

SNIPPITS AND SNAPPITS

Moral decay, political corruption and fascism are everywhere. But activists have been busy. For decades we have tried every tactic to avert catastrophe. We voted, wrote letters, gave money, held signs, protested in marches, clicked links, signed petitions, tweeted websites, wrote books, taught classes, turned off the television, programmed apps, engaged in direct action, committed petty vandalism. All for naught. Popular revolution remains the only viable tactic left.

THE "SIX MILLION" MYTH

By ZionCrimeFactory

Right: Must read book by Don Heddeshimer, *The First Holocaust*.

Author Don Heddeshimer's book, *The First Holocaust: Jewish Fundraising Campaigns With Holocaust Claims During and After World War One*, is an important piece of the revisionist puzzle. Heddeshimer cogently documents the slew of previous attempts by Jews to disseminate deceitful and untrue atrocity propaganda before, during and after World War I.

The First Holocaust features an amazing collection of press clippings and propaganda articles dating back to the late 19th century that make claims of the suffering and imminent extermination of European Jewry. Among such articles we find that Jews have, dozens of times before WWI, invoked the cabalistic "6,000,000" number as the amount of Jews on the verge of death and destruction during various periods of turmoil and conflict in Europe and Russia. Undoubtedly, this book exposes the deliberate fraudulence of these sinister Zionist campaigns and media blitzes ~ long before Hitler became Chancellor of Germany in 1933 ~ designed to elicit public sympathy and financial support for Jewish political ambitions, principally the establishment of the State of Israel.

The obsessive invocation of the cabalistic fable of "6,000,000 dead or dying Jews" dating back at least four decades prior to the events of WWI directly undermines and betrays the notion that 6,000,000 Jews perished in Europe between 1939-1945, as Jews have claimed. It was a lie the first time, and it is a lie today!

Young White children are taught to hate their own kind over something that never even happened!

The Gentile populations of the West have, for decades, been inundated and inoculated with an endless onslaught of holocaust-themed Hollywood movies, television shows, "docudramas", books and memoirs; in conjunction with mandatory "holocaust education" in schools across North America and Europe.

The primary function of this insidious global propaganda campaign is to ~ quite simply ~ brainwash non-Jews into a state of abject fear and paralysis while we are ideologically, economically and physically enslaved by the Jewish tribe.

It is also designed to delegitimize all criticism of Jews and the State of Israel and to ensnare non-Jews into adopting a pro-Jewish, pro-Zionist worldview. With their hateful holocaust lies, Zionist myth-makers are teaching masses of young school children to hate Germans, and European mankind in general.

These kids, not knowing any better and unable to think for themselves, blindly believe these tall tales and never question what they've been told when they become adults. The indoctrination of our little ones with Zionist 'holocaust' fiction is permanently damaging the minds of young people. Force-feeding young children, as well as teenagers, distortions and outright falsehoods about World War II so that they sympathize with Jewish people and treacherous Jewish causes ~ such as Zionism and Communism ~ is immoral, destructive, harmful and criminal. It must be stopped!

A question that you might ask is: "what is the significance of the 'Six Million' figure and where did it originate?"

The mythical "Six Million" figure has intriguing origins indeed. Jews have staunchly emphasized the 6,000,000 figure in atrocity propaganda from the years 1890 through 1945. World War II ended in 1945, and since that time the cabalistic 6,000,000 figure has now reached sacrosanct status. This was achieved through a sleazy and deceptive campaign of repetitive HoloHoax swindlespeak in the news and entertainment media, centered in Jewish Hollywood.

As the Jewish-Communist mass murderer, Vladimir Lenin, once said: "a lie told often enough becomes the truth."

This campaign of Jewish deceit has steadily intensified over the years. When Jews sense an increase in awareness of their treachery and global crimes against humanity amongst the Gentile public (a natural reaction of which is resentment and hostility), the louder they begin to wail about their invented holocaust in the octopus of media organs they control. That's why they are always gauging the pulse of public opinion.

World leaders, Presidents, Prime Ministers, ceremonial Kings and Queens, Popes, Priests and Holy Men of all faiths, genuflect in groveling reverence of the mythical "6,000,000 Jews" who didn't perish in "Nazi gas chambers", as such chambers **did not exist and were impossible**. (See: VHO, IHR, CODOH, WSMOT, Zundelsite, Nazi Gassings Never Happened)

Research shows that the reason for this bizarre Jewish fixation on the number 6,000,000 primarily stems from an ancient religious prophecy in the Torah. According to some sources, the prophecy envisioned that before the Jewish people could reclaim and reconquer Palestine to establish a Jewish homeland called "Israel", 6,000,000 Jews would first have to perish in a fiery burnt offering (i.e. "Holocaust"), as a sacrifice to their bloodthirsty tribal deity, YHWH. (See: Weintraub, Ben. *The Holocaust Dogma of Judaism: Keystone of the New World Order*. Washington, D.C.: Cosmo Pub., 1995.) Jewish author, Benjamin Blech, confirmed this reality in his book "The Secrets of Hebrew Words" (J Aronson Inc., 1991, p. 241), stating,

תָּשׁוּבוּ

TaShuVU

YOU SHALL RETURN

In the days when slavery existed, the Torah decreed that there must come a time when every man goes free. Even those who resold themselves after six years of servitude, and had their ears pierced for voluntary enslavement, could not remain beyond the time of the Jubilee.

וּקְרַשְׁתֶּם אֶת שְׁנַת הַחֲמִישִׁים שָׁנָה וּקְרַאתֶם דְּרוֹר בְּאֶרֶץ
לְכָל-יֹשְׁבֵיהָ יוֹבֵל הוּא תְהִיָּה לָכֶם

"And ye shall hallow the fiftieth year and proclaim liberty throughout the land unto all the inhabitants thereof."

[Leviticus 25:10]

These are the words chosen to be inscribed on the Liberty Bell. It is in the Jubilee year that "ye shall return every man unto his possession and ye shall return every man unto his family."

The Hebrew word for "ye shall return," תָּשׁוּבוּ (TaShuVU), seems to be spelled incorrectly. Grammatically it requires another ו (vav). It ought to read תָּשׁוּבוּ (TaShUVU).

Why is it lacking the letter ו (vav), which stands for 6? תָּשׁוּבוּ (without the "vav") is a prediction to the Jewish people of 6

(without the vav) is a prediction to the Jewish people of ultimate return to their national homeland. תש"ו in numbers adds up to 708: ת (tav) = 400, ש (shin) = 300, ו (vet) = 2, ו (vav) = 6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. That was the year pre-

"You shall return minus 6,000,000"; Jewish scripture relates a prophecy that 6,000,000 Jews must vanish before they can reclaim Palestine as their ancient ancestral homeland.

"The Hebrew word for 'ye shall return'(TaShuVU), seems to have been spelled incorrectly. Grammatically it requires another (vav). It ought to read (TaShuVUVU). Why is it lacking the letter (vav) which stands for six? [TaShuVU] without the vav is a prediction to the Jewish people of ultimate return to their national homeland. TaShuVU in numbers adds up to 708: tav=400, shin=300, vei=2, vey=6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. That was the year predicted by the incomplete word (TaShuVu), you shall return. We did return, lacking 6 - an all important 6 million of our people who perished in the holocaust. Yet the fulfillment of the prediction of return in precisely that year implied by the gematria of TaShuVU gives us firm hope that the words of the prophets for Final Redemption will come true as well."

