of WWI; specifically the formerly German city of Danzig. Hitler also demanded an autobahn in the Danzig corridor connecting the German mainland to East Prussia. Poland categorically refused all of Hitler's somewhat reasonable demands.

Hitler wanted back the German city of Danzig and an autobahn through the Danzig corridor connecting the German mainland to East Prussia. Poland, under British/Jewish direction, refused to acquiesce to Hitler's modest demands.

In September Poland is invaded from the west by Germany and from the east by the Soviet Union. Britain and France immediately declare war on Germany, supposedly because of

Hitler's invasion of Poland. However, Britain and France did not declare war on the Soviet Union who also had invaded Poland and then attacked Finland a few months later.

The reason the Allies only found fault with Germany for invading Poland, and not the Soviets, was because the USSR was under Jewish rule, and had been since 1917. The purpose of WWII all along was not to free Poland *but to destroy Germany*, who had broken loose from the grip of the Jews. The Allies, who originally claimed to be concerned for Poland's sovereignty, dumped Poland, along with the rest of Eastern Europe, off to the Soviet-Communist butchers at the end of the war! This Allied betrayal proves that the Allies never cared about Poland at all. Poland was nothing more than a pawn used by the Allied warmongers to sucker the Third Reich into a war.

The Allies, who waged war on Germany in 1939 using as a justification the excuse that Germany breached Polish sovereignty by invading, DUMPED Poland off to Stalin and the Communist butchers who had murdered 22,000 Poles in the Katyn Forest in 1940!

Meanwhile Jews were whining about “Six Million” helpless victims in February, seven months before the war even started.

Jewish Relief Appeal Starts Here Tomorrow

More than 200 volunteers will begin tomorrow a thorough canvass of St. Petersburg in behalf of the local campaign of the United Jewish Appeal for Refugees and Overseas Needs. It is the largest and most intensive drive ever conducted by American Jews for relief and reconstruction in Europe, immigration and resettlement in Palestine and integration of refugees into the life of the United States.

Milton S. Lew, chairman of the local campaign, said today that the appeal represents the greatest effort in the history of the American Jews to relieve distress abroad to provide new immigration opportunities in Palestine. "The lives of many hundreds of thousands of persecuted men, women and children depend upon our success in this drive," he reported to his campaign workers.

Appeal to All Creeds

Chairman Lew explained that the appeal will be made to all creeds and races because the agents of terror and hatred now aroused in Europe are levied against all religions in general. Once unleashed these powers cannot easily be stopped.

"Intolerance," Lew stated, "is as anti-Christian as it is anti-Jewish. The fiction of racial superiority is so alien to our American traditions that we cannot understand the callousness of many European nations toward the helpless victims. I feel that Americans of all creeds can join to prove to the world once more that while American democracy lives, humanity and compassion shall not die."

6,000,000 Helpless

Lew pointed out that there are six million Jews in Europe today fighting desperately against intolerance and despair. For them the support of the united appeal is crucial, he said.

DR. WEIZMAN STRESSES JEWS NEED OF NORMAL NAT ONAL LIFE

Jews Reject Minority Status in Palestine

LONDON, Monday (Palcor).—In his opening address at the talks on Palestine in St. James's Palace last Wednesday evening, (which has now been officially released for publication) the President of the Jewish Agency, Dr. Chaim Weizman, declared that the Jewish representatives had entered upon the discussions in the desire to be helpful and with full recognition of the difficulties facing the British Government.

They must, however, safeguard the vital interests and rights of the Jewish people which could not be surrendered, particularly in this blackest hour of Jewish history. He referred to his survey before the Royal Commission in Jerusalem in November 1936, indicating that the root of the problem lay in the homelessness of the Jewish people who were everywhere a minority.

The Jewish people had preserved their identity because of their attachment to Palestine and the hope of the return to Zion. They claimed that Palestine had never been abandoned, and the Jewish community there had never ceased to exist; in every age Jewish groups had gone to Palestine, and during the last 60 years active re-settlement had been going on.

HISTORIC RECOGNITION

The Balfour Declaration, the Zionist President proceeded, had recognised these historic facts; and in the preamble to the Mandate, international recognition was "given the historical connection between the Jewish people and Palestine, and the grounds for reconstituting their National Home in that country."

Reviewing developments since the Royal Commission, Dr. Weizman referred to the fact that the members of that Commission, which had consisted of men in the front rank of British public life, had after long and careful enquiries found that when issuing the Balfour Declaration the British Government had realised that, given the necessary zeal and enterprise by the Jews, a Jewish State in the course of time would be established in Palestine.

The Royal Commission had proposed a Jewish State in part of Palestine, a plan which was adopted by the Government and caused heart-searching among the Jewish people. But, although they did not regard the original promise as fulfilled, the Jews agreed to explore the possibility of cooperating with the Government on this basis because the principle of the Report, acknowledged by the Government, was that the creation of a Jewish State "would secure the establishment of a Jewish National Home and relieve it of the possibility of being subjected in the future to Arab rule. It would convert the Jewish National Home into a Jewish State with full control of immigration."

These two main principles, Dr. Weizman submitted, retain their binding and moral force.

He went on to say, *"The Royal Commission's report outruled artificial restrictions on Jewish immigration and the relegation of the Jewish community to minority status. It is inconceivable that, after 20 years, the British Government should be seeking an interpretation of the Mandate which would curtail fundamental Jewish rights. "Such a departure from the moral position would shake the British Empire to its foundations, for the bonds existing it together are purely moral, composed of mutual faith and belief in the security of promises."*

But a new period of vacillation ensued, resulting in the Woodhead Commission's Report, and the idea of a Jewish State was abandoned. The one thing that remained was the political high level imposed on Jewish immigration.

At a time of supreme distress to Central European Jewry, and when the Jewish tragedy was spreading to other countries, the gates of the National Home were almost shut to Jewish refugees. The fate of six million people was in the balance; they knew not whither to go.

The Jews had been told that the Balfour Declaration and the Palestine Mandate had not contemplated large-scale immigration. Even historically that statement was inaccurate. There had been intense Jewish suffering and persecution in Russia in pre-War days, and hundreds of thousands of Jews had emigrated annually. Jewish distress was always one of the two foundations of the Zionist Movement, the other being the need of the Jews for a normal national life of their own in their historical home.

Settling Down to Fundamentals

GOVERNMENT TACTICS AT LONDON CONFERENCES

By GERSHON AGRONSKY

LONDON, Monday. — In what Dr. Weizman, in his speech on Wednesday which was officially released tonight, described as the darkest hour in the history of the Jewish people, the British delegation, in its negotiations with both the Jewish and the Arab representatives, is now settling down to the consideration of fundamentals.

The Arabs are evidently persisting in their effort to prove that the MacMahon pledge included a promise of independence for the Palestine Arabs. This case was argued on Saturday and again today by Nuri Pasha es Said and will be continued tomorrow by the Princes of Saudi Arabia and Yemen, still centering on this point, which Mr. R. A. Butler is expected to clear up from the point of view of the Government.

It is also apparent that the Government delegates pursue the strategy of wearing down whichever delegation happens to be facing them, by presenting the Jewish arguments to the Arabs, and vice versa. It is difficult to predict what the Arabs hope to gain by scoring a dialectic victory in the MacMahon controversy, except perhaps to underline the alleged conflict of rights, but the argumentation against the background of St. James's Palace, with its hallowed tradition and its crimson carpets and cushions, is punctuated by the unceasing murders on the Palestine front itself. The Arab

It was essential, the statement continued, that there should be one place in the world where the Jews would not be an adjunct, but masters of their own destinies. Various well-intentioned projects were now being sponsored to find a territorial base in other countries for the Jews, but no other undeveloped country can give immediate relief to large numbers of refugees, and a long period of experiment was required in any new country.

The signal success of Palestine was due to the national and religious fervour behind the endeavours which could not be evoked in other countries. Moreover, Palestine had been prepared by 40 years of pioneering work and was now capable of taking in hundreds of thousands of refugees. If Palestine was unable to absorb all Jews in search of a refuge, that was hardly a logical reason for saying that it must take less than it can take.

Dr. Weizman pointed out that Jewish work had not stood still even under the difficulties of the past three years. In spite of the danger, Jews had come to Palestine and parents had sent their children. He also referred to the degree of defence which the Jews had been able to render for their own settlements and also in helping the British military forces.

CONFLICTING PROMISES

Referring to the alleged conflicting promises made to the Jews and the Arabs, Dr. Weizman pointed out that there was no conflict concerning Western Palestine, as had been acknowledged by representatives of the British Government and by Sir Henry MacMahon himself. The late Colonel T. E. Lawrence had also recorded that Mr. Winston Churchill's settlement in 1921/22 had fulfilled all the British promises towards the Arabs.

Lastly, the late King Feisal, the authorised spokesman of the Arabs at the Peace Conference in Paris, had accepted the Balfour Declaration.

Where there was a possibility of a conflict between the promises in respect of Trans-Jordan, this was solved 100 per cent in favour of the Arabs. The Arabs had emerged from the last War with four Kingdoms. Their statehood came easily through the expenditure of British blood and effort. As the Royal Commission had pointed out, so far as the Balfour Declaration had contributed to the victory of the Allied Powers, it had also contributed to the liberation of the Arabs.

"It is relevant to compare," he declared, "what the Arabs have made of the extraordinary opportunities given them with little trouble, and what the Jews made of the chances offered them. Vast Arab territories stand empty today — an invitation to powerful and unscrupulous Powers."

DIFFERENT APPROACHES

Dr. Weizman emphasized the difference in the importance of Palestine to the Jews and to the Arabs, quoting the report of the League's Permanent Mandates Commission as follows:

The collective suffering of the Arabs and Jews cannot be compared, since vast spaces in the Near East, formerly the abode of a numerous population and the home of a brilliant civilisation, were open to the former; whereas the world was being increasingly closed to the settlement of the latter."

As for the Arab claim that Palestine was an Arab country and must have an

Palestine Post

delegates would appear to be endeavouring to demonstrate the rights of their claims by appalling wrongs, such as the weekend casualty toll which is tucked away in remote columns in today's London newspapers.

ARABS' "RIGHTS"

The Jews acquiesced to the talks, although they expected no benefits to result from them; they are now forced to defend their rights, which were guaranteed by the entire civilised world, against the so-called natural rights of the Arabs, which presumably includes the right to doom the Jews to extinction. The restitution of the Jews to their homeland which is the true and only meaning of the Mandate, is now conditional, in the Arab view, but worse still perhaps also in the British view, on the consent of the Arabs, and not only of the Palestine Arabs, but also of the Arab States.

The MacMahon dispute will not end in the creation of an Arab State in Palestine — that is certain, but one delegate's shrewd forecast is a Government compromise, with or without consent, promising the Jews that the Arabs will not be given a State, and the Arabs that the Jews will not be given immigration

Arab Government, even the present basis of the claim could not be realised, as the Jews formed a third of the population and were responsible for more than two-thirds of the economic and cultural activities in Palestine.

NON-DOMINATION

The Jews did not want to dominate the Arabs, he said, but they would not allow themselves to be dominated by them, and they would not submit to the same fate as the Assyrians of Iraq.

The gist of Dr. Weizmann's statement was a demand for the continuation of the Mandate and of Jewish immigration in accordance with the principle of absorptive capacity, an active policy of development, and effective safeguards against a minority status.

The Zionist President concluded:

"I pray that you, who have carried justice, fairness and good government into the most remote corners of the globe, — I pray with all respect and humility, that you do justice to my people in this dark hour."

He ended with the statement that it was true that Palestine was a Holy Place for the Arabs as it was also for the British, but it had never been a national centre for the Arabs as was Damascus.

REVIEW OF EVENTS

By The Editors Of
Contemporary Jewish Record

These past few months are memorable ones in the light of Jewish as well as world history. But the era of constant change in which we live makes necessary now and then the summarizing of what actually has taken place during a given period. By special arrangements with the editors of the Contemporary Jewish Record, and this magazine we bring you this timely resume of Jewish world events.
—THE EDITOR

IT is as yet too early today to comprehend the full extent of the tragedy which has overtaken the world. The conflict has but started. It is now still limited to four countries. The extent of its possible spread is not as yet known. But the tragedy which has overtaken the millions of people in the war zone as well as the 3,500,000 Jews in Poland and the 800,000 Jews in Germany and her possessions is sufficiently great to defy the imagination and stir the deep sympathy of those who still believe in mercy, justice and the protection of the weak.

Scarcely two months before Hitler's aggression against Poland, Herr Hans Ziegler, a ranking official in the Propaganda Ministry, emphasized, according to a dispatch by the Jewish Telegraphic Agency, in his book entitled "Juden und der Weltkrieg," that one of the worth-while results of the coming world war would be the annihilation of the six million Jews in East and Central Europe. Other warnings of the same dire character have been uttered by Nazi officials and publications for the past several years.

Today, two-thirds of the Jewish population in Poland is under Nazi occupation. Even the infrequent dispatches from the war front indicate that the Jews were the twofold victim of Nazi hatred and retaliation, first as citizens of Poland, and secondly, as Jews. The Nazi propaganda machinery is feverishly at work in an effort to drive a wedge between the Jews and the Poles. In line with its set policy, pursued before the hostilities commenced, Nazi propaganda attempts to convince the Poles that their enemy is the Jew and not the Nazi aggressor. At the same time, an effort is made to portray the Polish civilian resistance as stemming mainly from Jews, in order to justify wanton retaliation and goad the German soldiers and civilian population to more frightful acts. Frequent bombardments of Polish towns have been directed in many cases at the Jewish quarters. Polish Jews knew that their very existence is at stake in this war. For the part of Poland,

FRED ASTAIRE
has the right combination of great acting and dancing to give you more pleasure

a puppet government, Slovak style, pending a change in fortune. For Jews there is but death, exile and persecution. Nor is there any escape for them. If the pattern established by the U.S.S.R. will be followed in the regions occupied by the Russian forces, Jews in these localities will face persecution for their religious beliefs, Zionist activities and democratic sympathies.

