

## **ANAREN AWARDED \$8 MILLION CONTRACT**

Syracuse, NY -- Anaren, Inc. (NASDAQ: ANEN) has received an \$8 million contract from Lockheed Martin Systems Integration - Owego in New York for a major subsystem element on a Radar Warning (RWR) / Electronic Support Measure (ESM) system. The subsystem element is intended for Lockheed Martin's Maritime Helicopter Project (MHP) RWR / ESM system for use on Canada's new CH-148 Cyclone Maritime Helicopter.

The contract calls for the first full-rate production and deliveries starting in March 2008, expanding over a two-year period.

"Anaren is pleased to support Lockheed Martin Systems Integration - Owego on the MHP, expanding our long term relationship as a Lockheed Martin supplier," said Larry Sala, CEO and President of Anaren, Inc.

Anaren designs, develops, manufactures and sells highly integrated microwave component assemblies and subsystems for the wireless communications, satellite communications and defense electronics markets