Here are two additional commentaries on the origins of the "Six Million" from [History & Scriptural Origins of the Six Million Number](#):

[Quote 1] Jewish prophecies in the Torah require that 6 million Jews must "vanish" before the state of Israel can be formed. "You shall return minus 6 million." That's why Tom Segev, an Israeli historian, declared that the "6 million" is an attempt to transform the Holocaust story into state religion. Those six million, according to prophecy, had to disappear in "burning ovens", which the judicial version of the Holocaust now authenticates. As a matter of fact, Robert B. Goldmann writes: "... without the Holocaust, there would be no Jewish State." A simple consequence: Given six million Jews gassed at Auschwitz who ended up in the "burning ovens" (the Greek word holocaust means burned offerings), therefore, the prophecies have now been "fulfilled" and Israel can become a "legitimate state". ~ Unknown

[Quote 2] Regarding the 'six million' number you should know the following: In the Hebrew text of the Torah prophecies, one can read "you shall return". In the text the letter "V" or "VAU" is absent, as Hebrew does not have any numbers; the letter V stands for the number 6. Ben Weintraub, a religious scientist, learned from rabbis that the meaning of the missing letter means the number is '6 million'. The prophesy then reads: You will return, but with 6 million less. See Ben Weintraub: "The Holocaust Dogma of Judaism", Cosmo Publishing, Washington 1995, page 3. The missing 6 million must be so before the Jews can return to the Promised Land. Jahweh sees this as a cleaning of the souls of the sinful people. The Jews must, on the return to the Promised Land, be clean - the cleaning shall be done in burning stokes. -A Correspondent

Is it just coincidental that the flimsy and farcical story of "6,000,000 Jews" being murdered in "gas chambers" and burned up in "ovens" in concentration camps during WWII gave the Jews the impetus and PR ammunition they needed to make their "gallant return" to the "promised land" at the war's end - **occupying and ethnically cleansing much of Palestine through terrorism and force of arms** - establishing a racist/apartheid "Jewish state" called "Israel" in 1948? And this all just happens to fit the previously cited ancient Torah prophecy to the letter? I hardly think so!

Today, the holocaust™ tall tale has taken the form of a bizarre cult-like State-enforced and protected religious dogma of the West (i.e. Holocaustianity), as it is **illegal to question, dispute or deny in over a dozen European countries**, under punishment of heavy fines and imprisonment! This farfetched Zionist-trumpeted conspiracy theory is being utilized by Jewish hucksters and scam artists as a money-making enterprise - a larcenous con of near-planetary proportions which Jewish professor Norman Finkelstein dubbed "The Holocaust Industry". ([The Holocaust Industry: Reflection on the Exploitation of Jewish Suffering](#), London: VERSO, 2000.)

On top of that, this myth has been wielded by Jewish zealots as an ideological sledgehammer to club Gentiles over the head with any time non-Jews dare criticize or oppose the global banditry and menacing influence of the self-professed "Chosen People".

Below are reproductions of many press clippings and articles featuring the cabalistic 6,000,000 number, dating back to the year 1900. Note the ceaseless references to "6,000,000 Jews", the continuous begging for money and

land (Palestine), and the term "holocaust" used well before the events of the 1940s. It is also noteworthy that the authors of the vast majority of these propaganda articles were the richest of Wall Street's Jewish bankers as well as leaders of Zionist pressure groups - Schiffs and Warburgs among them. (More examples can be found [here](#), [here](#) and [here](#); credit also goes to [this blogger](#) for unearthing many of these article clippings).

American Zionist leader, [Rabbi Stephen S. Wise](#), let slip the Zionist agenda behind the Holocaust Hoax: to promote public sympathy for Zionism (Jewish takeover of Palestine).

"There are 6,000,000 living, bleeding, suffering arguments in favor of Zionism."

("ZIONISTS' MASS MEETING: Rabbi Wise's Address." *New York Times*. June 11, 1900.)

RABBI WISE'S ADDRESS.

Rabbi Wise said, in part:

"The day will never come when I will care less for Zion, when there will be any one who will strive more for the glorious ideals of Zionism.

"Two great conventions of Jews are being held to-night. In Chicago there is a conference of charities called together by men who minister to the wants of the poor. They have assembled to see that too much charity is not given to the unworthy. Their purpose is right. But ours is the greater charity. We have assembled not to see that the Jew does not get too much, but that every Jew shall get the right to live.

"There are 6,000,000 living, bleeding, suffering arguments in favor of Zionism. They come not to beg, but ask for that which is higher than all material things. They seek to have satisfied the unquenchable thirst after the ideal. They ask to become once again the messengers of right, justice, and humanity.

"Your Christian friends will honor you if you have enough self-respect to care for your own people. Say that you are not a Jew, and you will be hated as a Jew, nevertheless. But say that you are an American Jew, and strive for the best principles of the race, you will be respected and the Zionist name honored.

"Of Israel and Zion one thing is true. They can conquer. God is our leader, and with the General of the heavenly hosts to lead who will say that we go not to victory?"

"In the old Greek games, the man who won the race was not he who went fastest, but the one who bore a lighted torch to the end of the course.

"We Zionists have entered a race, the torch of liberty, charity, and justice in our hands.

"The race will be won, not because we are fastest but because that lamp is a light unto the world. It will never be extinguished.

"Come, brethren, the lamp is in your

hands; run the race and may God give you the victory forever."

Other speakers were Dr. M. Mintz, Dr. Robert L. Halperin of Chicago, and the Rev. Dr. F. Drachman.

The Zion hymn by the Rev. Dr. H. Perelra Mendes, was sung at the conclusion of the speaking. The band of the Hebrew Sheltering Guardian Society Orphan Asylum, under direction of I. L. Fauerbach, played a number of selections.

Under its entry on "anti-Semitism", the tenth edition of the Encyclopedia Britannica references "Six Million Jews" of Rumania and Russia being "systematically degraded."

10th Edition of the Encyclopedia Britannica (1902)
Entry for 'Antisemitism'

While the main activity of anti-Semitism has manifested itself in Germany, Russia, Rumania, Austria-Hungary and France, its vibratory influences have been felt in other countries when conditions favourable to its extension have presented themselves. In England more than one attempt to acclimatize the doctrines of Marr and Treitschke has been made. The circumstance that at the time of the rise of German anti-Semitism a premier of Hebrew race, Lord Beaconsfield, was in power first suggested the Jewish bogey to English political extremists. The Eastern crisis of 1876-1878, which was regarded by the Liberal party as primarily a struggle between Christianity, as represented by Russia, and a degrading Semitism, as represented by Turkey, accentuated the anti-Jewish feeling, owing to the anti-Russian attitude adopted by the government. Violent expression to the ancient prejudices against the Jews was given by Sir J. G. Tollemache Sinclair (*A Defence of Russia*, 1877). Mr T. P. O'Connor, in a life of Lord Beaconsfield (1878), pictured him as the instrument of the Jewish people, "moulding the whole policy of Christendom to Jewish aims." Professor Goldwin Smith, in several articles in the

Baron de Hirsch founded a colossal scheme for transplanting persecuted Jews to new countries under new conditions of life, and endowed it with no less a sum than £9,000,000 (see HIRSCH, MAURICE OF). Though anti-Semitism has been unmasked and discredited, it is to be feared that its history is not yet at an end. While there remain in Russia and Rumania over six millions of Jews who are being systematically degraded, and who periodically overflow the western frontier, there must continue to be a Jewish question in Europe; and while there are weak governments, and ignorant and superstitious elements in the enfranchised classes of the countries affected, that question will seek to play a part in politics.

LITERATURE.—No impartial history of modern anti-Semitism has yet been written. The most comprehensive works on the subject, *Israel among the Nations*, by A. Leroy-Beaulieu (1895), and *L'Antisemitisme, son histoire et ses causes*, by Bernard Lazare (1894), are collections of studies rather than histories. M. LAZARE'S work will be found most useful by the student on account of its detached standpoint and its valuable bibliographical notes. A good list of works relating to Jewish ethnography will be found at the end of M. Isaac Loeb's valuable article, "Juifs," in the *Dictionnaire universel de géographie* (1884). To these should be added, Adolf

END OF ZIONISM, MAYBE.

Jewish Preacher's View of Uprising in Russia.

The Rev. Dr. M. H. Harris spoke in the Temple Israel, Fifth Avenue and One Hundred and Twenty-fifth Street, yesterday morning at the regular services on the "Russian Situation." He prefaced his remarks by reference to the Testaments and to history to show that the people had gradually received a larger sphere of freedom from nations and Governments for the exercise of their powers and duties.

He declared that a free and a happy Russia, with its 6,000,000 Jews, would possibly mean the end of Zionism, since the abolition of the autocracy would practically eliminate the causes that brought Zionism into existence.

Russia, he said, seemed to prefer its own bloody experience in learning the power of the people to profiting by the experience and the history of other nations.

The New York Times reports: "From 1890 to 1902 he caused 6,000,000 Jewish families to be expelled from Russia."

