

The background of the advertisement is a composite image. The upper portion shows a group of soldiers in desert combat uniforms, some wearing helmets and others with headgear, in a dusty environment. The lower portion shows a light blue L-3 aircraft, a twin-engine turboprop with a high-wing configuration, parked on a tarmac. In the background of the aircraft scene, there is a large hangar and various ground support equipment like a scissor lift and a truck.

COMBAT PROVEN. ACCURATE. RELIABLE.

L-3 Mission Integration Provides Full-Spectrum ISR Support to the Soldier.

No matter the challenge, L-3 Mission Integration is there where and when our Soldiers need us. We are uniquely qualified to design and build airborne intelligence systems, deploy and operate them, and provide maintenance and logistics support to ensure uninterrupted combat support. As a leader in ISR, our systems provide the situational awareness, threat warning and targeting information that keeps Soldiers safe and enables commanders to act decisively.
