TJM Associates Announcement

February 15, 2005

L-3 Communications Telemetry-East (TE) has entered into a long-term agreement with TJM Associates for contract manufacturing services. TJM has locations in Tempe, Arizona and Bristol, Pennsylvania. They have been a supplier for L-3 TE for approximately four years.

Dan Goldberg, Materials Manager commented, "We are pleased with the outstanding quality and service TJM has provided to us. We need to identify our strategic suppliers and ensure that they are an extension of our manufacturing process. The fact that TJM is the first supplier we have chosen to enter into a long-term agreement shows our confidence in their ability to support our requirements."