POBIEDONOSTZEFF RESIGNS.**Chief Procurator of the Holy Synod
Most Hated Man in Russia.**

ST. PETERSBURG, Oct. 31.—Constantine Petrovitch Pobiedonostzeff, Chief Procurator of the Holy Synod, has resigned.

Constantine Petrovitch Pobiedonostzeff, now in his seventy-eighth year, has been a prominent factor in the internal life of the Russian Empire for the last fifty years, and is the most hated man in Russia to-day.

Since his appointment as Procurator General of the Holy Synod, in 1880, he has persecuted the Jews, Lutherans, Catholics, and other dissenting sects with an unswerving fanatical zeal. From 1880 to 1902 he caused 6,000,000 Jewish families to be expelled from Russia and sent thousands of Poles to Siberia. His watchword was "Russia for the Orthodox Russians." Cossacks were ordered to surround the Catholic churches in Poland and shoot down the congregations as they came out.

Dr. Paul Nathan's View of Russian Massacre

STARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of \$1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solution" of the Jewish question is systematic and murderous extermination.

Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire." → 

He concluded with an appeal to the Jewish money powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added.

As a side note: 1906 was the year after the first Jewish-led Communist uprising in Russia had failed. This lame sob story was nothing more than a ploy to distract public attention from the fact that the Communist-led upheaval that took place in Russia a year earlier was the handiwork of his fellow Jews who perpetrated widespread atrocities against Russian patriots (anti-Communists).

RUSSIA

The position of our co-religionists in Russia grows increasingly deplorable, and recent advices from that country indicate that there is little likelihood of any relief being afforded.

The situation is of the gravest. It may be doubted whether Jewry has ever confronted a greater crisis since the overthrow of the Jewish state by the Roman Empire. Not even the horrible persecutions of the times of the Crusades or the expulsion from Spain and Portugal affected so large a mass of our co-religionists. Russia has since 1890 adopted a deliberate plan to expel or exterminate six millions of its people for no other reason than that they refuse to become members of the Greek Church, but prefer to remain Jews. To carry out this purpose, it has used several methods. Wholesale assassinations (called pogroms), have been employed in order to arouse the religious fanaticism, the greed, and the savagery of the needy, the ignorant and the depraved among the Russian people. Horrible as these pogroms are, their effects are trivial compared with those which have followed other methods countenanced by that Government. The Jewish inhabitants of the congested Pale of Settlement are being harassed by restrictions on their ordinary activities, by practical denial to a serious extent of the right to educate their children, and by having thrust upon them by force, large numbers of their co-religionists who had settled in other places within the Empire and had there been usefully employed. By this insidious process, the Russian Government wickedly and artificially creates unnatural conditions that enable it to twist economic and social laws into the service of persecution, and it believes that by their operation the ultimate expulsion or destruction of the Jews of Russia is assured. From the point of view of that Government, this method has the further advantage that it avoids the cry of horror

Max Nordau, co-founder of the World Zionist Organization together with Theodore Herzl, made an astonishing pronouncement at the tenth Zionist Congress in Basle, Switzerland. In the United States there are between 2,000,000 and 3,000,000 Jews, nearly all able to do something and yet, after months of work, we have not raised more than \$300,000. In New York there are more than 1,000,000 Jews, some of

Shall we selfishly enjoy ourselves and say we would like to, but cannot help because of hard times, and think we are doing out duty?  Plans for the Greatest Humanitarian
 Task in History.**

The American people, Jews and non-Jews alike, will soon be asked to lend or contribute the larger part of a fund of approximately \$1,000,000,000 to carry out plans for the reconstruction of the Jewry of the entire world. Announcement to this effect, together with the general plan of procedure, was made public last night, following a meeting held yesterday in the office of Felix M. Warburg of Kuhn, Loeb & Co., Chairman of the Joint Distribution Committee of the American Funds for Jewish War Sufferers.

The British take control of Palestine, and occupy the country militarily. Eventually the [British Mandate for Palestine](#) is administered, against the will of the Arabs living there.

This same year Jewish Communist leader [Grigory Zinoviev](#) announces plans for the annihilation of 10,000,000 Russians.

Grigory Yevseevich Zinoviev (Jew)
née Ovsei-Gershon Aronovich Radomyslsky

"To overcome our enemies we must have our own Socialist Militarism. We must win over to our side, 90 millions out of the 100 millions of population of Russia under the Soviets. As for the rest, we have nothing to say to them; they must be annihilated."
(Speech by Zinoviev : reported in the "Northern Commune," September 19, No. 109.)

Jewish Communists plot genocide of Russians. They put out stories of Jewish persecution at this same time to hide their blood-curdling atrocities in Russia.

1919~

Shortly after the end of World War I hostilities, Zionists claim a "Holocaust" of "Six Million Jews" is imminent in Europe in a deceitful campaign to raise money for Jewish charities and also to distract public attention from the Jewish origins of Communism, the Bolshevik atrocities in Russia and the Armenian Genocide.

The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN

(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within their veins the identical possibilities for the advancement of the human race as naturally would reside in six million human beings. We may not be their keepers but we ought to be their helpers.

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessities of life; eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a bigoted zeal for Jewish blood.

In this threatened holocaust of human life, forgotten are the needless of philosophical distinction, forgotten are the differences of historical interpretation; and the determination to help the helpless, to shelter the homeless, to clothe the naked and to feed the hungry becomes a religion at whose altar men of every race can worship and women of every creed can kneel. In this calamity the temporalities of man's fashionings fall away before the eternal verities of life, and we awaken to the fact that from the hands of one God we all come and before the tribunal of one God we all must stand on the day of final reckoning. And when that reckoning comes mere profession of lips will not weigh a pennyweight; but deeds, mere intangible deeds, deeds that dry the tear of sorrow and allay the pain of anguish, deeds that with the spirit of the Good Samaritan pour oil and wine in wounds and find sustenance and shelter for the suffering and the stricken, will outweigh all the stars in the heavens, all the waters in the seas, all the rocks and metals in all the celestial globes that revolve in the firmament around us.

Peace is a matter of accident; creed, partly a matter of inheritance, partly a matter of environment, partly one's method of rationalization; but our physical wants and corporeal needs are implanted

Whittiesey?

In all of us by the hand of God, and the man or woman who can, and will not, bear the cry of the starving; who can, and will not, take heed of the wail of the dying; who can, and will not, stretch forth a helping hand to those who sink beneath the waves of adversity in an ocean of nature's finest instincts, a traitor to the cause of the human family and an abjurer of the natural law written upon the tablets of every human heart by the finger of God himself.

And so in the spirit that turned the poor widow's votive offering of copper to silver, and the silver into gold when placed upon God's altar, the people of this country are called upon to sanctify their money by giving \$25,000,000 in the name of the humanity of Moses to six million famished men and women.

Six million men and women are dying—eight hundred thousand little children are crying for bread.

And why?

Because of a war to lay Antiochey in the dust and give Democracy the scepter of the Just.

And in that war for democracy 250,000 Jewish lads from the United States fought beneath the Stars and Stripes. In

the 7th Division alone there were 14,000 of them, and in Argonne Forest this Division captured 54 German guns. This shows that at Argonne the Jewish boys from the United States fought for democracy as Joshua fought against the Amalekites on the plains of Abraham. In an address on the so-called "Lost Battalion," led by Colonel Whittiesey of Pittsford, Major-General Alexander shows the fighting stuff these Jewish boys were made of. In some way or another Whittiesey's command was surrounded. They were short of rations. They tried to get west back to the rear telling of their plight. They tried and they tried, but their men never got through. Paralysis and stupefaction and despair were in the air. And when the hour was darkest and all seemed lost, a soldier had stepped forward, and said to Col. Whittiesey: "I will try to get through." He tried, he was wounded, he had to creep and crawl, but he got through. Today he wears the Distinguished Service Cross and his name is ABRAHAM KROTOSHINSKY.

Because of this war for Democracy six million Jewish men and women are starving across the seas, eight hundred thousand Jewish babies are crying for bread.

The first reported "Holocaust" of "Six Million Jews." Nothing more than Zionist propaganda.

