

DESCRIPTION

The MSC1000-042 module provides 16 channels of precision DC current excitation. Each channel is independently regulated and programmable:

ELECTRICAL SPECIFICATIONS

Excitation Sources

- Accuracy: $\pm 0.5\%$ from nominal
- Stability: $\pm 0.25\%$ of full scale
- Compliance: 10 volts minimum
- Range: 3.0 to 30 mA (or customer up to 30 mA)
