### **ANAREN RECEIVES ORDER IN EXCESS OF \$9.0 Million**

Syracuse, NY – November 10, 2016 | Anaren, Inc. announced today that its subsidiary, Anaren Ceramics, has received an order in excess of \$9.0 Million from a major US Defense OEM for advanced microwave packages consisting of brazed low temperature co-fired ceramic (LTCC) assemblies for an advanced airborne phased array radar application. Deliveries are expected to begin in the 4<sup>th</sup> quarter of calendar year 2016 and continue through the end of 2017. The Anaren Ceramics facility, located in Salem NH, provides complex LTCC and precision etched thick film substrates to the Military and Space market.