Race in World Reduced to Despair in Europe

PITIFUL PICTURE DRAWN

Appeal Issued for Mothers Driven Insane by Seeing Children Starved

By **NATHAN STRAUS**

NEW YORK, October 18.—Terrible as conditions have been for the last five years among the destitute Jews of Eastern Europe, they have never before been so appalling as they are at the present moment. With the coming of winter the climax of tragedy has been reached, according to the latest reports from American Jewish relief workers, in every part of these stricken countries. At no time since hostilities ceased has the suffering been so intense as it is now among the Jews in these unfortunate lands. Six million Jews, out of the 16,000,000 in the world, or considerably more than a third of the entire Jewish race, are today standing in bread lines or getting the soup on which they live from the soup kitchens of the Joint Distribution Committee of American Funds for Jewish War Sufferers.

ORPHANS LIVE ON STREETS

Thousands of them are sick, hundreds of thousands are without homes—all are destitute. A hundred thousand Jewish orphans, many of whom are sleeping and living on the streets, look forward with terror to the coming of the winter. It is impossible to compute the number of mothers who have gone insane as they watched their children starve or the number of typhus patients who are praying for death as they lie sick, without hospitals or medicines or sufficient food.

One year more of malnutrition has weakened these poverty-stricken Jews that they will not be able to endure the rigors of the winter even as well as they did last year, when thousands of them died from cold and hunger. The number of refugees has been greatly increased also by the Bolshevik fighting, and innumerable homes have been destroyed within the last twelve months.

Hundreds of thousands of Jews are living today in open fields or unroofed platforms, fifteen families to a platform, in broken houses, in stalls of old stables or in holes in the ground. They are clad, for the most part, in the rags they have worn for the last five years, with strips of cloth bound to their feet or bits of bark tied to their soles to serve as shoes.

PROMPT AID NECESSARY

help of the Joint Distribution Committee of American funds for Jewish War Sufferers.

Every month this summer 27,000 Jewish children were sent to vacation homes to recover their strength, depleted by starvation. Last month 500 additional children were sent from Vienna to Holland, where private homes were to receive them and 500 other invalids were sent from Vienna to Trieste to convalesce.

Extensive as it seems, the aid now being given children in Eastern Europe does not nearly meet the need, and unless funds are raised to carry on the work on an infinitely greater scale, the coming spring will find comparatively few children alive in these stricken lands. Herbert Hoover of the American food commission, who just returned to America, commented upon this fact, and said that it would have been impossible for the food commission, to have kept between 4,000,000 and 5,000,000 children in Eastern Europe alive even until now without the help of the American Jewish Relief Committee's funds.

There is no corner of Poland, Lithuania, Rumania, Czecho-Slovakia, or Palestine so remote that the Joint Distribution Committee of American Funds for Jewish War Sufferers has not reached it with some supplies for the unfortunate populace, either Jews or Gentiles or both. A relief train of forty-four cars recently carried food and old clothing and bedding to a number of towns in Siberia. Eight motor trucks, laden with crackers and condensed milk, are even now following upon the trail of the Bolsheviks in Poland as they retreat, in order to save the people still left alive from death by starvation. All this work must be continued.

" We come out now before the world with the determined slogan. 'Those pogroms must stop.' " said the President in his annual message. " It is only a question of holding these facts continually before the civilized world: we must not permit the world to slumber. This fact that the population of 6,000,000 souls in Ukrainia and in Poland have received notice through action and by word that they are going to be completely exterminated—this fact stands before the whole world as the paramount issue of the present day."

More persecution propaganda in the same year. Again "6,000,000 Jews" as victims, of course.

While the 3,500,000 American Jews were loyally fighting and laboring to help "make the World safe for Democracy," the Jews of Eastern Europe, where lives the bulk of the world's Jewish population, were being ground out of existence by the ebb and flow of contending armies.

Today 6,000,000 Jews Are Facing the Darkest Days Ever Known in the Long History of the Race

Families are scattered—broken. A hundred thousand children are orphaned. Poverty is the common lot. Whole cities have not known a square meal in five years. Disease stalks on every hand. The death rate mounts to double—triple—quadruple—that ever before known in a civilized country.

America is the Only Hope

In this, the greatest crisis that Jewry has ever known in centuries of suffering and persecution, the Jews of America turn to their fellow citizens of all races and creeds for that material and immediate aid which alone can save the survivors of the race in Europe from destruction.

\$35,000,000 NEEDED!

This sum represents the amount sought from the country at large. Every cent of it will go to buy food, clothing, medicines and other necessities of life for the destitute, starving and utterly stricken men, women and children across the sea. It is veritable ransom money, for without it millions will surely die!

Russian patriots gain ground on the Jewish Bolshevik usurpers of their nation. In a vain attempt to hide their heavy involvement in the brutal Bolshevik atrocities being committed in Russia, Jews reel out the "six million" myth once again.

CALSBAD, Aug. 27 (Jewish Telegraphic Agency).—“The League of Nations is a Jewish idea, and Jerusalem some day will become the capital of the world's peace,” declared Dr. Nahum Sokolow, Chairman of the Zionist Executive Committee, at a special meeting of the Zionist Conference today.

“The League has recognized our rights to our ancient home,” Dr. Sokolow continued. “We Jews throughout the world will make the League's struggle our own and will not rest until there is ultimate victory.”

The meeting was convoked in order to celebrate the twenty-fifth anniversary of the first Zionist Congress.

“Today will be a holiday for Jews throughout the world,” Dr. Sokolow added. “What we have achieved after a struggle of twenty-five years we owe to the genius of our immortal leader, Theodor Herzl, who laid the foundation stone of our movement.”

It was decided at the meeting to send messages of congratulation to Max Nordau, one of Herzl's first followers; the Earl of Balfour and Baron Edmond de Rothschild, the last named being the founder of the first Jewish colony in Palestine.

Six Million again. Jews demand that Gentiles hand over their food to the poor, innocent Jews while they murder millions, and ship millions more off to Gulag slave camps in Communist Jew-controlled Russia.

1932~

Jews commit a deliberate genocide. To put down nationalist resistance to a Communist takeover, Soviet Dictator Josef Stalin orders the Jewish-dominated Soviet Secret Police (NKVD) to orchestrate a man-made famine in the Ukraine. Stalin's Jewish deputies and secret police chiefs (Kaganovich, Beria, Yagoda, etc) ruthlessly implement the murderous starvation policy. Between six and seven million Ukrainian men, women and children, are annihilated in this genuine Holocaust. It is now known as the "Holodomor."

Adolf Hitler becomes Chancellor of Germany in 1933. Jews immediately seek his complete destruction.

Hitler comes to power in Germany. Antithetical to Jewish banking interests which thrives off of usury (the lending of money at interest making debt-slaves out of countries), Hitler immediately begins **printing his own state-controlled, labor-backed currency** and thus breaking the death-grip of the monolithic Jewish banking establishment of Europe, led by the Rothschild's and the Warburg's. Hitler also removed Jews from all positions in government, media, education and banks, which they had been dominating up until that point.

Because of this World Jewry declares war on Germany in 1933. Jews around the world launched a global economic boycott of German goods in an effort to economically strangle Germany to death and topple Hitler's new government.

Jews don't like it when Gentiles revolt against their tyranny and control. Their motto is: be our slave or be dead.

This act of treachery leads to widespread dislike of Jews in Germany and foments tension between Jews and German Gentiles. For this act, and for the Jews' well-known support for Communism and substantial involvement in the bloody Bolshevik Revolution, the Nazis declare Jews "enemies of the state" eventually interning them in concentration camps and labor camps during the Second World War. Almost the same thing happened to Japanese-Americans after Pearl Harbor. Although, unlike the Jews, Japanese people never waged an economic war on America, they were interned in American concentration camps simply for their ethnicity.

BEFORE THE ROYAL COMMISSION

Dr. Weizmann Says . . .

Editor's Note: Commentators have declared Dr. Weizmann's speech before the Royal Commission in Palestine, an address which lasted some 2½ hours to be the greatest declaration regarding Palestine since the issuance of the Balfour Declaration. Since space does not permit us to print the text in full we are happy to present the following excerpts:

"I should like to present a brief statement of the background and motives behind the Zionist movement, which seeks the establishment of the Jewish National Home in Palestine. The stimulus and hope which animate Zionism cannot be understood without relationship to the position of the Jewish people in Central and Eastern Europe, where six million Jews are in a position which is neither life nor death. Only recently the Foreign Minister of Poland said that there are one million Jews too many in Poland. It is difficult to understand why Jews who had lived in Poland for a thousand years, shared its vicissitudes and made their contribution to the growth of the century

THE JEWISH CASE

DR. WEIZMANN BEFORE ROYAL COMMISSION

FROM OUR CORRESPONDENT

JERUSALEM, Nov. 25

Dr. Chaim Weizmann, the Zionist leader, presented the historical and moral background of Zionism to the Royal Commission at its public session to-day.