As was not the case in the last war, in which the Jews of Germany shed blood for the glory of the grateful "Vaterland," they are held there today as hostages to become again the scapegoats in the event of the defeat of the Nazi forces.

The problem of Palestine has attained a new complexion against the background of the new world situation. It continued to loom large until the outbreak of hostilities. It was evident from the utterances and actions of the Colonial Minister, Mr. Malcolm MacDonald, that the British Government was determined to put into effect the measures outlined in the White Paper, and to break the resistance of the Jewish community. This was reflected in the suspension of Jewish immigration into Palestine during the six months beginning October 1, 1939, as a retaliation for the continuous stream of "illegal" immigration of German and other refugees. Jews were heartened by the publication of the report of the League of Nations Permanent Mandates Commission, four of whose seven members declared the White Paper an unmistakable violation of the terms of the Mandate. In the meantime, attention was shifted to Geneva where the Twenty-First Biennial World Zionist Congress was opened on August 16.

The Congress met under the threatening clouds of war, a circumstance which influenced both the procedure and the tenor of the addresses and discussions. Because of the emergency situation in Zionism, elections were not held in a number of countries. The labor group was strongly represented as usual, and its coalition with the liberal General Zionists (Group A) still dominated the scene in spite of minor disagreements. The major differences which transcended all group lines ranged about the type of resistance to be undertaken against the British policy. While the Congress went on record as unanimously opposed to any compromise in Palestine at the expense of Jewish rights.

DOOM OF EUROPEAN JEWS IS SEEN IF HITLER WINS

NEW YORK, June 24.—(AP)—Dr. Nahum Goldmann, administrative committee chairman of the World Jewish Congress, said today that if the Nazis should achieve final victory "6,000,000 Jews in Europe are doomed to destruction."

"Their only hope for future existence lies in the ability of Great Britain to resist the Nazi conquest," declared Dr. Goldmann, who arrived here Friday from Geneva.

He issued a statement calling upon United States Jewry to take leadership in mobilizing Jews in North and South America for an organized defense program.

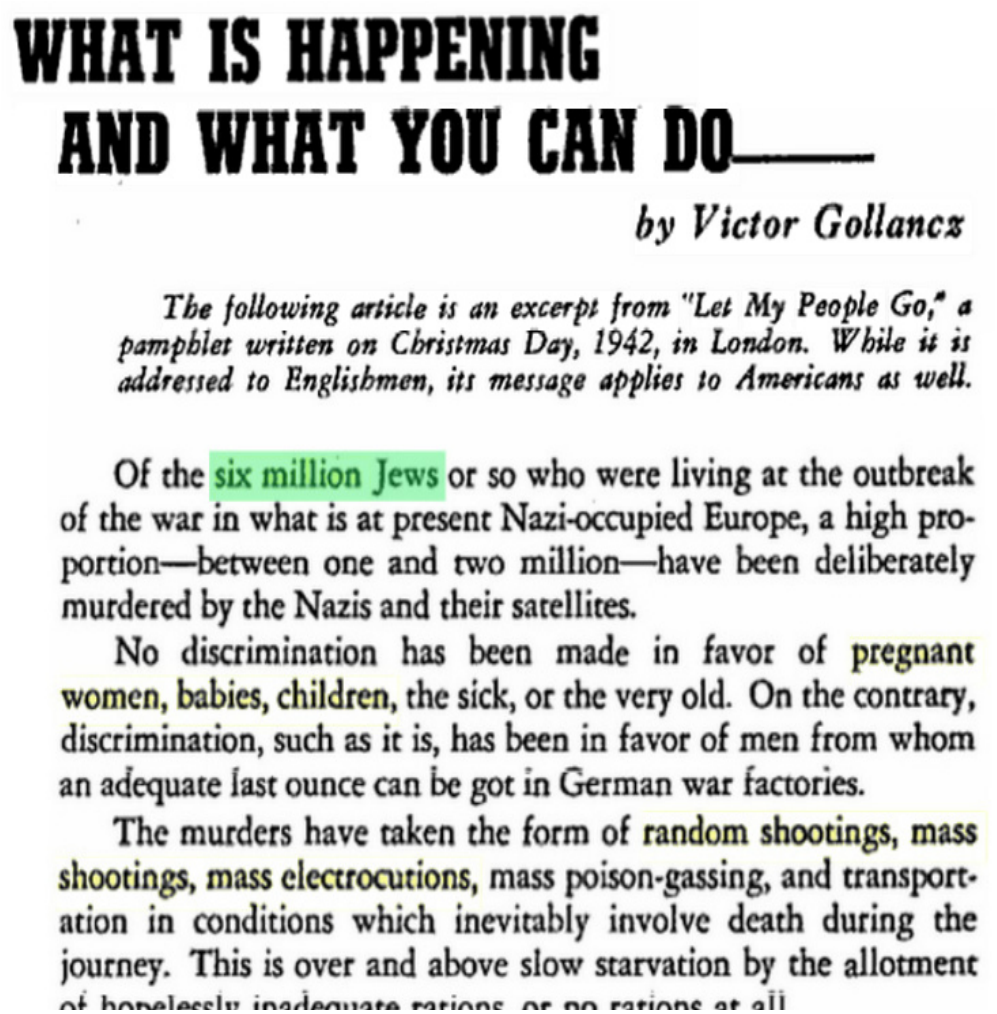
British Jew, Victor Gollancz, predicts 6,000,000 Jewish deaths



WHAT IS HAPPENING AND WHAT YOU CAN DO——

by Victor Gollancz

The following article is an excerpt from "Let My People Go," a pamphlet written on Christmas Day, 1942, in London. While it is addressed to Englishmen, its message applies to Americans as well.

Of the six million Jews or so who were living at the outbreak of the war in what is at present Nazi-occupied Europe, a high proportion—between one and two million—have been deliberately murdered by the Nazis and their satellites.

No discrimination has been made in favor of pregnant women, babies, children, the sick, or the very old. On the contrary, discrimination, such as it is, has been in favor of men from whom an adequate last ounce can be got in German war factories.

The murders have taken the form of random shootings, mass shootings, mass electrocutions, mass poison-gassing, and transportation in conditions which inevitably involve death during the journey. This is over and above slow starvation by the allotment of hopelessly inadequate rations, or no rations at all.

of hopelessly inadequate rations, or no rations at all.

This treatment has been carried out with the greatest conceivable inhumanity, and has involved the maximum of hopelessness and despair. In particular, helpless children have had to face the fear of a torturing death without the strengthening sympathy of

In particular, helpless children have had to face the fear of a torturing death without the strengthening sympathy of their parents, and their parents have had to know that they were doing so. All this is part, not of war, but of a quite deliberate policy, openly proclaimed, of exterminating the Jewish population of Europe.

This policy, which has been pursued since the outbreak of the war, has been greatly speeded up during the last few months. It is now reaching its climax. *Unless something effective is done,* within a very few months these six million Jews will all be dead, except the fifty thousand or so in the countries at present neutral, and perhaps a few tens of thousands whom Hitler may find it convenient to work to the last ounce of their strength in his own war

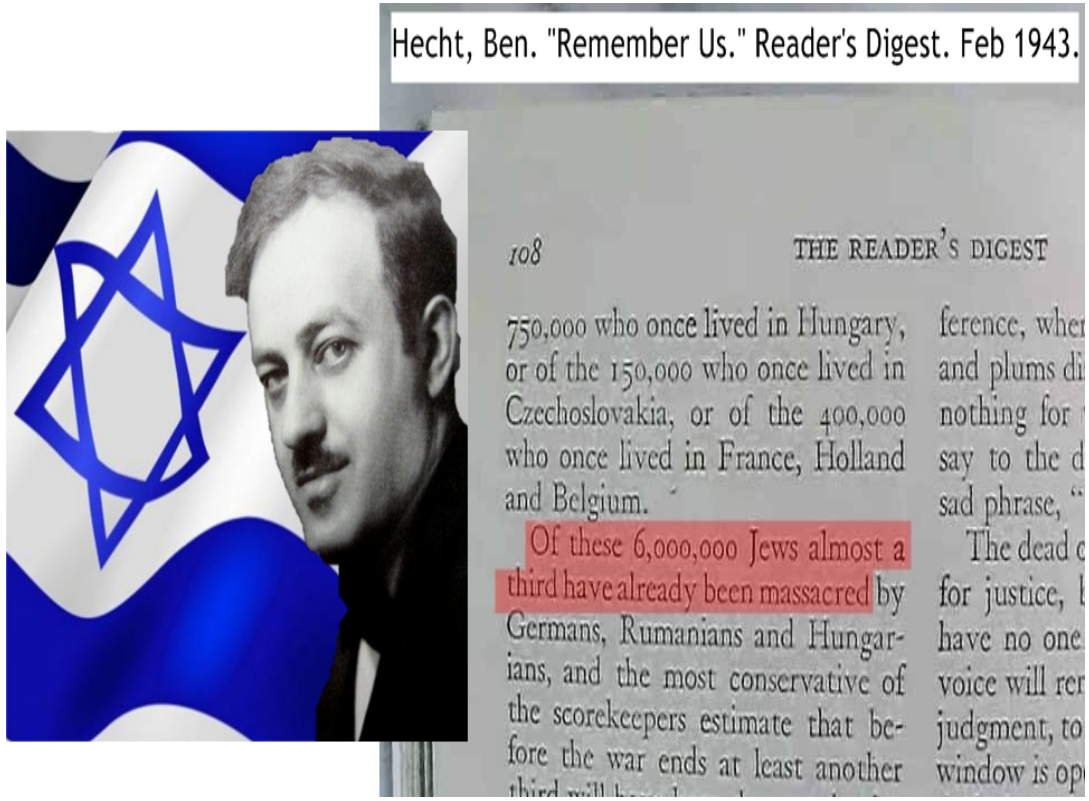
the moral sense of civilized men and made them callous to human misery. Perhaps the roar of gigantic battles had drowned out the sound of helpless voices behind the ghetto walls. But whatever the reason, the fact remains that the Jewish tragedy in Europe was passed over as just another "episode" in a global war.

Suddenly, during the summer of 1942, world public opinion was shocked out of its lethargy by the realization that the Nazis had decreed the complete extinction of six million Jews and that a third of the victims had already perished. The response to this deliberate savagery was a mighty outcry of protest, indignation and mourning on the part of Jews and non-Jews, governments and social agencies, churches and the press in all free countries. Eleven United Nations, among them the United States, Great Britain and Soviet Russia condemned "in the strongest possible terms the bestial policy of cold-blooded extermination."

In countries throughout the world Jews observed a day of mourning by fasting and praying. Heads of the Christian religion, both Catholic and Protestant, appealed to world conscience to rise in sympathy with the martyred Jews. Labor in many countries halted work, and decent people everywhere, in one way or another, called for retribution, justice and restoration of Jewish rights after victory. This demonstration of human sympathy in the midst of a global war was an act of striking historic significance.

Zionist propaganda build up nearing the end of the war.

Ben Hecht, a Hollywood screenwriter and Zionist Jew, floats out the "Six Million" lie in Reader's Digest Magazine. He would later go on to support the Zionist terrorist group Irgun in Palestine *"by writing propaganda and fund-raising."*



During the Nazi offensive on the eastern front, German soldiers discover the mass graves of some of the 22,000 Polish military officers and intelligentsia who were murdered and then buried in mass graves in the Katyn Forest by the Soviets in 1940. The insidious Allies knew their "gallant Soviet ally" was a mass murderer but kept quiet about it. When it could no longer be kept hidden from the public they then tried to blame the atrocity on the Germans!

Six Million Jews Listed Slaughtered

Russians to Detail Massacres by Nazis

MOSCOW, Nov 28 (UP)—A five-volume "black book" containing a documentary record of the German massacre of approximately six million European Jews was being prepared today by the State publishing house.

The first volume has been completed and will be distributed before Jan. 1.

The work was under the general editorship of Ilya Ehrenbourg and the editorial board included Poet-Playwright Konstantin Simonov Writer Vsevold Ivanov and Poetess Vera Imber.

Four Categories

The "black book" will contain four categories: German decrees and orders of the day; eye-witness accounts of survivors of murder camps; diaries and letters of the victims, and accounts by non-Jews who aided in the escape of certain prisoners.

The "black book" will show that systematic annihilation of the Jews began in 1939 and was carried out in eight principal places with death methods including gas chamber asphyxiation, electrocution, firing squads, bacterial inoculation and with carbon monoxide chambers.

Catholics Also Killed

One of the largest camps was operated near Warsaw where a majority of Polish Jews and many Polish Catholics were killed, the black book editors said.

Of Poland's pre-war Jewish population of 3,100,000, about 250,000 were known to be in Russia. All of the others, who had been under German rule, were killed with the exception of 8000 escapees, the editors estimated.

Among letters left behind by victims was from a woman and a girl addressed to their husband and father, "M. Wishner, 196 Central Ave., Orange, N. J."

"They're coming to murder us," the wife wrote. "The only thing you can do is to avenge us."

