General Terms and Conditions for Supply and Service Subcontracts

Supplement 2 – U.S. Government Contract Provisions from the Department of Defense Federal Acquisition Regulation Supplement (DFARS)

- 1. When the materials or products furnished are for use in connection with a U. S. Government Department of Defense contract or subcontract, in addition to the L-3 General Terms and Conditions (Corp Form CC008) and the FAR provisions (Corp Form CC009), the following DFARS provisions shall apply, as required by the terms of the prime contractor or by operation of law or regulation. Otherwise, the General Terms and Conditions for Supply and Services as provided for in this Subcontract shall govern in the event of a conflict between the FAR or these DFARS provisions and the General Provisions.
- 2. The following clauses set forth in the DFARS in effect as of the date of the prime contract are incorporated herein by reference. In all clauses listed herein, the terms "Government", "Contracting Officer" and "Contractor" shall be revised to suitably identify the contracting parties under this purchase order and effect the proper intent of the provision except where further clarified or modified below. "Subcontractor", however, shall mean "Seller's Subcontractor" under this purchase order. The Seller, by signing its offer, hereby certifies compliance with the following clauses and is, therefore, eligible for award.
- 3. Clauses in this document may not be applicable to specific orders due to the type of subcontract/purchase order to be issued, dollar thresholds under requirements of the FAR, DFARS or Public Law or Mandatory Flow Down requirements of a particular prime contract. Clauses not applicable for these reasons shall not be removed from this document and will be considered by all parties to be without force and effect.
