

Quality Scope and Requirements for Commercial Product

QX8

Effective Date	Revision No.	Responsible Organization	Approved by
8/4/2015	Initial	Quality	

1.0 Purpose

- 1.1 This Quality Clause is a supplement to, and does not replace or alter other terms and conditions covered by purchase documents, procedures or requirements of drawings or specifications within the purchase order.
- 1.2 It is the expectation of L-3 CPS for suppliers to comply with the requirements identified and communicate with the Supplier Quality Assurance (SQA) representative when the listed requirements cannot be met.

2.0 Scope

- 2.1 The products provided shall meet the characteristics of the commercial catalog item, conform to the producer's own drawings, specifications, standards and quality assurance practices and be the same as offered for sale in the commercial market. The supplier shall inform the buyer of any change to the product identification and configuration prior to releasing the product shipment. L-3 CPS reserves the right to require proof of such conformance.

3.0 Documentation Requirements

- 3.1 The supplier shall submit a Certificate of Compliance (C of C) with each shipment. The C of C will include:
 - Supplier name
 - Purchase order number
 - Revisions or amendments
 - Product description and revision
 - Quantity
 - Applicable specifications
 - Declaration regarding full conformance to all deliverable requirements
 - Statement identifying the origin of manufacture
 - Signature and title of the supplier's designated quality representative