He explained that the Jewish problem was two-fold. First was the "homelessness" of the Jews. While in Western Europe many individual Jews had happy homes, in Eastern Europe there were 6,000,000 unwanted, unfortunates who were condemned to be penned up in places where they could not live. Even those in Western Europe were now threatened. Second was the world problem created by the presence of these 6,000,000 people without a future whose condition was a threat to Europe. A certificate permitting emigration to Palestine was regarded as a certificate of freedom.

Referring to the past history of the Jews, Dr. Weizmann claimed that there had never been a time when the Jews did not try to return to Palestine. He said that England had been interested in the project for 300 years and that the Balfour Declaration had been no more than a final link. That Declaration had not been a matter of "war expediency," but was a serious step in the elimination of long discussions. Originally the Jews had plainly understood the Declaration to mean the restoration to them of Judea as a Jewish State.

The Government had reminded them of their obligations towards others in the country, but the Jews could honestly say that these others had indirectly benefited by the work they had done.

THE "NATIONAL HOME"

Although the Jews regarded the limitation of immigration to the absorptive capacity of the country as an inadequate interpretation of the "National Home," yet the officials of the Jewish Agency had loyally adhered to the formula; but to limit immigration for other reasons was unthinkable. It was felt that there was an unlimited opportunity for expansion by the use of what was called uncultivable land; but unless the Government adopted a positive and dynamic policy Jewish work would be slow.

He defended the desire of the Jews to refrain from employing Arabs as they wished to make their home with their own hands, and in concluding said that the Jews had reluctantly opposed the establishment of a Legislative Council as a premature scheme which would be used by the Arabs to hinder the creation of the "National Home."

The (London) Times
November 26, 1936

Appearing before the Peel Commission, World Zionist Organization chairman, and first Israeli president, Chaim Weizmann, declares that "6,000,000 Jews are destined to be imprisoned," (in Europe) "where they are unwanted."

Jews continue to agitate for Palestine. The New York Times reported that Zionist groups were desperately lobbying American Christian leaders, Christian organizations, and the British government, demanding assistance in the creation of a "Jewish nation in Palestine" to save the Jews from "the European Holocaust." These strikingly prophetic statements were made years before the creation of ghettos or concentration camps and over three years before the German invasion of Poland.

AMERICANS APPEAL FOR JEWISH REFUGE

Pro-Palestine Federation Asks
Britain to Take a Strong
Course in Holy Land.

AIMS OF MANDATE CITED

Petition Urges It Be Made
Clear to 'Turbulent Element'
That These Will Be Carried Out.

Special to THE NEW YORK TIMES.

WASHINGTON, May 30.—A petition addressed to Prime Minister Stanley Baldwin expressive of the hope that Great Britain will steer a course favoring the establishment of a free Jewish nation in Palestine such as would provide refuge for millions of persecuted Jews in Eastern Europe and Germany was presented to Sir Ronald Lindsay, the British Ambassador, today by a Christian delegation representing the Pro-Palestine Federation of America and headed by the Right Rev. James F. Freeman, Episcopal Bishop of Washington.

The petition, in expressing the opinion of enlightened Christian leadership in the United States, favoring a larger Jewish immigration into Palestine, stressed the intolerable sufferings of the millions of Jews in "the European holocaust."

Urges Definite Policy

It suggested the need for a clear and definite policy on the part of the British Government in the carrying out of the stipulations of the Palestine mandate.

The "sincere belief" was voiced that, in a time when bigotry and prejudice seem "to have engulfed a major portion of the civilized world, the Anglo-Saxon community of nations is called upon to blaze the trail for the dawn of a new era of freedom, justice and human enlightenment."

The petition was signed by Samuel Harden Church, president of Carnegie Institute, Pittsburgh, Pa.; Dr.

Great Britain has it within her power to throw open the gates of Palestine and let in the victimized and persecuted Jews escaping from the European holocaust.

Enlightened Christian opinion in America is now eager to see the provisions of the Palestine mandate carried out. It is eager to see the settling of the Jews in the land facilitated in accordance with the stipulations of the mandate. Above all it would welcome the removal of any impediments and obstructions to the social-economic development of the country, which untimely and premature projects of self-government would cause, in the present condition of the country.

Recognizes Problems

We are mindful of the complex and difficult task faced by His Majesty's government in Palestine. We also appreciate the anxiety and sincerity with which the Palestine Government is grappling with the problems there. We, however, feel that the right solution calls for a definite policy, which should, once and for all, make clear to the turbulent element in Palestine that His Majesty's government, as mandatory power, will carry out its trust to help transform Palestine into a Jewish homeland to which the persecuted Jews of the world may freely come, and where they may have the right to constitute themselves into a free nation.

It is our fond hope and sincere belief that in the present grave

Text of Petition

The text of the petition follows:

The plight of millions of human beings in Eastern Europe and Germany has stirred the conscience of enlightened mankind. Mere compassion and commiseration with the sufferings of these victims of prejudice and persecution, however, are not enough.

Bold practical measures to save these unfortunate millions from total annihilation are now called for. It is the consensus of enlightened Christian American opinion that God has bestowed upon England one of the greatest missions in human history—

world emergency, when the dark spectre of bigotry and prejudice seems to have engulfed a major portion of the civilized world, the Anglo-Saxon community of nations is called upon to blaze the trail for the dawn of a new era of freedom, justice and human enlightenment. The restoration of the land of Israel to the children of Israel is the guiding star in this great struggle for a better world and a better humanity.

Jewish leaders meet to discuss their schemes, swindles and sinister conspiracies. "Six Million Hebrews" is mentioned in the article title.

Geneva, August 7.—Delegates of 32 countries representing six or seven million of the 16,000,000 Jews in the world arrived for the first world conference opening here tomorrow night, Dr. Stephen S. Wise, its president, told the press at a reception today.

He believed 250 of the 300 delegates named would attend and held the assembly to be "the first and most representative of its kind in Jewish history."

Dr. Wise defined the Congress as "an expression of the will of Jews from many lands earnestly to consider and publicly to discuss their common problems, to submit these to the non-Jewish world for understanding and co-operation and to the Jewish people for solution."

800,000 With Anti-Semitism

The number of Jews deprived of their rights and economic opportunity in Europe increased greatly last year, Dr Bernhard Kahn, European director of the American Jewish Joint Distribution Committee, said on his arrival here last week from Europe.

The new Government of Rumania has threatened to outlaw 800,000 Rumanian Jews, "disregarding peace treaties, minority treaties and the constitution of the country," said Dr Kahn

government except sometimes in cases of physical violence and public disturbance," he said.

"It is a matter for encouragement, however, that many outstanding personalities and some political parties in Poland are courageously raising their voices against the inhuman treatment of the Jews and the poisonous atmosphere of anti-Semitism

"In Germany the Jews are being driven out of the last economic positions. Increased oppression is swelling the number of refugees and emigrants. More than 15,000 Jews had to leave Germany during the last year and in the middle of the year the German laws of racial discrimination were extended to the 12,000 Jew in Upper Silesia (the Danzig corridor) "

Dr Kahn said there are 25,000 refugees in Europe, the greater number of them living in need and in demoralizing uncertainty. He expressed the hope that the inter-governmental conference at the League of Nations would take up the refugee problem again in February.

"Five to six million in all are today the victims of governmental anti-Semitism and policies of unchecked anti-Semitic propaganda and persecution. All these millions are in danger of losing their rights as citizens. Their economic existence is constantly menaced and for thousands upon thousands their

Jews Are Fighting for a Homeland

PICTURE PARADE

Ready at any moment to defend the strip which he is trying to convert to fertility is the Jewish settler of the Jesreel valley.

FIVE or six million Jews, uprooted by dictatorships and tossed about by economic storms, may have to depend upon the development of the Holy Land, under British mandate, as a solution to their difficulties. But they face the hostility of the Arabs living there, whose economic and religious interests conflict with theirs.

