

ANAREN RECEIVES A CONTRACT IN EXCESS OF \$6 MILLION

Syracuse, NY – Anaren, Inc. (NASDAQ: ANEN) has received an order in excess of \$6 million from Syracuse Research Corporation for a major subsystem element used in a System for the US Army. The contract calls for full-rate production and deliveries starting in September 2006 extending over a 6 month period. The system is designed to counter remote controlled improvised explosive devices (Counter IED).

“Anaren is pleased to support SRC on this program, expanding our relationship as a SRC supplier” said Larry Sala, CEO and President of Anaren, Inc.

Anaren designs, develops, manufactures and sells highly integrated microwave component assemblies and subsystems for the wireless communications, satellite communications and defense electronics markets.