Moscow, Nov. 27.—A five-volume "black book" containing a documentary record of the German massacre of approximately 6,000,000 European Jews is being prepared by the state publishing house.

The first volume has been completed and will be distributed before Jan. 1.

The work was under the general editorship of Ilya Ehrenborg and the editorial board included poet-playwright Konstantin Simonov, writer Vsevold Ivanov, and poetess Vera Imber.

To Contain Four Categories

The "black book" will contain four categories: German decrees and orders of the day; eyewitness accounts of survivors of murder camps; diaries and letters of the victims; and accounts by non-Jews who aided in the escape of certain prisoners.

Data available to the editors indicated that between 5,000,000 and 6,000,000 Russian, Polish, and western Europe Jews were killed and an additional half million Jews face probable death in Hungary now.

The "black book" will show that systematic annahilation of the Jews began in 1939 and was carried out in eight principal places with death methods including gas chamber asphyxiation, electrocution, firing squads, bacterial inoculation, and with carbon moxide chambers.

One of the largest camps was operated near Warsaw where a majority of Polish Jews and many polish Catholics were killed, the black book editors said.

Of Poland's prewar Jewish population of 3,100,000, about 250,000 were known to be in Russia. All of the others, who had been under German rule, were killed with the exception of 8,000 escapees, the editors estimated.

In many of the reoccupied areas, the Russians found intact records listing the names and origin of victims along with identification certificates, passports, and photographs.

Among letters left behind by victims, this correspondent saw one from a woman and a girl addressed to their husband and father, "M. Washner, 196 Central Ave., Orange, N. J."

"They're coming to murder us," the wife wrote. "The only thing you can do is to avenge us."

JEWISH RALLY URGES GAS ATTACKS ON NAZIS

Immediate action for the rescue of the surviving Jews in Europe, including the use of poison gas against Germany, was demanded at a "rebirth of a nation" rally in Town Hall last night under the auspices of the American League for a Free Palestine.

Peter H. Bergson, chairman of the Hebrew Committee of National Liberation, which seeks recognition of a Jewish nation as an ally of the United Nations, with representation on the various Allied councils, was the principal speaker.

Referring to repeated warnings by Prime Minister Winston Churchill and President Roosevelt that poison gas will be used against Germany if the Nazis use it against any member of the United Nations, Mr. Bergson pointed out that a million Jews had been reported killed by poison gas in Nazi concentration camps.

"Since poison gas has been used against the co-belligerent Hebrew nation, we of the Hebrew Committee of National Liberation publicly demand of the American and British Governments that unless this practice ceases poison gas be used against Germany," he declared.

6,000,000 JEWS DEAD

Jacob Lestchinsky Estimates Reduction in Europe Since '39

The Jewish population in Europe has been reduced from 9,500,000 in 1939 to 3,500,000, it was estimated yesterday by Jacob Lestchinsky, exiled economist and newspaper man, in an address at the nineteenth annual conference of the Yiddish Scientific Institute. Mr. Lestchinsky, who is research secretary of the institute, spoke at

the closing sessions of a three-day conference at the Hotel Park Central and attended by delegates from Jewish educational and cultural groups.

"Of the 6,000,000 European Jews who have died, 5,000,000 had lived in the countries under Hitler's occupation," he said.

Other speakers included Dr. Harry M. Orlinsky, Professor of Bible at the Jewish Institute of Religion; Prof. Abraham Heschel of Hebrew Union College, Cincinnati, and Joseph Opatoshu, vice president of the institute's executive board.

Ilya Ehrenburg, a notorious Jewish Propagandist in the USSR who agitated for genocide against Germans and incited the mass rape of German women by the Red Army, prematurely proclaimed that "the world now knows that Germany has killed Six Million Jews" before anyone could have known that was the number.

An article published in March 15, 1945 in the English-language London weekly, Soviet War News

ILYA EHRENBURG, back from a two-weeks visit to Germany, sums up his impressions

The world now knows that Germany

Picture by M. Mikhailov, radioed to "Soviet War News Weekly"

Wolves they were—

I HAVE spent two weeks in Germany—terror-stricken, flaming, smoking Germany, where hogs wander in and out of deserted town halls, and the wind ruffles the tatters of municipal banners emblazoned with eagles, lions and stags.

We might gloat and say: *It serves them right*—if malice were not beneath us. For us, this is the triumph of justice.

Many, when they talked of retribution, thought only of the clauses of some future treaty. One thing is certain. Fascist obscurantism will find its defenders, jealous champions of "equilibrium"—equilibrium between light and darkness.

This May Teach Them

But whatever our ideas of the future peace may be, one thing is clear—retribution has begun. Germany has come to learn what war means. And who knows? —perhaps these weeks and months of war on German soil will make a far deeper impression on German memories than any treaty stipulations.

To-day they even salute our horses. World conquest? Why, the notion never entered their heads! I was present at the interrogation of Colonel Heilsgerik. At first he kept reiterating: "Germany is invincible." Then, as if some spring had run down, he protested in an entirely different voice: "How can you call me a Nazi? Why, I was married to a Jewess!"

Yes, they are trying to get rid of their past. "I am a Frenchman"—"I have non-Aryan blood in me"—"My mother was a Dutchwoman."

The girls gaze at the passing Red Army men ingratiatingly, lecherously, as if they were cabaret waitresses instead of burghers' daughters.

Splitting on the Butcher

The Germans know all the orders of our military commandants by heart. "On the instructions of Herr Russian Commandant," they say piously.

They inform against one another: "The local butcher is an active Nazi"—"Herr Mueller used to beat Russian girls"—"Willy the stablemen killed a Polish woman"—"Frau Schmidt received the thanks of the gauleiter himself."

They all try to prove their innocence. One brought a certificate to show that eleven years ago the Hitlerites jailed him for a month. Another produced a testimonial signed by his ex-slave, a Belgian war prisoner. A third dug up a membership card of the social democratic verein, dated 1928.

A woman in trousers climbs up the front of a building to remove a swastika sign. No one ordered her to do it. She history. But don't ask her how she treated Galya, her Russian maidservant. The German advances the hands of his watch two hours—"It is now exactly twelve minutes past three, Moscow time," he beams. He is prepared to fite by Vladivostok time, so long as he isn't asked about the four Frenchmen who worked for him.

"I am a doctor, and therefore a humanist, whereas the Nazis are fiends," says a venerable physician, while the vicar-general rubs his hands and murmurs: "The Catholic Church always condemned Hitler. Of course, I couldn't condemn him openly, still, I condemned him in my own heart. But as for the Evangelicals—"

The Lutheran pastor, for his part, vows: "We also condemned the ungodly regime."

An Elbing engineer declares: "As a man of progressive views, I am against Hitler." Then, with a crafty smile: "And I'm quite willing to work for Russians."

A worker exclaims indignantly: "No one dare call me a Nazi. My father was a social democrat. I myself once voted communist. Of course, I couldn't speak against the regime, because that was strictly *verboten*. But now I'm prepared to come out against Hitler."

They Will Do It Again, If—

Oh, they look like innocent lambs now. But wolves they were and wolves they remain. They are throwing away their daggers engraved "All for Germany" and "Blood and vengeance." But what will they be up to a month hence?

The German can't fight on his own initiative. He waits for orders. Among these scared, confused crowds there are people who have been instructed to engineer sabotage and "putsches." For the present they are lying low. Their countrymen are too terrified for the moment. They need breathing space.

And if they are allowed a breathing space, if they are not taken in hand, if a watch is not kept on them, if an X-ray is not turned on every one of them, then even the meekest of them, those who are now crying "Red front!" and trampling on pictures of the fuehrer will be raving about "Greater Germany" again, and will be taking to rottenfuehrer.

I have not met genuine remorse in a single German—only fear and presence.

If there are any creatures at all to be pitied on the roads of Germany, it is only the tiny bewildered children, the crazed, unmilked cows, and the abandoned cats and dogs. These alone had no share in Germany's atrocities. All honour to the Soviet soldier who does not believe in the magic of blood, to whom an infant is an infant.

We are not fighting children and old women—we are not Fascists. We have come to Germany not to vent our feelings, but to eradicate the very memory of the vampire state.

The homes of the burghers are sumptuously furnished with portraits of Hitler and green goblets for Rhenish wines. The beer halls have special tables marked with flags "for regular clients."

The Germans have always been in the habit of spending the greater part of their incomes on their homes. Even in peacetime they did not waste much on amusements. They dressed modestly. But they filled their homes with sofas and armchairs, vases and cushions, statuettes and "souvenirs."

During the war they have accumulated all sorts of knickknacks from Paris and Rotterdam, Florence and Warsaw and Kiev. Their homes are regular bric-a-brac stores. I heard a Red Army man joke, looking into a typical front parlour: "One could live all right in a den like that!"

But no. It was not enough for them. Greed drove them towards the Urals and Iraq. In small, provincial Rastenburg not only the waiter, but even workers' families had their Russian servant. After all, there was no need to pay her anything.

The German agricultural labourers reverenced the Prussian land-owners and dreamed of farms like the Divine. For had not Erich Koch promised every Prussian a handsome allotment of Russian land? German workers believed that if their bosses seized Russian manganese and French bauxite, a share of the spoil would fall to them.

Here in Germany the corrupting influence of Fascism is plainly evident, and it is not easy to draw the line between the dupers and the duped. The saddlemaker has in his linen closet fourteen bed sheets—twelve German and two Ukrainian. The last are a "present from his son." What did he need with these two Ukrainian sheets?

Read the mottoes on his walls: "Orderliness is your richest possession"—"The day for useful work, the night for pleasant sleep"—and "A little extra never comes amiss!"

The two stolen sheets didn't come amiss to the German saddlemaker. But in the end he lost his son on the Dniester, and he also lost his workshop, his bed and his twelve German sheets.

"We Are Innocent"

They can put their watches forward, they can pull down the "Hitlerstrasse" Street signs, but the damning evidence remains at every turn, and cannot be destroyed.

A French army doctor, freed by the Red Army, said to me: "Of course, the Germans behaved brutally to us, too. But we lived like gods compared with the Russians. We tried to share our food with them, but the Germans sent us to help Bolsheviks you are betraying the idea of the new Europe.'"

No. Germany cannot obliterate her crimes by putting the clock forward.

The world now knows that Germany has killed six million Jews. Do they think it is enough for them to take down the street signs, for their atrocities to be forgotten? They swear: "We knew nothing about it. We are innocent." But the evidence is there. They ran away from us in such a hurry that they discarded not only their city banners, not only their official seals and police records, but even their personal papers.

In Germany, side by side with prosperity, everywhere we find intellectual degradation. Every home has its collection of books, splendidly bound copies of "Mein Kampf," "The March into Poland," "Race Hygiene," "The Jewish Plague," "Russian sub-men," "Our Faithful Prussia." What intellectual poverty! However, these books weren't often opened, by the look of them. They were part of the furniture, like the vases and the porcelain cats.

Kindergarten Songs

I looked in vain in Loetzen, Rastenburg and Tapiau for a public library. There wasn't such a thing. I found only one museum—in Bartenstein. What did it contain? Portraits of Hindenburg and the epaulettes of an officer of the tsarist army, labelled: "Victory at Tannenberg."

The other exhibits were the uniform of a Polish officer and a photograph of the ruins of Warsaw, the skeleton of an ape, not less than a hundred portraits of Hitler, a beer-mug of the time of Bismarck, and a photograph of a benefactress of the town. That was the sum total of the "museum."

Loetzen has a splendid school building. I found in one of the desks a song-book intended for juvenile super-men, containing the words and music of "Merrily fall the bombs on England," "Let Jewish blood flow," and "Let the Bolsheviks writhe at the sound of our drums." On the classroom wall was an immense portrait of Hitler with a little swivelled of five or six standing in front of him, holding a toy gun.

Allied Prisoners' View

One could not live in such a den! Culture is not measured by vacuum cleaners or mincing machines. We see the revolting face of Germany, and we are proud to have set the lair of the beast topsy-turvy.

I have spent many hours in cordial conversation with men freed by the Red Army—Frenchmen and Poles, Englishmen and Czechs, Belgians and Serbs, Netherlanders and Greeks, Americans and Australians. Some are loquacious, others taciturn, some are dark, some fair, some are grim, others jovial. But I have not met among them a single defender of the Germans.

The people who have been through the German prison camps know Germany well. The people who have been liberated by the Red Army know what Soviet Russia means. These people from a dozen countries, journeying from captivity, yearn not for any dubious "equilibrium"

Jewish Communist devil, Ilya Ehrenburg, prematurely announces 6,000,000 Jews killed, thus exposing himself as a fraud and the holocaust as a premeditated hoax.

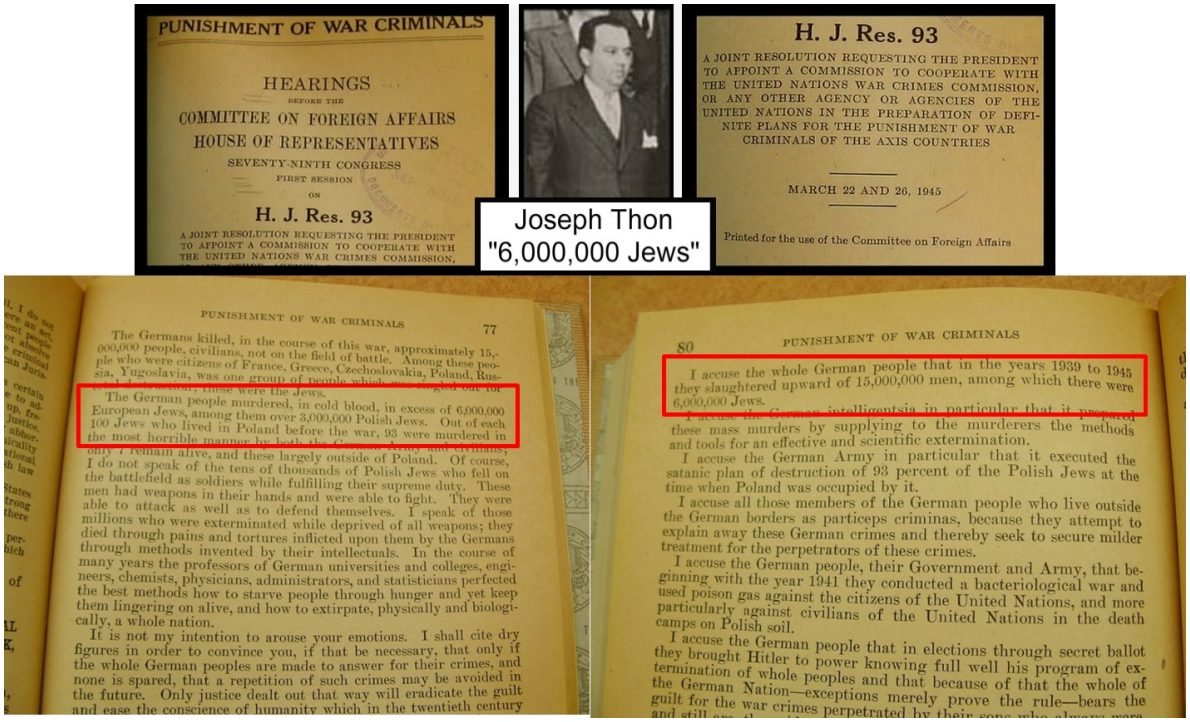
Ehrenburg, along with another Communist Jew propagandist Vasily Grossman, are considered by many revisionists to be the brains behind the Holocaust Hoax. Together they penned "The Black Book," a work of pure fiction inundated with unconscionable anti-German hate propaganda horror stories that are physically impossible, and have since been thoroughly discredited.

Communist Jew demons, Ilya Ehrenburg and Vassily Grossman

At a March 1945 Congressional Hearing, Joseph Thon, representing The National Organization of Polish Jews in America, stated to the committee:

"The German people murdered, in cold blood, in excess of 6,000,000 European Jews …

I accuse the whole German people that in the years 1939 to 1945 they slaughtered upward of 15,000,000 men, among which there were 6,000,000 Jews."



Zionist liar, Joseph Thon, let slip the "6,000,000 Jews have died" hoax a bit too early. These Jews just can't help themselves can they?

More newspaper clippings from 1945 telling us exactly 6,000,000 Jews had been killed, before any official body count could have been accurately ascertained.

PALESTINIAN JEWS' PROTEST

ORDERLY MEETINGS

TEL AVIV, Oct. 8.—Fifty thousand Jews in this, the biggest purely Jewish city in the world, to-day marched to protest in advance against British policy on immigration, and stood in silence for two minutes in memory of the 6,000,000 murdered Jews of Europe.

Shops were shuttered, and police and troops stood by. There was no disorder, and at 7 p.m. the demonstration had peacefully ended, with cafés and cinemas open again.—*Reuter.*

HAIFA, Oct. 8.—An orderly crowd of 20,000 marched in procession without incident in the Jewish quarter here to-day in protest against British policy in Palestine.—*Reuter.*

JERUSALEM, Oct. 8.—Complete discipline marked the Jewish mass meeting held this afternoon in Jerusalem. No police could be seen, but armoured cars and patrols were kept in the background as a precaution.—*Reuter.*

CAIRO, Oct. 8.—"The seriousness of the Palestine problem cannot be exaggerated," commented Sir Muhammad Zafrulla Khan, the Indian Muslim leader, on his return to Cairo to-night after a week's tour of Palestine to study the situation. "Both parties seem to have taken up the most rigid attitudes from which they are afraid to make the slightest departure as this might be construed as a weakness," he said. "To regard the situation with over-simplicity would be really dangerous."—*Reuter.*

RETURN OF JEWS TO PALESTINE

IMMEDIATE DECISION URGED

ZIONIST APPEAL

The following political declaration was adopted by the World Zionist Conference yesterday:—

The conference notes with deep regret and resentment that the White Paper of 1939 is, even after the termination of the war, still in force. The White Paper constituted a repudiation of the international pledge undertaken towards the Jewish people; it violated the natural and historic right of the Jews acknowledged in the mandate to return to their homeland; it confined their freedom of settlement within a small fraction of the country; it condemned the Jews to remain in Palestine, as in all countries of their dispersion, a permanent minority; it denied to the Jews the right enjoyed by every nation to be free and independent in its country.

But for the White Paper hundreds of thousands who perished in Europe could have been saved in time by being admitted to Palestine. Children for whom the Jewish Agency sought in vain to obtain immigration permits on the outbreak of war, an application which was refused on account of the White Paper, were subsequently burnt in the death furnaces of Maidanek and other extermination centres.

MORTAL BLOW

The White Paper was issued without the approval of the League of Nations, and without consultation with the Government of the United States. The only organ of the League of Nations to which the White Paper was referred, the Permanent Mandates Commission, declared it to be incompatible with the provisions of the mandate. Mr. Winston Churchill stated at the time in the House of Commons that the White Paper contained "a plain breach of a solemn obligation" and that it was a mortal blow to the Jewish people. Speaking for the Labour Party, Mr. Herbert Morrison declared that the White Paper "would not be automatically binding" upon a Labour Government whenever it were formed.

A concession to Arab terrorism which raged in Palestine from 1936 onwards with the support of Hitler and Mussolini, the White Paper was designed to gain Arab support in the event of a war with the Axis. But it failed to achieve even that practical objective, as witness the open alliance with Hitler of Rashid Ali of Baghdad and of the then Mufti of Jerusalem.

The Jews of Palestine were the only national entity in the Middle East which mobilized its whole potential for the support of Great Britain and her allies. The war effort of the Jews of Palestine, military and economic, was unique in the Middle East. The Jewish Brigade Group took a gallant part in the final defeat of the enemy on the Italian front.

FREEDOM FROM FEAR

Only some 60,000 Jews managed to escape from Europe to Palestine during the war. A hundred times as many—some 6,000,000 men, women, and children—were put to death by the Nazis and their satellites. What happened to our people in Europe did not and could not happen to any people in the world which has a country and a State of its own. The vast majority of the Jewish people throughout the world feel that they have no chance of "freedom from fear" unless the status of the Jews, as individuals and as a nation, has been made equal to that of all normal peoples and the Jewish State of Palestine has been established.

The return of Jews to Palestine and their settlement in it has not proceeded, and will not proceed, at the expense of others. The Arabs and other inhabitants of Palestine will continue to benefit, not less than in the past, from the increasing economic opportunities. In addition to full equality of rights they will enjoy every freedom in organizing autonomously their religious, cultural, and social affairs. Jewish immigration and settlement will continue to be based, as hitherto, on the development of resources untapped by others. The Arab States, with their underpopulated and underdeveloped territories, will find in the Jewish State a faithful ally; it will contribute to the best of its ability to the progress of its neighbours.

The conference endorses the declaration of the Jewish Agency for Palestine, communicated at the time to H.M. Government that the White Paper is devoid of any moral and legal validity. Now that the war has ended, the Jews cannot possibly acquiesce in the continuation of the White Paper under any circumstances whatsoever, whether in its present, or in any modified form. There can be no solution to the inexorable twin problems of the Jewish people and Palestine, except by constituting Palestine, undivided and undiminished, as a Jewish State, in accordance with the purpose of the Balfour Declaration.

The Times (London) Oct 9, 1945

TO THE EDITOR OF THE TIMES

Sir,—The letter which you publish this morning from Mr. Izzat Tannous mentions one aspect of the Palestine question, the mandatory system, and letters dealing with other aspects have recently appeared in the columns of your paper. But while the pros and cons of the various solutions propounded are being weighed from the standpoints of equity and expediency, politics and strategy, the desperate plight of the Jewish survivors in Europe and the crucial urgency of their rehabilitation—subjects to which Miss Eleanor Rathbone drew special attention—are liable to be overlooked. Yet these are matters of primary and grave responsibility.

During the war, six million Jews were put to death in Europe. This was the heaviest toll of life that any people has suffered, equivalent proportionately to the extermination of thirty-three millions of the people of this country. They were slaughtered far behind the enemy lines. No way was found of rescuing them from the jaws of death because we ourselves were engaged in a life and death struggle. But on the eve of the war we adopted, and throughout its course maintained, an extremely restrictive policy of immigration into Palestine, which paralysed capacity to rescue while rescue was still possible. It is thus unfortunately true that had the doors of Palestine remained open, tens—if not hundreds—of thousands of those asphyxiated and burned wholesale, including very many children, might have been alive to-day.

Does not this terrible catastrophe impose on us a supreme obligation towards the survi- the sufferings of the people of Europe, both defeated and liberated. But all these people entrenched in the physical possession of their countries, have a secure future, however torturous and hard the road towards it. Not so the Jews. Is it fair to expect them to rebuild their shattered lives among the tombstones of their fellows? Uprooted and homeless, when in liberated or conquered Europe are they to feel secure? Is it not doubly incumbent on us to spare to ourselves and Jewry alike the ignominy of further suffering and death among the liberated Jews of Europe, if these can be avoided, by swift action? There is this further practical consideration, that already the number of refugees and displaced persons in Europe is proving an almost insoluble problem. The removal of 100,000 Jews would do something to ease the situation.

The Jewish Agency for Palestine has, I think quite justifiably, urged that Palestine be constituted a Jewish commonwealth. At the same time the Jewish Agency has asked that 100,000 immigration permits be immediately authorized to enable it to meet without further delay the most pressing needs. Cannot this request be satisfied as an urgent interim measure? Or is it really thought conceivable that the policy of 1939, to which we resorted in a moment of weakness, and which even at the time was condemned by the leaders of the present Government and by the leader of the Opposition, should be suffered to impede the salvation of the war's worst sufferers, now that victory is ours?

Yours faithfully,

HORDER.

Nazis Destroy Six Million Jews

Only 500,000 Left Alive in Germany

Read an editorial, "Truth in a Picture," on Pg. 2, Sec. 2.

By PAUL GHALI

Copyright, 1945, by The Pittsburgh Press and The Chicago Daily News, Inc.

BERN, May 12 — At least one point in Adolf Hitler's "Mein Kampf" program has been carried out thoroughly — the bestial extermination of European Jews.

Of the eight million Jews living in Germany and German occupied countries before the war, 6,200,000 have died from either execution, cruel treatment or starvation, according to latest figures compiled by Jewish welfare organizations here.

500,000 Left in Reich

In Germany, where the great majority of European Jews had been

concentrated, only 500,000 are alive today—and the word "alive" is a mere figure of speech. Now that the story of their suffering can be told without harming the survivors, it may be pointed out that the martyrdom of Europe's Jews ran through three phases.

The first was the period of "extermination" proper from the time of the declaration of war on Russia until the end of 1942. Millions of Jews were taken to the camps at Auschwitz, Maidenek and Treblinka which boasted the most modern gas execution chambers and crematories for bodies. The SS hordes invading Russia were instructed to shoot all Russian Jews wherever they were encountered.

The Weak Disappear

By the end of 1942, however, Germany felt the need for foreign labor and the remaining able-bodied Jews were sent to work camps. The women, old men and children all disappeared into the gas chambers.

The slavery of the able-bodied and the execution of the frail continued until the beginning of 1944, by which time the Nazis had reached the saturation point of their cruelty. More than five million Jews had been liquidated and the remaining ones were no longer regarded as a "problem," as Hitler saw it.

In addition were the transport difficulties making human ship-

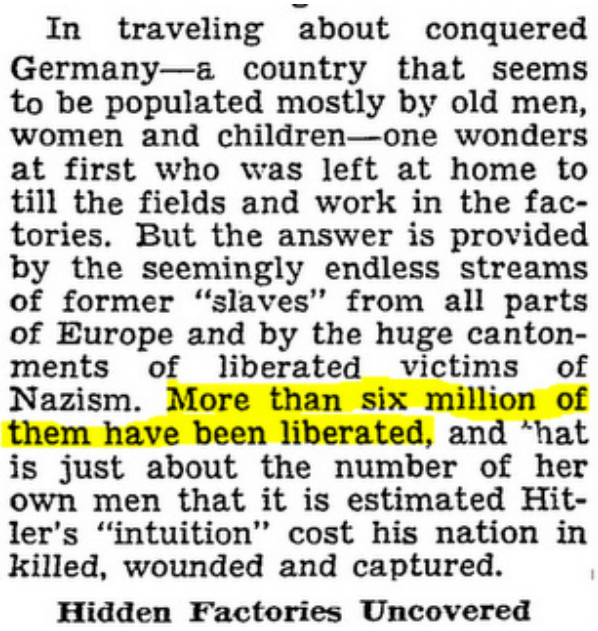
In May of 1945 the New York Times reported that “more than 6,000,000 people” had been “liberated” from Nazi concentration camps.



