

Important Information For Product Updates Shipped Internationally

The E3238, 3587, 35687, 35688 and all options to these products have U.S. export restrictions that require a Letter of Assurance **PRIOR** to export to any country except USA, Guam, Puerto Rico, U.S. Virgin Islands, and Canada. If you have requested that updates to these products be shipped to countries other than the ones listed above, you must fill out the **Letter of Assurance**, sign and date it and return it to the address listed below before you can receive shipments of the updates.

The **Letter of Assurance** must be on the company letterhead and signed by a company representative. You can mail or Fax the signed Letter of Assurance (see address/Fax below).

The electronic versions of this letter is available as Adobe Acrobat(.pdf) and as MSWord (.doc) files at URLs: <ftp://ftp.agilent.com/pub/dsp/products/loa.pdf> and <ftp://ftp.agilent.com/pub/dsp/products/loa.doc>. To email the Letter of Assurance, please copy the letter below into your e-mail message, fill in the required information and send it to eveswl@agilent.com

Questions about the Letter of Assurance can be directed to Wendy Bori, Logistics, at 425-356-6016

LETTER OF ASSURANCE

Note: The electronically received message used for record retention must include the e-mail header. Please include the e-mail address, name of person sending the message and date. This letter is valid for one year from the date of receipt.

(Company name and address)

October 2012

To Whom It May Concern:

(*Company Name*) is the direct or indirect recipient of software, upgrades, and/or technical data which Agilent Technologies has classified according to the U.S. Commerce Control list as eligible for export under license exception "Technology and Software Under Restriction" (TSR) to all destinations except those listed below. We agree not to export or re-export this software and/or technical data or any direct product based on this software or technical data without proper U.S. government authorization to destinations not eligible for exports under license exception TSR. This letter of assurance is effective for one year from the date of signature or the electronic transmission of this document. According to current U.S. export regulations, the following countries are not eligible for exports under license exception TSR. This list is subject to change:
