

Agilent Technologies

Declaration of Product Validation

We herewith inform you that the products

G1701DA, G1710DA, G1711DA, G1712DA, G1617DA, G1618DA

Product Number

MSD Productivity ChemStation

Product Name

D.03.XX

Revision Number

was developed and tested according to the Agilent Technologies Life Sciences Chemical Analysis Lifecycle. Lifecycle checkpoint deliverables were reviewed and approved by management. The product was found to meet its functional and performance specifications, and release criteria at release to shipment.

This validation is intended to assist our customers in meeting their GLP requirements. To support these requirements we will make the following documents available to an authorized governmental or regulatory agency for inspection at Agilent Technologies, Santa Clara Site, Santa Clara, California.

- Product Description**
- Lifecycle Phase Checkpoint Approval Documents**
- Test Documentation**
- Defect Documentation**
- Design Documentation**
- Revision Status**

Agilent Technologies will maintain possession of all documents and their reproductions and may require a non-disclosure agreement to be provided by those requiring access to these documents.