In traveling about conquered Germany—a country that seems to be populated mostly by old men, women and children—one wonders at first who was left at home to till the fields and work in the factories. But the answer is provided by the seemingly endless streams of former "slaves" from all parts of Europe and by the huge cantonments of liberated victims of Nazism. More than six million of them have been liberated, and that is just about the number of her own men that it is estimated Hitler's "intuition" cost his nation in killed, wounded and captured.

Hidden Factories Uncovered

The New York Times reports 6,000,000 had been liberated, not killed. OOPS!

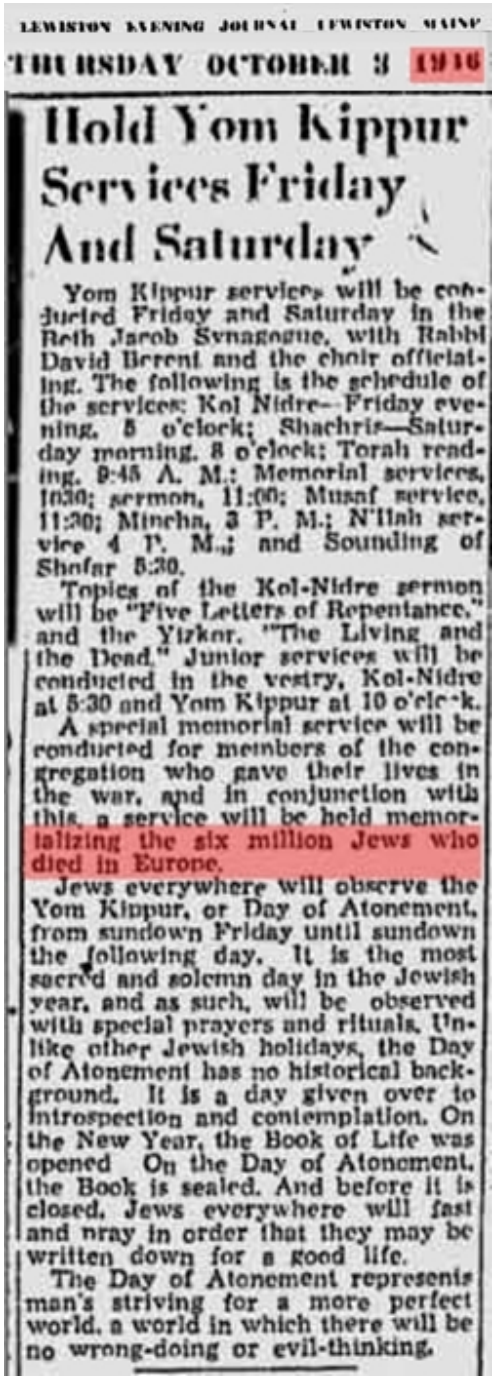
A year after the war Jews are already spouting the "six million" myth as fact.



LEWISTON EVENING JOURNAL LEWISTON MAINE

THURSDAY OCTOBER 3 1946

Hold Yom Kippur Services Friday And Saturday

Yom Kippur services will be conducted Friday and Saturday in the Beth Jacob Synagogue, with Rabbi David Berent and the choir officiating. The following is the schedule of the services: Kol Nidre—Friday evening, 5 o'clock; Shachris—Saturday morning, 8 o'clock; Torah reading, 9:45 A. M.; Memorial services, 10:30; sermon, 11:00; Musaf service, 11:30; Mincha, 3 P. M.; N'ilah service 4 P. M.; and Sounding of Shofar 5:30.

Topics of the Kol-Nidre sermon will be "Five Letters of Repentance," and the Yizkor, "The Living and the Dead." Junior services will be conducted in the vestry, Kol-Nidre at 5:30 and Yom Kippur at 10 o'clock.

A special memorial service will be conducted for members of the congregation who gave their lives in the war, and in conjunction with this, a service will be held memorializing the six million Jews who died in Europe.

Jews everywhere will observe the Yom Kippur, or Day of Atonement, from sundown Friday until sundown the following day. It is the most sacred and solemn day in the Jewish year, and as such, will be observed with special prayers and rituals. Unlike other Jewish holidays, the Day of Atonement has no historical background. It is a day given over to introspection and contemplation. On the New Year, the Book of Life was opened. On the Day of Atonement, the Book is sealed. And before it is closed, Jews everywhere will fast and pray in order that they may be written down for a good life.

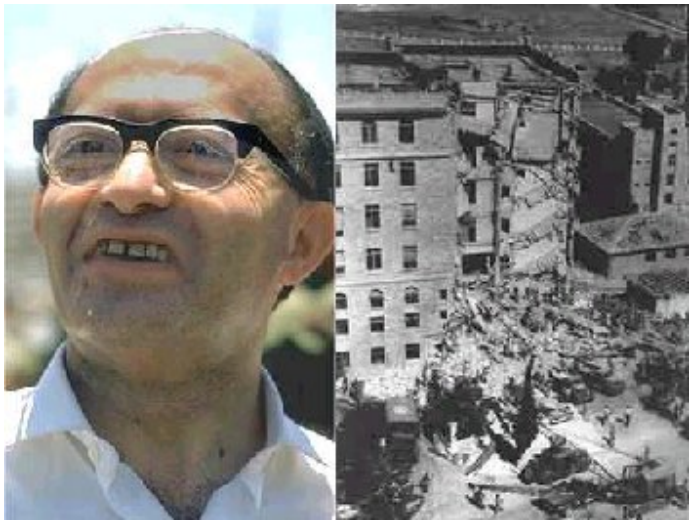
The Day of Atonement represents man's striving for a more perfect world, a world in which there will be no wrong-doing or evil-thinking.

Meanwhile, as the Jews whine about a phony Holocaust in Europe, Zionist terrorist groups wreak havoc in Palestine slaughtering Arab men, women and children, at will, like the massacre

at Deir Yassin.

Inhuman Jewish terror agents of the Irgun ruthlessly slaughtered Arab women and babies, then mutilated their corpses in the Palestinian village of Deir Yassin.

In 1946, Jewish Terror agents from the cutthroat Irgun terrorist network in Palestine, led by the mass murderer Menachem Begin (who would later become the Prime Minister of Israel), blow up the King David Hotel, disguised as Arabs. 91 people are killed, 28 of the victims were British officials. The British were the real target of the bombing as the hotel was the headquarters for the British military command.



Begin the beast; terrorist leader of the Irgun; mastermind of the King David Hotel bombing in 1946 and other atrocities; Prime Minister of Israel. A complete animal.

1947-1949

Over the course of two years Zionist Jews obliterate 419 Arab villages and build Jewish settlements in their place. This process of ethnic cleansing of Palestinians from their own homeland by Jews continues to this very day.

The Zionist colonization and ethnic cleansing of Palestine -- a crime against humanity that goes unpunished and is, in fact, supported by many Western governments.

1963-

The Encyclopedia Britannica prints its 1963 edition, within which it states that 2,000,000 people, mostly Jews, were exterminated by the Nazis in Mauthausen, a concentration camp in Austria. This absurd figure has been officially revised quite a lot. Now it is claimed that only 95,000 people died in Mauthausen, of which only 14,000 were Jews. An exaggeration

of 1,905,000! (more info) This camp is no longer considered by official sources who support the holocaust legend as an “extermination camp,” nor is it still claimed that any camps on German soil were either.

take advantage, at a time when Hitler was most anxious to keep the whole of eastern Europe quiet until his preparations against the U.S.S.R. were complete. The situation was made worse by the total failure of the invasion of Greece and by the rapid retreat of the Italians in North Africa before Sir Archibald Wavell's advance (Dec. 1940). Hitler was obliged to come to the aid of his axis partner. He sent German reinforcements to North Africa (where Erwin Rommel succeeded in driving the British back in the spring of 1941), and he took steps in readiness for a German invasion of Greece. Hungary and Rumania had already been reduced to the status of German satellites and made no difficulties about the movement of German troops toward the Greek frontiers; nor did Bulgaria, where, after a sharp diplomatic contest with the Russians the Germans proceeded to occupy key positions throughout the country in March. The remaining Balkan country, Yugoslavia, was induced under pressure to accede to the tripartite pact in March 1941, but the Yugoslav government was overthrown by a palace revolution in the name of the young king Peter. Thereupon Hitler ordered drastic measures to make an example of Yugoslavia. In the course of April 1941 German forces invaded both Yugoslavia and Greece, the former operation being accompanied by brutal air attacks on the defenseless city of Belgrade. By the end of the month both countries had been occupied, and in the last half of May German parachute troops completed the Balkan campaign by the capture of Crete.

Invasion of the Soviet Union.—With the occupation of Crete and Rommel's success in driving back the British to the Egyptian frontier, Raeder and others urged that the situation was ripe for

sibilities at an earlier stage.

Hitler had shown an equal blindness to the importance of the Mediterranean theatre of operations. At the close of 1942, the advance of the British 8th army from the east and the joint Anglo-U.S. landings in northwest Africa were driving the German and Italian forces under Rommel into a trap. Hitler now hurriedly made available the reinforcements he had earlier refused, but without being able to halt the Allies' advance; the only result was to increase the size of the forces captured in Tunisia, where more than 250,000 German and Italian troops surrendered in May 1943.

Meanwhile, in the east, ignoring the warnings of his professional advisers, Hitler had embarked on still more ambitious operations for the campaign of 1942, aiming at the occupation of the Caucasus oil fields in the south and a drive to the Volga in the southeast. The invasion of the Caucasus fell short of its objective, while the drive to the Volga turned into a desperate contest for the city of Stalingrad, where Hitler's obstinate refusal to withdraw in time led to the encirclement and capitulation of the German armies under Field Marshal Friedrich von Paulus at the end of Jan. 1943.

The double defeat of Stalingrad and Tunisia represented the turning point of the war. By mid-1943, Hitler had lost the initiative and from that time the German forces everywhere stood on the defensive.

The Nazi Empire.—At the height of his success, Hitler was the master of the greater part of the European continent. German rule in the east was extended to wide areas of the Baltic states,

a decisive blow against the whole British position in the middle east. But Hitler was set upon attacking the U.S.S.R. and insisted that all other operations must be postponed until it had been defeated, a task which he confidently expected to accomplish within six or eight weeks.

The invasion began on June 22, 1941, and in the opening stages of the campaign the German army drove deep into Soviet territory. Despite imposing successes, however, the Germans failed to achieve a decisive victory and by dispersing his forces Hitler left the frontal assault on the Soviet armies defending Moscow until late in the year. At the beginning of Dec. 1941, the onset of the dreaded Russian winter and the unexpected Soviet counter-offensive faced the German high command with a major military crisis. This brought to a head the strained relations between Hitler and the army leaders. Since the reluctance of the high command to undertake offensive operations in the west in the winter of 1939-40, Hitler had become increasingly critical of the generals, and was less and less prepared to listen to their advice. In Dec. 1941 he dismissed Gen. Walther von Brauchitsch, the commander in chief of the German army, and assumed the direct command of the armies in the field himself. The fact that by drastic measures he succeeded in holding the Soviet attacks during the winter greatly increased his confidence in his own military genius. Henceforward he refused to listen to any views, or even information, which ran counter to his own conception of how the war should be conducted.

Germany Declares War on the United States.—The Japanese attack on Pearl Harbor in Dec. 1941 now extended the war to the whole world. Hitler promptly declared war on the United States, whose resources he underestimated as grossly as those of the U.S.S.R. He failed however to grasp the unity of the war or the importance of seapower and in his growing preoccupation with

Byelorussia, the Ukraine and European Russia; Poland (part of which was annexed, the rest organized as the government-general) and the protectorate of Bohemia-Moravia; Serbia and Greece (where the occupation was shared with the Italians); and the nominally independent, satellite states of Slovakia, Croatia, Hungary, Rumania and Bulgaria. In the west, Norway, Denmark, the Netherlands, Belgium and France were all under German occupation, part of France from the summer of 1940 and the whole country from Nov. 1942.

German economic exploitation of these territories was ruthless. The needs of the native population were subordinated to the demands of the German economy, often at the cost of widespread hunger and shortages, while German industrial and business firms as well as officials made the most of the advantages the situation offered. In eastern Europe German policy treated the population not only as conquered peoples, but in accordance with Nazi teaching, as inferior races without rights, fit only to serve as slaves. Those classes of the population which on account of their education or position might be expected to provide leadership, together with the Jews and any who showed signs of resistance, were put to death. At Mauthausen, one of the extermination camps in Austria, close to 2,000,000 people, mostly Jews, were exterminated between 1941 and 1945; at Oswiecim (Auschwitz) in Poland, 2,500,000 were executed in the gas chambers, while another 500,000 died from starvation and disease. Frequent man hunts were carried out to round up labour for deportation to Germany; at the end of 1944, 4,795,000 foreign workers had been recruited in this way, the three largest groups being Russians (1,900,000), Poles (851,000) and French (764,000). Those from the east were treated entirely as slave labour and the conditions under which they lived were often appalling. Hitler's and Himmler's plans for the new order they meant to build in eastern Europe were only

The influential Zionist leader Nahum Goldmann, co-founder and long-time head of the World Jewish Congress, publishes a book about Jews, ***The Jewish Paradox***. In the book Goldmann candidly admits on pages 122 and 123 that years before the end of the second World War two influential co-conspiring Jews conceived the idea of a post-war Nuremberg show-tribunal and “German reparations” to be paid out to the Jews. Goldmann describes how he, and his fellow conniving Zionists at the World Jewish Congress, intended the reparations swindle to finance Jewish settlement in Palestine after the war.

of the situation, Germany was already so powerful that there was no longer anything to be done.