In North Palestine the Jews fence themselves in armed settlements as a protection against marauding Arab bands, while they try to work the poor land. With Britain anxious to get rid of her mandate, and with enemies in nearly every corner of the world, these "people without a country" are in a sorry plight.

This article references "Five or six million Jews uprooted by dictatorships" and calls for them to be settled in the "Holy Land" (Palestine).

Poland, under British influence, refuses to concede to Hitler any of his relatively modest territorial demands. Hitler sought to recover the territory stripped away from Germany and given to Poland at the end of WWI; specifically the formerly German city of **Danzig**. Hitler also demanded an autobahn in the Danzig corridor connecting

the German mainland to East Prussia. Poland categorically refused all of Hitler's somewhat reasonable demands.

Hitler wanted back the German city of Danzig and an autobahn through the Danzig corridor connecting the German mainland to East Prussia. Poland, under British/Jewish direction, refused to acquiesce to Hitler's modest demands.

In September Poland is invaded from the west by Germany and from the east by the Soviet Union. Britain and France immediately declare war on Germany, supposedly because of Hitler's invasion of Poland. However, Britain and France did not declare war on the Soviet Union who also had invaded Poland and then attacked Finland a few months later.

The reason the Allies only found fault with Germany for invading Poland, and not the Soviets, was because the USSR was under Jewish rule, and had been since 1917. The purpose of WWI all along was not to free Poland but to destroy Germany, who had broken loose from the grip of the Jews.

The Allies, who originally claimed to be concerned for Poland's sovereignty, dumped Poland, along with the rest of

Eastern Europe, off to the Soviet-Communist butchers at the end of the war! This Allied betrayal proves that the Allies never cared about Poland at all. Poland was nothing more than a pawn used by the Allied warmongers to sucker the Third Reich into a war.

The Allies, who waged war on Germany in 1939 using as a justification the excuse that Germany breached Polish sovereignty by invading, DUMPED Poland off to Stalin and the Communist butchers who had murdered 22,000 Poles in the Katyn Forest in 1940!

Meanwhile Jews were whining about "Six Million" helpless victims in February, seven months before the war even started.

Jewish Relief Appeal Starts Here Tomorrow

More than 200 volunteers will begin tomorrow a thorough canvass of St. Petersburg in behalf of the local campaign of the United Jewish Appeal for Refugees and Overseas Needs. It is the largest and most intensive drive ever conducted by American Jews for relief and reconstruction in Europe, immigration and resettlement in Palestine and integration of refugees into the life of the United States.

Milton S. Lew, chairman of the local campaign, said today that the appeal represents the greatest effort in the history of the American Jews to relieve distress abroad to provide new immigration opportunities in Palestine. "The lives of many hundreds of thousands of persecuted men, women and chil-

Appeal to All Creeds

Chairman Lew explained that the appeal will be made to all creeds and races because the agents of terror and hatred now aroused in Europe are levied against all religions in general. Once unleashed these powers cannot easily be stopped.

"Intolerance," Lew stated, "is as anti-Christian as it is anti-Jewish. The fiction of racial superiority is so alien to our American traditions that we cannot understand the callousness of many European nations toward the helpless victims. I feel that Americans of all creeds can join to prove to the world once more that while American democracy lives, humanity and compassion shall not die."

6,000,000 Helpless

Lew pointed out that there are six million Jews in Europe today fighting desperately against intolerance and despair. For them the support of the united appeal is crucial, he said.

Chaim Weizmann turns up again and proclaims: "The fate of six million people was in the balance"

DR. WEIZMAN STRESSES JEWS NEED OF NORMAL NATIONAL LIFE

Jews Reject Minority Status in Palestine

LONDON, Monday (Palestine).—In his opening address at the talks on Palestine in St. James's Palace last Wednesday evening, (which

has now been officially released for publication) the President of the Jewish Agency, Dr. Chaim Weizman, declared that the Jewish representatives had entered upon the discussions in the desire to be helpful and with full recognition of the difficulties facing the British Government.

They must, however, safeguard the vital interests and rights of the Jewish people which could not be surrendered, particularly in this blackest hour of Jewish history. He referred to his survey before the Royal Commission in Jerusalem in November, 1936, indicating that the root of the problem lay in the homelessness of the Jewish people who were everywhere a minority.

The Jewish people had preserved their identity because of their attachment to Palestine and the hope of the return to Zion. They claimed that Palestine had never been abandoned, and the Jewish community there had never ceased to exist; in every age Jewish groups had gone to Palestine, and during the last 60 years active re-settlement had been going on.

HISTORIC RECOGNITION

The Balfour Declaration, the Zionist President proceeded, had recognised these historic facts; and in the preamble to the Mandate, international recognition was "given the historical connection between the Jewish people and Palestine, and the grounds for reconstituting their National Home in that country."

Reviewing developments since the Royal Commission, Dr. Weizman referred to the fact that the members of that Commission, which had consisted of men in the front rank of British public life, had after long and careful enquiries found that when issuing the Balfour Declaration the British Government had realised that, given the necessary zeal and enterprise by the Jews, a Jewish State in the course of time would be established in Palestine.

The Royal Commission had proposed a Jewish State in part of Palestine, a plan which was adopted by the Government and caused heart-searching among the Jewish people. But, although they did not regard the original promise as fulfilled, the Jews agreed to explore the possibility of cooperating with the Government on this basis because the principle of the Report, acknowledged by the Government, was that the creation of a Jewish State "would secure the establishment of a Jewish National Home and relieve it of the possibility of being subjected in the future to Arab rule. It would convert the Jewish National Home into a Jewish State with full control of immigration."

These two main principles, Dr. Weizman submitted, retain their binding and moral force.

He went on to say, "The Royal Commission's report outlined artificial restrictions on Jewish immigration and

a departure from the moral position would shake the British Empire to its foundations, for the bonds riveting it together are purely moral, composed of natural faith and belief in the security of promises."

But a new period of disillusion ensued, resulting in the Woodhead Commission's Report, and the idea of a Jewish State was abandoned. The one thing that remained was the political high level imposed on Jewish immigration.

At a time of supreme distress to Central European Jewry, and when the Jewish tragedy was spreading to other countries, the gates of the National Home were almost shut to Jewish refugees. The fate of six million people was in the balance; they knew not whether to go.

The Jews had been told that the Balfour Declaration and the Palestine Mandate had not contemplated large-scale immigration. Even historically that statement was inaccurate. There had been intense Jewish suffering and persecution in Russia in pre-War days, and hundreds of thousands of Jews had emigrated annually. Jewish distress was always one of the two foundations of the Zionist Movement, the other being the need of the Jews for a normal national life of their own in their historical home.

Settling Down to Fundamentals

GOVERNMENT TACTICS AT LONDON CONFERENCES

By GERSHON AGRONSKY

LONDON, Monday. — In what Dr. Weizman, in his speech on Wednesday which was officially released to-night, described as the darkest hour in the history of the Jewish people, the British delegation, in its negotiations with both the Jewish and the Arab representatives, is now settling down to the consideration of fundamentals.

The Arabs are evidently persisting in their effort to prove that the MacMahon pledge included a promise of independence for the Palestine Arabs. This case was argued on Saturday and again today by Nuri Pasha es Said and will be continued tomorrow by the Prince of Saudi Arabia and Yemen, still centering on this point, which Mr. R. A. Butler is expected to clear up from the point of view of the Government.

It is also apparent that the Government delegates pursue the strategy of wearing down whichever delegation happens to be facing them, by presenting the Jewish arguments to the Arabs, and vice versa. It is difficult to predict what the Arabs hope to gain by scoring a dialectic victory in the MacMahon controversy, except perhaps to underline the alleged conflict of rights, but the argumentation against the background of St. James's Palace, with its hallowed tradition and its crimson carpets and cushions, is punctuated by the unceasing murders on the Palestine front itself. The Arab delegates would appear to be endeavouring to demonstrate the rights of their claims by appalling wrongs, such as the weekend casualty toll which is trucked away in remote columns in today's London newspapers.