Apart from my encounter with the survivors of the concentration camps after the liberation, I only returned officially to Germany in order to meet Chancellor Adenauer and open negotiations about reparations. These reparations constitute an extraordinary innovation in terms of international law. Until then, when a country lost a war it paid damages to the victor, but it was a matter between states, between governments. Now for the first time a nation was to give reparations either to ordinary individuals or to Israel, which did not legally exist at the time of Hitler's crimes. All the same I must admit that the idea did not come from me.

During the war the WJC had created an Institute of Jewish Affairs in New York (its headquarters are now in London). The directors were two great Lithuanian Jewish jurists, Jacob and Nehemiah Robinson. Thanks to them, the Institute worked out two completely revolutionary ideas: the Nuremberg tribunal and German reparations.

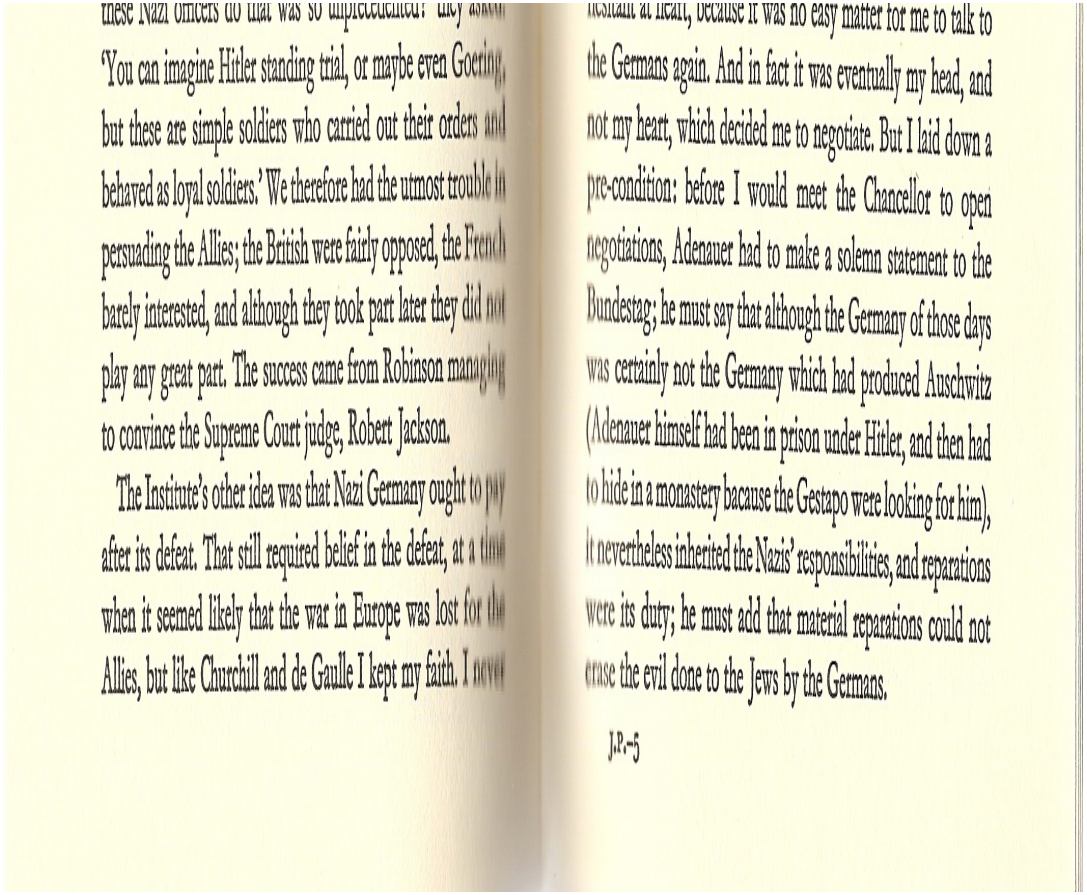
The importance of the tribunal which sat at Nuremberg has not been reckoned at its true worth. According to international law it was in fact impossible to punish soldiers who had been obeying orders. It was Jacob Robinson who had this extravagant, sensational idea. When he began to canvass it among the jurists of the American Supreme Court they took him for a fool. 'What did these Nazi officers do that was so unprecedented?' they asked

doubted for a moment, because I knew that Hitler would never manage to moderate himself and that his excesses would draw the Allies into the conflict. According to the Institute's conclusions, the German reparations would first have to be paid to people who had lost their belongings through the Nazis. Further, if, as we hoped, the Jewish state was created, the Germans would pay compensation to enable the survivors to settle there. The first time this idea was expressed was during the war, in the course of a conference in Baltimore.

Once the Nuremberg trials were over, this reparations problem received further consideration. Several Jewish leaders then attempted to establish relations with Adenauer, but their proposals were often ridiculous. One organization suggested a payment of twenty million Deutschmarks—and at the conclusion of the agreement I obtained, the Germans will have paid out a total of eighty billion!

Our 'contacts' were Walter Hallstein, then an under-secretary of state, and later president of the EEC, and the diplomat Herbert Blankenhorn, director of the political department of the German Foreign Ministry and Adenauer's right-hand man. These two have remained close friends of mine.

During a meeting of the World Jewish Congress in London, a Russian Jew called Noah Barou, a wonderful man and great idealist whose premature death was a severe blow, talked me into taking an active part by first of all meeting Adenauer. I was very hesitant at heart, because it was



these Nazi officers do that was so unprecedented? They asked
'You can imagine Hitler standing trial, or maybe even Goering,
but these are simple soldiers who carried out their orders and
behaved as loyal soldiers.' We therefore had the utmost trouble in
persuading the Allies; the British were fairly opposed, the French
barely interested, and although they took part later they did not
play any great part. The success came from Robinson managing
to convince the Supreme Court judge, Robert Jackson.

The Institute's other idea was that Nazi Germany ought to pay
after its defeat. That still required belief in the defeat, at a time
when it seemed likely that the war in Europe was lost for the
Allies, but like Churchill and de Gaulle I kept my faith. I never

hesitant at heart, because it was no easy matter for me to talk to
the Germans again. And in fact it was eventually my head, and
not my heart, which decided me to negotiate. But I laid down a
pre-condition: before I would meet the Chancellor to open
negotiations, Adenauer had to make a solemn statement to the
Bundestag; he must say that although the Germany of those days
was certainly not the Germany which had produced Auschwitz
(Adenauer himself had been in prison under Hitler, and then had
to hide in a monastery because the Gestapo were looking for him),
it nevertheless inherited the Nazis' responsibilities, and reparations
were its duty; he must add that material reparations could not
erase the evil done to the Jews by the Germans.

The Allied Nuremberg Trial indictment charged the Nazis with murdering 4,000,000 people at Auschwitz. This figure was printed on the plaques displayed to tourists visiting Auschwitz, and the figure was repeated as “fact” by governments, historians, journalists, politicians, and all authority figures, for 45 years. In 1990 it was all exposed as a big lie when the Auschwitz State Museum officially revised the death toll from 4,000,000 down to 1.1 million, of which 960,000 are claimed to be Jews. (source)

the scale of Hitler's "Final Solution". Prof Shevach Weiss, a death camp survivor and Labour member of the Israeli parliament, expressed disbelief at the revised estimates, saying, "It sounds shocking and strange."

But other Israeli experts said evidence to support the lower estimate had been mounting for some time.

Auschwitz, about 30 miles south-west of Krakow, was established in 1940 as a camp for political prisoners. It was later expanded with a huge nearby Birkenau, which included gas chambers and ovens to destroy the bodies.

Dr Franciszek Piper, director of the historical committee of the Auschwitz-Birkenau museum, said yesterday that, according to recent research, at least 1·3 million people were deported to the camp, of whom about 223,000 survived.

The 1·1 million victims included 960,000 Jews, between 70,000 and 75,000 Poles, nearly all of the 23,000 gypsies sent to the camp and 15,000 Soviet prisoners of war. Dr Piper stressed that the fig-

but said the total was unlikely to exceed 1·5 million.

Dr Shmuel Krakowsky, head of research at Israel's Yad Vashem memorial for Jewish victims of the Holocaust, said the new Polish figures were correct. "The four million figure was let slip by Captain Rudolf Hoess, the death camp's Nazi commander. Some have bought it, but it was exaggerated."

Dr Krakowsky accused Poland's former Communist government of perpetuating the false figures in an attempt to minimise the Holocaust and support claims that Auschwitz was not exclusively a Jewish death camp. He said that at most, 300,000 non-Jews perished at Auschwitz.

According Dr Krakowsky, 5,000,000 Jews perished dur-

Auschwitz death toll reduced to a million, yet sacred "Six Million" figure remains unchanged and is still repeated by Jews.

The original plaques were removed and replaced with new ones sporting the "new" fake figure of 1.5 million. That's at least 2.5 million people erased from the official death toll overnight. They can't even make up their mind about what the new figure should be. This should tell you right away that they are just making it up as they go along.

The Nuremberg Trial indictment charged the Nazis with killing 1,500,000 people at Majdanek, a camp in Poland. This ridiculous figure was conjured by Saul Hayes, a Canadian journalist in the pay of a Canadian Zionist organization, the Canadian Jewish Congress. It is now claimed that only 79,000 people died in this camp, officially. An exaggeration of 1,421,000!

Despite substantial reductions in the *official* death toll's of Mauthausen, Auschwitz and Majdanek, the mythical and obviously false "Six Million" figure is never revised and continues to

be peddled by Zionist Jews everywhere. That's because it has religious significance to Jews and fulfills their delusional ancient Torah prophecies. The Holocaust™ is nothing more than a religion to inoculate the "Goyim".

Also in 1990, another Holocaust myth was vanquished; that being the preposterous lie that the Nazis used the skin of Jews to make "lampshades" and their fat to make "human soap." Jewish groups in Israel have confessed that this widespread rumor was a myth.

Human fat wasn't used by Nazis, Israel's Holocaust Museum says

JERUSALEM

Israel's Holocaust Museum, rebutting a common belief, said yesterday that the Nazis never made soap from human fat of murdered Jews during the Second World War.

"Historians have concluded that soap was not made from human fat. When so many people deny the Holocaust ever happened, why give them something to use against the truth?" said Shmuel Krakoski of the Yad Vashem Museum.

Israeli Holocaust historian Yehuda Bauer said there is no evidence Nazi Germany used corpses for soap, although it did use skin for lampshades and hair for mattresses.

He said many Jews believed murdered families had been turned into soap because the Nazis themselves propagated the idea as "a sadistic tool for mental torture."

Holocaust expert rejects charge that Nazis made soap from Jews

By NOSH ORGEL
Jewish Telegraphic Agency

TEL AVIV — Professor Yehuda Bauer, head of the Hebrew University's Holocaust history department and regarded as one of the foremost researchers of the Holocaust, has denied the frequently quoted charge that the Nazis used the bodies of Jewish death camp victims to make soap.

The technical possibilities for transforming human fat into soap were not known at that time, Bauer said Sunday at a Holocaust memorial meeting for Yom Hashoah.

The camp inmates were prepared to believe any horror stories about their persecutors, and the Nazis were content to let them go on believing the reports, he said.

"The Nazis did enough horrible things during the Holocaust. We do not have to go on believing untrue stories," Bauer said.

Unsubstantiated rumors about the use of bodies of British soldiers to make soap had circulated during both World War I and World War II, he said.

Raoul Hilberg, professor of political science at the University of Vermont and a pre-eminent historian of the Holocaust, agrees that the soap rumor, although widespread, was probably unfounded.

"There were all kinds of rumors," he said, noting that a New York Times article during the war suggested that Jews were given lethal injections before deportation and arrived at the extermination camps already dead.

Other rumors speculated that Jews were killed in the Belzec camp by electrocution in vats; some thought that Jews were gassed in flat trains.

"All of these rumors are untrue, based on nothing at all," Hilberg said. "No evidence has turned up" to suggest that the Nazis used human fat to make soap.

In Danzig, Germany (now Gdansk, Poland), pictures of dead, heavyset people cut into pieces and a recipe for soap were discovered in 1945 at the Stutthof camp. "But we don't know that the bodies were of Jews, or that the pictures and recipe went together," said Hilberg.

Moreover, the rumor was being circulated as early as 1942, according to documentary evidence.

"It's fairly reliable that the story was circulated, but I can't say whether or not it is true," said Hilberg.

JTA staff writer Elana Newman in New York contributed to this report.

THE JERUSALEM POST INTERNATIONAL EDITION

Nazis never made human-fat soap

By BILL HUTMAN

Yad Vashem, the Israel Holocaust Memorial Authority, last week upheld the recent statement by Professor Yehuda Bauer, an eminent Holocaust historian, that the Nazis never made soap from human fat.

No documentation exists to back up such allegations against the Nazis, Yad Vashem spokesman Menachem Fogel said. "That is the position Yad Vashem has always held."

Bauer, a professor at the Hebrew University and head of the International Centre for Research on anti-Semitism, said at Wizo House in Tel Aviv, "The Nazis never made soap from Jews because they did not have such technology."

Shmuel Krakoski, archives director at Yad Vashem, explained that the reason many believed, and still believe, that the Nazis made such soap was because during the war the Germans started rumours to that effect.

"What is clear is that soap was made on which the letters RIS were inscribed, and there was propaganda that this soap was made from Jews," said Krakoski. RIS supposedly stood for *Rein Idisha Seif*.

The Nazis did however use the skin and hair of humans to make various products, said Krakoski.

Bauer said that the Nazis carried out many atrocities and there was no need to add false allegations to their already dark record.

Despite this admission, there are still Jews today going around claiming that this actually occurred.

Two Zionist Holocaust promoters, Deborah Lipstadt and Professor Peter Novick, both have stated in their books that Simon Wiesenthal, the infamous “Nazi hunter” and pathological liar, outright invented the “five million non-Jewish deaths” that supposedly happened in the Holocaust as a marketing ploy to garner interest of Non-Jews in the Holocaust religion, also known as “Holocaustianity.”

The revisionists estimate that the combined death toll in all German concentration camps was somewhere between 300,000 to 500,000. Of that amount about half the victims were Jews. Unlike the comical and discredited “6,000,000″, this figure is based on solid documentation, including the reports released by the International Red Cross who inspected the camps, the Auschwitz death registries released to the Soviet archives in 1990 (which recorded only 69,000 deaths in Auschwitz), and other evidence. The main cause of death was the typhus epidemic and starvation.

After decades of careful forensic investigation, scientific analysis, and intense study, scholarly revisionists have allocated the “gas chambers,” “steam chambers,” “electrocution conveyor belts,” “suffocation rooms,” “pedal-driven-brain-bashing-devices,” “Jew bone powder used for construction,” and other absurdities to the realm of science fiction. Abstract (Document Summary)

Resistance to a productive contemplation of the Holocaust is apparent elsewhere in Europe. War-time Poland was a virtual death factory for millions of Jews. Only eyes blinded by anti-Semitism could have failed to notice the fact of so many "missing" neighbors. Yet can one speak of a coming to terms with the Holocaust?

So, it is no surprise that Holocaust revisionist David Irving continues to find audiences in Canada, nor surprising that Holocaust denial figures prominently in the activities for which Ernst Zundel, John Ross Taylor, Jim Keegstra, Donald Andrews and Robert Smith were brought before our country's courts and Malcolm Ross before a human rights tribunal.

The Holocaust stands as Western civilization's greatest failure. It was a natural outcome of centuries of racism and of anti- Semitism. To deny the Holocaust is to deny racism's capacity to undercut our civilization's basic values and to destroy democracy. Achieving our quest of a "new world order" depends on our learning the Holocaust's lessons.

"In Heaven's Name, Arouse the Jews of America!"

This is the cry that comes from the Jews of Europe to the Jews of America

"Make them understand that we are dying! Make them understand that a whole people is dying!

Dying for lack of food!
Dying for lack of medical help!
Dying for lack of shelter!

"Make them understand that hundreds upon hundreds are killing themselves because their suffering and the suffering of their loved ones has made life unbearable.

"Make them understand that millions of Jews are trapped in Europe and there is no hope except the Jews of America help.

"We solemnly declare to the Jews of America that never in the history of the Jewish people, dating back for centuries, was there a situation like this, and never before in the history of the Jewish people was there any emergency as great as this.

"Time and again the Jews of America have saved us from death. And now, from the depths of our despair, we plead with you again to help us quickly or we perish."

Extract from a letter received from one of the leading Jews in Europe to David A. Brown, National Chairman, United Jewish Campaign for $15,000,000.

Jews of New York, you have the opportunity and privilege of saving these, your people, by subscribing as never before during the Campaign about to be conducted.

Every Jew worthy of the name will want to carry his full share of this great responsibility.

Every Jew will want to give answer to the cry that comes from Europe.

"Just Another Drive," But the Lives of 6,000,000 Human Beings Wait Upon the Answer

Just another drive—just another campaign—just another effort to alleviate human misery, to save the lives of men, women and children.

Campaigns are an old story in New York.

But to 6,000,000 men, women and children, HUNGER IS AN OLDER STORY, AND NAKEDNESS, HOMELESSNESS, DISEASE AND DEATH HAVE ALSO CEASED TO BE NOVEL.

At no time during the war, in any land, not even in Belgium or Northern France was there a situation more critical—a need more great—a demand for sacrifice and help more insistent than now comes to us from Eastern and Central Europe.

There is but ONE WAY in which the lives of the people of these lands are to be saved.

There is but ONE PLACE in all the world to which they may look for help.

This is the reason for the NON-SECTARIAN APPEAL to be made in New York next week in behalf of the Sufferers from Famine, Disease and Destitution in the War-Ridden Lands.

If typhus fever and the other innumerable consequences of hundreds of thousands of human beings starving are not checked in time, SOME REVERBERATION OF THIS THUNDEROUS CALAMITY WILL REACH OUR SHORES JUST AS SURELY AS EACH EPIDEMIC OF INFLUENZA IN EUROPE HAS ULTIMATELY FOUND ITS WAY ACROSS THE ATLANTIC OCEAN.

Will YOU GIVE to save a life, or

"Shall Death Be the Highest Bidder?"

We hope you will not wait to be asked to give in person, but will send your check NOW to

Jewish Suffering and Armenia

To the Editor of The Tribune.

Sir: Reading your editorial of the ... "Armenia," in which you rightfully condemn the Turks for the execution of Armenians, I wish to ask you what about Russia?

What the Turks are doing to Armenia is child's play compared to what Russia is doing to six million Jews, her own subjects. This at a time when about half a million Jewish soldiers are fighting for the Czar, many of whom have been decorated, which shows their faithfulness. When the wounded return home, cripples for the rest of their lives, they find their homes gone, wrecked, not by an outside enemy but by the very government they served, their parents killed or exiled, their wives and sisters dishonored, their children starved and wandering.

Such things happened to tens of thousands. Russia is doing it to-day, and yet there is no outcery from the American press. It was not Ambassador to Turkey (by the way, himself a Jew) who protested against these massacres of Armenians. Was there any such protest from the American Ambassador in Petrograd?

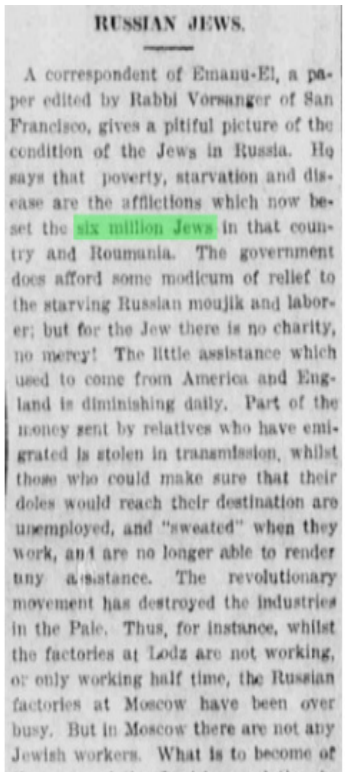
You may blame Germany for what the Turks are doing. Can you also blame England or France for what Russia is doing? You also say that Russia is fighting for civil...

Millions Needed For Jewish Relief Work in Poland

New York Committee Seeks More Funds as Result of Destruction of Towns During the Present War

All the relief work of the joint distribution committee among the Jews of Poland, in which several millions of dollars were expended, has been nullified by the war between the Soviet and Polish armies, according to reports received by Judge Otto A. Rosalsky, chairman of the Greater New York Campaign for Jewish War Sufferers Abroad.

The committee faced the task of raising additional millions of dollars as a result of the war in Poland. Relief work in Warsaw and towns in the fighting zone has been temporarily abandoned. Many of the communities had been virtually restored, but all this reconstruction work has been



RUSSIAN JEWS.

A correspondent of Emanu-El, a paper edited by Rabbi Vorsanger of San Francisco, gives a pitiful picture of the condition of the Jews in Russia. He says that poverty, starvation and disease are the afflictions which now beset the six million Jews in that country and Roumania. The government does afford some modicum of relief to the starving Russian moujik and laborer; but for the Jew there is no charity, no mercy! The little assistance which used to come from America and England is diminishing daily. Part of the money sent by relatives who have emigrated is stolen in transmission, whilst those who could make sure that their doles would reach their destination are unemployed, and "sweated" when they work, and are no longer able to render any assistance. The revolutionary movement has destroyed the industries in the Pale. Thus, for instance, whilst the factories at Lodz are not working, or only working half time, the Russian factories at Moscow have been over busy. But in Moscow there are not any Jewish workers. the mass of the Jewish population in Russia is beyond man's ken. It is useless to look for the causes when a calamity is staring in the face. Six Million Jews Are Deprived Of Papers By Russian Censorship

Petrograd, Russia, April 22.—After a spirited fight the Duma has passed the censorship bill, which was introduced to limit the powers of the censor, but in the form in which it was adopted actually increases them. The debate over the bill was extremely bitter and the members of the opposition parties attacked the government and the papers controlled by it savagely. Harkow, the leader of the "cadets," and the socialist deputy adjemow accused the government of bribing the editors and publishers of all large dailies and offered proof for their charge.

The progressive deputy Bomach created a sensation by producing a secret circular sent out by the minister of the interior which instructed the police to suppress all Jewis publications, even if not printed in Yiddish.

"Six million Jews have been robbed of their newspapers," the deputy said. "The only Jewish papers still tolerated are a few insignificant weeklies which support the government, because they are paid for doing so. Not one of the suppressed seven Jewish dailies, hundreds of weekly and monthly papers committed the slightest offense. They did not antagonize the government, but were loyal without a single exception.

"The only reason for their suppression was the anti-Semitic spirit which dominates the authorities from cabinet ministers down. This spirit is also responsible for the fact that the post-offices have been ordered to destroy all letters and postal cards written in Yiddish."

An Appeal in Behalf Of Suffering Millions

The Chairman Of The Jewish Relief Work in Sumter County Appeals to The Citizens Of Sumter County

I was asked by some of my friends to assume the chairmanship in Sumter County for the Jewish Relief work. I did so very gladly, because I feel that the call to service in this particular interest is so imperative as to be irresistible. It is a work in behalf of humanity.

Six million Jews in Poland, Lithuania, Galicia, Palestine, Turkey and Siberia are dying of starvation. Refugees, they wander homeless, hungry, in rags. "Their suffering is worse than death—it is the lingering torture of starvation, the piteous tragedy of emaciation, the horrible waiting, in agony of hunger, for the grim reaper to end their misery. These six million despairing souls are totally dependent on American generosity for the bare necessities of life."

What matters it if they do belong to other nations? What matters it if they do live in other climes? Succor of suffering knows no lines of demarcation. It is enough for us to know that these people are dying day by day, dying amidst such surroundings as to make death a blessed release, dying amidst such misery and suffering as to make the dryest crust of bread or a bowl of the thinnest soup a real luxury. PUSH DRIVE FOR JEWISH RELIEF

Representative of National Headquarters Here to Take Part

Hamilton Bond, representing national headquarters of the American Jewish Relief committee, is in Ogden assisting S. G. Dye, county chairman, in raising the remainder of Weber county's quota of $7,500 for the relief of the suffering Jews in the devastated war zones. Mr. Bond declared today that there are six million Jews in eastern and central Europe whom the war has left dependent upon America. "About 800,000 of these are starving, ragged, helpless, orphaned children. This is a condition where neither race, creed nor nationality counts. Nothing counts except humanity."

Mr. Bond comes to Utah from Tennessee where the campaign was recently conducted and states that Tennessee gave $250,000 for the saving of these lives. Weber county has raised about half of her quota and it is expected that she will contribute the remainder within the next few days. Headquarters have been established at the Weber club.

(64-66), the last but also worst procurator, who made an ostentatious display of his oppressions. Disturbances in the streets of Jerusalem and Cæsarea were now of frequent occurrence, and massacre followed upon massacre. All attempts at peace-making on the part of Agrippa I. and of the peace party were in vain. The patience of the people had been taxed too much, and Judea was at open war with the Emperor Nero, who sent his first general of the empire, Vespasian, to subjugate Palestine. Judea was now a waste, Jerusalem a heap of ruins, and there was no Jeremiah to sing the funeral dirge of the city of David and Solomon. Directly after the triumph of Titus the Sanhedrin met at Jamnia or Jabneh, and in the hands of this council the work of transforming and adapting Judaism to the altered political circumstances, proved a task of little difficulty. Jamnia had only to be substituted for Jerusalem, a few ordinances to be discontinued or slightly altered, and certain prayers or good works to be substituted for the sacrifices, and the change was effected without leaving any trace of violent revolution. The spiritual head of the Jamnian commonwealth was Gamaliel II.[1] National fanaticism, indeed, was not yet extinguished; but it burnt itself completely out in the vigorous insurrection led by Bar-Cocheba, the pseudo-messiah, in which nearly six million Jews lost their lives, together with the

famous Rabbi Akiba, one of the pseudo-messiah's most ardent adherents (135 A. D.). Titus, to annihilate forever all hopes of the restoration of the Jewish kingdom, accomplished his plan by establishing a new city on the site of Jerusalem, which he called Ælia Capitolina. An edict prohibited any Jew from entering the new city on pain of death. More effectually to keep them away, the image of a swine was placed over the gate leading to Bethlehem. The seat of the spiritual head, or patriarch, also called *nasi*, was now transferred from Jamnia to Tiberias, where Judah the Holy completed in A. D. 190 the collection of all the oral or traditional laws, called the *Mishna*. When in the fifth century (429) Palestine ceased to be the centre of Judaism, Babylonia took her place. From the period of the exile a numerous and coherent body of Jews had continued to subsist there. The Parthians and Sassanides granted them self-government. At their head was a native

The schools there at Pumbaditha, Sora, and Nahardea prospered greatly, developed rabbinism, vied with those of Palestine, and continued to exist after the cessation of the latter, when the patriarchate became extinct; thus they had the last word in the settlement of doctrine, which was embodied in the celebrated Babylonian Talmud, compiled about the year 500. When the schools at Pumbaditha and Sora were closed Jewish learning was transferred to Spain.