ARABS' "RIGHTS"

The Jews acquiesced to the talks, although they expected no benefits to result from them; they are now forced to defend their rights, which were guaranteed by the entire civilised world, against the so-called natural rights of the Arabs, which presumably includes the right to doom the Jews to extinction. The restitution of the Jews to their homeland which is the true and only meaning of the Mandate, is now conditional in the Arab view, but worse still perhaps also in the British view, on the consent of the Arabs, and not only of the Palestine Arabs, but also of the Arab States.

a territorial base in other countries for the Jews, but no other undeveloped country can give immediate relief to large numbers of refugees, and a long period of experiment was required in any new country.

The signal success of Palestine was due to the national and religious fervour behind the endeavours which could not be evoked in other countries. Moreover, Palestine had been prepared by 40 years of pioneering work and was now capable of taking in hundreds of thousands of refugees. If Palestine was unable to absorb all Jews in search of a refuge, that was hardly a logical reason for saying that it must take less than it can take.

Dr. Weizman pointed out that Jewish work had not stood still even under the difficulties of the past three years. In spite of the danger, Jews had come to Palestine and pagans had sent their children. He also referred to the degree of defence which the Jews had been able to render for their own settlements and also in helping the British military forces.

CONFLICTING PROMISES

Referring to the alleged conflicting promises made to the Jews and the Arabs, Dr. Weizman pointed out that there was no conflict concerning Western Palestine, as had been acknowledged by representatives of the British Government and by Sir Henry MacMahon himself. The late Colonel T. E. Lawrence had also recorded that Mr. Winston Churchill's settlement in 1921/22 had fulfilled all the British promises towards the Arabs.

Lastly, the late King Feisal, the authorised spokesman of the Arabs at the Peace Conference in Paris, had accepted the Balfour Declaration.

Where there was a possibility of a conflict between the promises in respect of Trans-Jordan, this was solved 100 per cent in favour of the Arabs. The Arabs had emerged from the last War with four Kingdoms. Their statehood came easily through the expenditure of British blood and effort. As the Royal Commission had pointed out, so far as the Balfour Declaration had contributed to the victory of the Allied Powers it had also contributed to the liberation of the Arabs.

"It is relevant to compare," he declared, "what the Arabs have made of the extraordinary opportunities given them with little trouble, and what the Jews made of the chances offered them. vast Arab territories stand empty today — an invitation to powerful and unscrupulous Powers."

DIFFERENT APPROACHES

Dr. Weizman emphasized the difference in the importance of Palestine to the Jews and to the Arabs, quoting the report of the League Permanent Mandates Commission as follows:

The collective suffering of the Arabs and Jews cannot be compared, since vast spaces in the Near East, formerly the abode of a numerous population and the home of a brilliant civilisation, were open to the former; whereas the world was being increasingly closed to the settlement of the latter.

As for the Arab claim that Palestine was an Arab country and must have an Arab Government, even the present basis of the claim could not be realised, as the Jews formed a third of the population and were responsible for more than two-thirds of the economic and cultural activities in Palestine.

NON-DOMINATION

The Jews did not want to dominate the Arabs, he said, but they would not allow themselves to be dominated by them, and they would not submit to the same fate as the Assyrians of Iraq.

The gist of Dr. Weizman's statement was a demand for the continuation of the Mandate and of Jewish immigration in accordance with the principle of absorptive capacity, an active policy of development, and effective safeguards against a minority status.

The Zionist President concluded:

"I pray that you, who have carried justice, fairness and good government into the most remote corners of the globe, — I pray with all respect and

The MacMahon dispute will not end in the creation of an Arab State in Palestine — that is certain, but one delegate's shrewd forecast is a Government compromise, with or without consent, promising the Jews that the Arabs will not be given a State, and the Arabs that the Jews will not be given immigration

He ended with the statement that it was true that Palestine was a Holy Place for the Arabs as it was also for the British, but it had never been a national centre for the Arabs as was Damascus.

REVIEW OF EVENTS

By The Editors Of Contemporary Jewish Record

It is as yet too early today to comprehend the full extent of the tragedy which has overtaken the world. The conflict has but started. It is now still limited to four countries. The extent of its possible spread is not as yet known. But the tragedy which has overtaken the millions of people in the war zone as well as the 3,500,000 Jews in Poland and the 800,000 Jews in Germany and her possessions is sufficiently great to defy the imagination and stir the deep sympathy of those who still believe in mercy, justice and the protection of the weak.

These past few months are memorable ones in the light of Jewish as well as world history. That the era of constant change in which we live makes necessary now and then the re-examination of what actually has taken place during a given period. By special arrangements with the editors of the Contemporary Jewish Record, and this magazine we bring you this timely review of Jewish world events.

—THE EDITOR

Recently two months before Hitler's aggression against Poland, Herr Hans Ziegler, a ranking official in the Propaganda Ministry, emphasized, according to a dispatch by the Jewish Telegraphic Agency, in his book entitled "Juden und der Weltkrieg," that one of the worst-possible results of the coming world war would be the annihilation of six million Jews in East and Central Europe. Other warnings of the same dire character have been uttered by Nazi officials and publications for the past several years.

Today, two-thirds of the Jewish population in Poland is under Nazi occupation. Even the infrequent dispatches from the war front indicate that the Jews were the true victims of Nazi hatred and retaliation, first in Poland, and secondly, as Jews. The Nazi propaganda machinery is feverishly at work in an effort to drive a wedge between the Jews and the Poles. In line with its set policy, pursued before the hostilities commenced, Nazi propaganda attempts to convince the Poles that their enemy is the Jew and not the Nazi aggressor. At the same time, an effort is made to portray the Polish civilian resistance as stemming mainly from Jews, in order to justify wanton retaliation and goad the German soldiers and civilian population to more frightful acts. Frequent bombardments of Polish towns have been directed in many cases at the Jewish quarters. Polish Jews knew that their very existence is at stake in this war. For the part of Poland, occupied by the Nazis, there may be a puppet government, Slovak style, pending a change in fortune. For Jews there is but death, exile and persecution. Nor is there any escape for them. If the pattern established by the U.S.S.R. will be followed in the regions occupied by the Russian forces, Jews in these localities will face persecution for their religious beliefs, Zionist activities and general sympathies.

As was set the case in the last war in which the Jews of Germany shed blood for the glory of the grateful "Faterland," they are held there today as hostages to become again the scapegoats in the event of the defeat of the Nazi forces.

The problem of Palestine has attained a new conspicuous position in the background of the new world situation. It continued to loom large until the outbreak of hostilities. It was evident from the utterances and actions of the Colonial Minister, Mr. Malcolm MacDonald, that the British Government was determined to put into effect the measures outlined in the White Paper, and to break the resistance of the Jewish community. This was reflected in the suspension of Jewish immigration into Palestine during the six months beginning October 1, 1939, as a retaliation for the continuous stream of "illegal" immigration of German and other refugees. Jews were heartened by the publication of the report of the League of Nations Permanent Mandates Commission, four of whose seven members declared the White Paper an unmistakable violation of the terms of the Mandate. In the meantime, attention was shifted to Geneva where the Twenty-First Session of the World Zionist Congress was opened on August 16.

The Congress met under the threatening clouds of war, a circumstance which influenced both the procedure and the tenor of the addresses and discussions. Because of the emergency situation in Zionism, elections were not held in a number of countries. The labor group was strongly represented and small, and its coalition with the liberal General Zionist (Group A) still dominated the scene in spite of some disagreements. The major differences which transpired at all group lines ranged about the type of resistance to be undertaken against the British policy. While the Congress went on record as unanimously opposed to any compromise in Palestine at the expense of Jewish rights,

DOOM OF EUROPEAN JEWS IS SEEN IF HITLER WINS

NEW YORK, June 24.—(AP)—
Dr. Nahum Goldman, administrative committee chairman of the World Jewish Congress, said today that if the Nazis should achieve final victory "6,000,000 Jews in Europe are doomed to destruction."

"Their only hope for future existence lies in the ability of Great Britain to resist the Nazi conquest," declared Dr. Goldmann, who arrived here Friday from Geneva.

He issued a statement calling upon United States Jewry to take leadership in mobilizing Jews in North and South America for an organized defense program.

British Jew, Victor Gollancz, predicts 6,000,000 Jewish deaths

WHAT IS HAPPENING AND WHAT YOU CAN DO_____

by Victor Gollancz

The following article is an excerpt from "Let My People Go," a pamphlet written on Christmas Day, 1942, in London. While it is addressed to Englishmen, its message applies to Americans as well.