Returning to the Jews in the Roman Empire, we find that after the reign of Vespasian and Hadrian the condition of the Jews was not only tolerable, but in many respects prosperous. But the complete reverse took place after the conversion of Constantine. The Jews, who formerly had taken a great share in the persecution of the Christians by pagan Rome, now became a condemned and

Catholic and Protestant Views of the Passion Week Processions—A Collection of Relics.

SEVILLE, April 12.—All Spaniards venerate the name of Isabel la Catolica, nor is the impressionable De Amicis the only foreigner who has trembled and wept before the enshrined memorials, jewel box, mirror, missal, and crown of her royal womanhood. She is a precious figure in poor Spain's sunset revery—a saint beneath a conquering standard, a silken lady in a soldier's tent. Yet this peerless, Queen, merciful, magnanimous, devout, "the shield of the innocent," caring supremely for the glory of God and the good of her country, gave consent, albeit reluctant, to the establishment of the Inquisition, Christianity's chief scandal and Spain's most fatal blight. So ironic were the stars of Isabel.

Wherever one moves in Spain the sickening breath of the auto da fé lingers in the air. In such a square, we read, was once a mighty holocaust of Jews; beneath our feet, we are told, is a mass of human bones and cinders. This sunshiny Seville,

As far as I have read Alex Jones has a jewish wife and some of his companies are jew run.

The London bombs video was great, exactly the same method as in the Madrid bombs.

The Japan tsunami most probbly was caused by HAARP.

There was a video in the Finnish TV, where a ship is out on the sea, and strange lights come down from the heaven.

That is when the tsunami waves start. Didn´t know that space shuttle can be used for this.

These sites talk of HAARP, Asian tsunami, Haiti, Sichuan eaarthquake. http://www.voltairenet.org/article163729.html or google Thierry Meissan and Haiti and the seismic weapon.

http://www.whale.to/b/vialls.html or google Did New York

orchestrate The Asian Tsunami by Joe Vialls.

The Fukushuma plants were “guarded” by Israeli Magna security company. Observe the 3 white towers in the pictures without any damage, compared to the exploded plants.

Mike’s Google Voice Phone Number

This is a number I can usually be contacted at if you have questions or want to report important information:

There is a video on dutchsinse site, where a man says – 11 seconds – that the World Government will sink part of Japan under sea.

I think they create these disasters, for political reasons, to get contractor works, same happens in Afganistan, and collect/rob the human aid money. This happened in Indoensia and Haiti = father Bush + Bill Clinton.

If you can, send me your e-mail, my mails are usually very long..

Hi Mike, and all the awakened soldiers who come here to thank you and stand together against the 'Synagogue of Satan'!

I just finished listening to an audio at Youtube of Mike interviewing Andrew Carrington Hitchcock and learned, among many other things, that when you (Mike) called in to Alex Jones' show (and that's all it is…a show), that he dissed you very rudely and crudely. Andrew appealed to listeners to find that A.J. 'show' and to contact Texe Marrs, letting him know, if he didn't already, that Alex Jones abuses callers like Mike, who DARE to mention that it is the JEWS who are at the head of this devouring global serpent.

Since the interview was some time ago (during the G.W. Bush farce), I'm wondering if people followed Andrew's suggestion and has there been any response from Texe Marrs to indicate that he sees his association with Alex Jones as diminishing to his credibility.

I am so grateful to you, Mike, to others like Andrew and so many current as well as past 'Truthers' who have loved the knowledge of the Truth more than any attachment to any affection and have suffered at the words and hands of the blind as well as the deceivers. I am an 'awakened' who lives in Canada and one of my projects is to try to dig out the historical evidence on how this nation got from where we were to where we are today.

Thank the Lord for the internet and the 'unlimited' resources there seems to be to glean to find out what most of us could

never have discovered if we had to try to find all the documentation through books and libraries, etc. I thank Him also for not giving up on us just because we've been stubborn, arrogant and hard of hearing, but has kept on directing us to the Truth. And I thank Him and those who heard and followed and have become lights in this dark and sinister world.

Ok, now I have to get some investigating done. Love to all you TRUTH LOVERS!

Recently TheForbiddentruth.net was shut down and it seems now that Godaddy wants our sites moved off their servers. Although they are not saying any specific rule was violated but that they seem to be getting too many complaints and don't want to be in the middle of it and have threatened to shut down the sites. At this point I have to figure out what actions can be taken on my behalf but this is to forewarn those that all the prothink related sites will be shut down shortly which also includes JewishProblem.com, 911MissingLinks.com, and others. Your support now more then ever to keep these sites alive will be more then appreciated to safely move and transfer all the sites.

Here is the recent email from Godaddy:

Subject: Customer Warning – PROTHINK.ORG & ZIONCRIMEFACTORY.COM

Dear Sir or Madam,

Our records indicate that you are responsible for the PROTHINK.ORG & ZIONCRIMEFACTORY.COM domain names and their hosted content.

We have received complaints about your domain name and the contents of your website. Upon reviewing the situation, we have found that they are in violation on section 7 of your Domain Registration Agreement.

(http://www.godaddy.com/gdshop/legal_agreements/show_doc.asp?se=%2B&pageid=REG%5FSA)

We understand that this can be a very sensitive topic, and that there will likely be a difference of opinion as to the nature of the complaints. We are not making a determination in favor of either, but do not wish to be involved in such disputes. As a result, we ask that you move the registration and hosting for these sites to another provider (Not affiliated with GoDaddy.com or our Reseller division, WildWestDomains.com).

If you can initiate this move within 48 hours of the transmission of this notice, there will not need to be any downtime for your site. If the transfer is not initiated by this time, we may have to suspend services to your website.

We strongly recommend you reply to this message as to your intentions. This will further help insure that no unnecessary downtime results for your site. If you have any questions, please let us know. Please be aware that this decision is final, and we do not wish to debate the actual content of your site.

Another Aspiring Truth Seeker (not AJ truther, lol) Discovers The *REAL* Truth About Adolf Hitler And The NSDAP

General 1 Response »

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

READ MORE HERE: http://mrfriendsblog.blogspot.com/2012/06/rethinking-hitler-national-socialism.html

Prothink: Everyday we see more and more people waking up to these issues and never turning back to be delusional due to the Jew again. I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and

I would be willing to help.

Well well, the 30 million Paul raised in the 08 election gone, the money raised this time, gone. Thanks suckers!

I guess people should realize that as attractive as it is to have someone else get “in” to fix the problems, the task is ultimately going to have to be done by us and it will be far uglier and much harder than just pushing a vote button. You get the drift… Submit and admit who your masters are or stand the hell up.

The Study Of Parasitism

Another Aspiring Truth Seeker (not AJ truther, lol) Discovers The *REAL* Truth

About Adolf Hitler And The NSDAP

General Add comments

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

READ MORE HERE: http://mrfriendsblog.blogspot.com/2012/06/rethinking-hitler-national-socialism.html

Prothink: Everyday we see more and more people waking up to these issues and never turning back to be delusional due to the Jew again. I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking

or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and I would be willing to help.

Another Aspiring Truth Seeker (not AJ truther, lol) Discovers The *REAL* Truth About Adolf

Hitler And The NSDAP

General 1 Response »

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

READ MORE HERE: http://mrfriendsblog.blogspot.com/2012/06/rethinking-hitler-national-socialism.html

Prothink: Everyday we see more and more people waking up to these issues and never turning back to be delusional due to the Jew again. I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.

prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and I would be willing to help.

I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.

prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and I would be willing to help.

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

Prothink: Everyday we see more and more people waking up to these issues and never turning back to be delusional due to the Jew again. I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). The Study Of Parasitism

Another Aspiring Truth Seeker (not AJ truther, lol) Discovers The *REAL* Truth About Adolf

Hitler And The NSDAP

General 1 Response »

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

READ MORE HERE: http://mrfriendsblog.blogspot.com/2012/06/rethinking-hitler-national-socialism.html

Prothink: Everyday we see more and more people waking up to these issues and never turning back to be delusional due to the Jew again. I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.

prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and I would be willing to help.

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

READ MORE HERE: http://mrfriendsblog.blogspot.com/2012/06/rethinking-hitler-national-socialism.html

Prothink: Everyday we see more and more people waking up to these issues and never turning back to be delusional due to the Jew again. I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.

prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and I would be willing to help.

I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.

prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and I would be willing to help.

Another Aspiring Truth Seeker (not AJ truther, lol) Discovers The *REAL* Truth About Adolf

Hitler And The NSDAP

General 1 Response »

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

Another Aspiring Truth Seeker (not AJ truther, lol) Discovers The *REAL* Truth About Adolf

Hitler And The NSDAP

General 1 Response »

Rethinking Hitler & National Socialism

I suppose it would eventually come to this: all the reading, investigating, and research I've done since discovering the truth about 9/11 would lead to a re-examination and re-learning of much of history, especially the mainstream version of WWI and WWII history. Since I began looking into 9/11, I've explored all sorts of "conspiracy theories", but lately, largely as a result of following the work of **Deanna Spingola**, **ZionCrimeFactory**, **Carolyn Yeager**, **Veronica Clark**, and others, I've began to delve deeper and deeper into revisionist history and what Adolf Hitler and the National Socialist German Workers' Party (NSDAP) really stood for. And today I'd like to share some of my thoughts with you about this subject.

READ MORE HERE: http://mrfriendsblog.blogspot.com/2012/06/rethinking-hitler-national-socialism.html

Prothink: Everyday we see more and more people waking up to these issues and never turning back to be delusional due to the Jew again. I especially like the part that Friend pointed out about skipping those up close to you who refuse to listen and yet move on to completely new people and you'll have success. I found this to be especially true in my own circles (or should I say outside my circles). I usually will try hard to 'wake' those up around me and give them plenty of time but if they never show any interest in this information then I have no time for them and have no reason to communicate/associate with them any longer. If someone cant even take to the time to look at this information then why bother with them? Keep it moving to new people, go out there and talk to anyone with an open ear. Make sure you sound confident in the information you speak of, and if you don't know a specific detail, don't fake it and pretend but yet tell them we could research that point and find out. People will be skeptical of this information for obvious reasons and if you have one thing wrong, their brainwashing tends to push them to think everything else you said is wrong. If you aren't good at speaking or not a 'people person' than please use the video propaganda that we have in abundance here: http://www.

prothink.tv/ I would even be willing to make custom master DVD of most of the videos I have hosted for people who really need them. It takes me about 1-3 hours to make a master dvd (a mster you can later make copies of) but if you are seriously trying to get the information out and lack the skills to make one you can contact me and I would be willing to help.

The Fallout Out Of Alex Jones' Ties With Ron Paul & Co

General Add comments

Well well, the 30 million Paul raised in the 08 election gone, the money raised this time, gone. Thanks suckers!

I guess people should realize that as attractive as it is to have someone else get "in" to fix the problems, the task is ultimately going to have to be done by us and it will be far uglier and much harder than just pushing a vote button. You get the drift… Submit and admit who your masters are or stand the hell up.

"that little freak Hitler…and Mussolini…" How sad, what a confused man. Hitler and Mussolini were the two most recent leaders

who actually represented the PEOPLE, not international Jewry. Hopefully Celente will come to his senses soon, but by then it probably will be too late.

I dont expect AJ to tell the truth about anything being as his jew wife wears his pants. Rand Paul is a sell out , this is true as the RPC was infiltrated by the joos.

Hitler wasnt a little freak nor was Mussolini, but Obama and his jews sure are.

This prick AJ, sure has a terrible radio voice, Why doesnt he just quit or let his wife run the show?

Can anybody tell me what happens after 1:48? I ceased watching it after the typical Jew bullcrap about Hitler being a psychopath.

Hi Mike I can't wait till these Canaanite Jews get shot into the Lake of Fire once and for all, and the way things look, that won't be far off. Skip.

2 New Website Domains/Names To

Pass Around

Uncategorized No Responses »

I have recently purchased two more domain names so that people can pass around a specific address for a specific topic like the JesusWasNotAJew & 911Missing Links Sites.

Both will point to pages on Prothink.org until dedicated websites have been built to accommodate them.

http://theholohoax.com/

http://koshertax.net/

I have also purchased another two site names but haven't figured out exactly what I will do with them:

http://thejewishquestion.com/

http://jewcrimes.com/

NEW YORK (AP) — The medical examiner says an 8-year-old New York City boy who was abducted off a street in a Jewish neighborhood in Brooklyn, killed and dismembered last week was given a combination of drugs before he was smothered.

Police say Leiby Kletzky got lost leaving day camp and asked the suspect for help before he was killed last week.

Levi Aron has pleaded not guilty to charges of murder and kidnapping.

The cause of death was intoxication from a muscle relaxant, an anti-psychotic drug and two pain medications, followed by smothering.

Police say video cameras captured their fateful encounter while Leiby's mother waited anxiously just a few blocks away. Detectives later found the boy's severed feet, wrapped in plastic, in Aron's freezer, as well as a cutting board and three bloody carving knives.

The insanity defense is a bunch of BS if you drug someone before you kill them.

I'm surprised that Fox News reported this, what is also interesting (and I have seen the Jewish blood ritual documentary) is that usually Jews go out to murder gentile children, and this child seems to be of Jewish origin ? Am i wrong? Anyways this is definitley a strange case that I would like to see more of, please keep us updated if you find out any more on this story.