Of the **six million Jews** or so who were living at the outbreak of the war in what is at present Nazi-occupied Europe, a high proportion—between one and two million—have been deliberately murdered by the Nazis and their satellites.

No discrimination has been made in favor of pregnant women, babies, children, the sick, or the very old. On the contrary, discrimination, such as it is, has been in favor of men from whom an adequate last ounce can be got in German war factories.

The murders have taken the form of random shootings, mass shootings, mass electrocutions, mass poison-gassing, and transportation in conditions which inevitably involve death during the journey. This is over and above slow starvation by the allotment of hopelessly inadequate rations, or no rations at all.

This treatment has been carried out with the greatest conceivable inhumanity, and has involved the maximum of hopelessness and despair. In particular, helpless children have had to face the fear of a torturing death without the strengthening sympathy of their parents. In particular, helpless children have had to face the fear of a torturing death without the strengthening sympathy of their parents, and their parents have

had to know that they were doing so. All this is part, not of war, but of a quite deliberate policy, openly proclaimed, of exterminating the Jewish population of Europe.

This policy, which has been pursued since the outbreak of the war, has been greatly speeded up during the last few months. It is now reaching its climax. *Unless something effective is done, within a very few months these six million Jews will all be dead, except the fifty thousand or so in the countries at present neutral, and perhaps a few tens of thousands whom Hitler may find it convenient to work to the last ounce of their strength in his own war*

the moral sense of civilized men and made them callous to human misery. Perhaps the roar of gigantic battles had drowned out the sound of helpless voices behind the ghetto walls. But whatever the reason, the fact remains that the Jewish tragedy in Europe was passed over as just another "episode" in a global war.

Suddenly, during the summer of 1942, world public opinion was shocked out of its lethargy by the realization that the Nazis had decreed the complete extinction of six million Jews and that a third of the victims had already perished. The response to this deliberate savagery was a mighty outcry of protest, indignation and mourning on the part of Jews and non-Jews, governments and social agencies, churches and the press in all free countries. Eleven United Nations, among them the United States, Great Britain and Soviet Russia condemned "in the strongest possible terms the bestial policy of cold-blooded extermination."

In countries throughout the world Jews observed a day of mourning by fasting and praying. Heads of the Christian religion, both Catholic and Protestant, appealed to world conscience to rise in sympathy with the martyred Jews. Labor in many countries halted work, and decent people everywhere, in one way or another, called for retribution, justice and restoration of Jewish rights after victory. This demonstration of human sympathy in the midst of a global war was an act of striking historic significance.

Zionist propagand build up nearing the end of the war.

Ben Hecht, a Hollywood screenwriter and Zionist Jew, floats out the "Six Million" lie in Reader's Digest Magazine.

He would later go on to support the Zionist terrorist group Irgun in Palestine "by writing propaganda and fund-raising."

During the Nazi offensive on the eastern front, German soldiers discover the mass graves of some of the 22,000 Polish military officers and intelligentsia who were murdered and then buried in mass graves in the Katyn Forest by the Soviets in 1940. The insidious Allies knew their "gallant Soviet ally" was a mass murderer but kept quiet about it. When it could no longer be kept hidden from the public they then tried to blame the atrocity on the Germans!

1944~

In September of 1944, eight months before the end of WWII, U.S. Communist (Jewish) Union leaders prematurely proclaim that nearly Six Million Jews have been killed, long before that could have been known or calculated.

COMMITTEE SECRETARY DE MAIO: Resolution Number 235, page 113, on Argentina.

RESOLUTION ARGENTINA

Submitted by Local 1102, St. Louis, Mo.

WHEREAS: Argentina has consistently followed a policy of Fascist dictatorship, and

WHEREAS: Argentina is daily giving aid and comfort to those who support Nazism and Fascism, and

WHEREAS: These policies of Argentina are diametrically opposed to the policies to which our Government has pledged itself in the United Nations,

RESOLUTION PALESTINE

WHEREAS: History records no parallel to the bestial cruelties inflicted on the Jewish people of Europe by the Nazis and their satellites, whose coldly calculated program of extermination of all European Jews very nearly succeeded, almost six million Jews having been murdered in cold blood, and

WHEREAS: Many thousands of these unfortunates might have been saved had they been allowed to enter Palestine, and

WHEREAS: Great Britain had promulgated by unilateral action a Palestine White Paper in 1939 which completely closed all doors in Palestine to thousands of an anti-Nazi Jewish refugees, and, by this step of appeasement of fascism, the British Empire stands guilty as a murderer of tens of thousands of people who might have been alive, and

WHEREAS: The White Paper policy is in direct contradiction to the Balfour Declaration of 1917, the League of Nations Mandate of 1922 and the Anglo-American Convention of 1924, and

WHEREAS: Today there are tens of thousands of Jewish people languishing in concentration camps in Europe and

In late 1944, half a year before the official end of the war, at least three newspapers printed stories informing us of the mythical deaths of "six million Jews." All of these propaganda articles were based on the lies of Ilya Ehrenburg, a Jewish propagandist in the USSR.

Six Million Jews Listed Slaughtered

Russians to Detail Massacres by Nazis

MOSCOW, Nov 28 (UPI)—A five-volume "black book" containing a documentary record of the German massacre of approximately six million European Jews was being prepared today by the state publishing house.

The first volume has been completed and will be distributed before Jan. 1.

The work was under the general editorship of Ilya Ehrenburg and the editorial board included poet-playwright Konstantin Simonov, writer Yevgeny Ivanov and Pantea Vera Imber.

Four Categories

The "black book" will contain four categories: German decrees and orders of the day; eye-witness accounts of survivors of murder camps; diaries and letters of the victims; and accounts by non-Jews who aided in the escape of certain prisoners.

The "black book" will show that systematic annihilation of the Jews began in 1933 and was carried out in eight principal places with death methods including gas chamber, starvation, electrocution, firing squads, bacterial inoculation and with carbon monoxide chambers.

Catholics Also Killed

One of the largest camps was operated near Warsaw where a majority of Polish Jews and many Polish Catholics were killed, the black book editors said.

Of Poland's pre-war Jewish population of 3,100,000, about 2,000,000 were known to be in Russia. All of the others who had been under German rule, were killed with the exception of 800 escapees, the editors estimated.

Among letters left behind by victims was from a woman and a girl addressed to their husband and father, "M. Wabner, 126 Central Ave., Orange, N. J."

"They're coming to murder us," the wife wrote. "The only thing you can do is to avenge us."

The little daughter scribbled: "I want to live. I am afraid to die."

MOSCOW, Monday (UP). — The Soviet State Publishing House is preparing the publication of another "Black Book," a documentary record of the German massacre of approximately six million European Jews.

The first volume will appear before the end of the year, under the editorship of the well-known author, Ilya Ehrenburg. The record will contain four categories of documents:

- (1) Data on the actual murders;
- (2) Eye-witness accounts by survivors of murders in camps;
- (3) The diaries and letters of victims;
- (4) Accounts of non-Jews who aided prisoners to escape.

According to the Soviet editors, the Germans killed between five and six million Russian, Polish and Western European Jews, and an additional half million are being murdered in Hungary now.

Moscow, Nov. 27.—A five-volume "black book" containing a documentary record of the German massacre of approximately 6,000,000 European Jews is being prepared by the state publishing house.

The first volume has been completed and will be distributed before Jan. 1.

The work was under the general editorship of Ilya Ehrenburg and the editorial board included poet-playwright Konstantin Simonov, writer Yevgeny Ivanov, and poetess Vera Imber.

In many of the manuscript areas, the Russians found intact records listing the names and surnames of victims along with identification cards, letters, passports, and photographs.

Among letters left behind by victims, this correspondent saw one from a woman and a girl addressed to their husband and father, "M. Wabner, 126 Central Ave., Orange, N. J."

The little daughter scribbled: "I want to live. I am afraid to die."

Signatures on the tea-stained letters were legible.

Radio Moscow announced Sunday that German Field Marshals Van Leeb and George von Klotzler and seven generals had been named along with the "Hitlerite government" and the "German High command" as war criminals responsible for 45,000 atrocities in Russia. A Pravda editorial broadcast by Moscow said "these criminals cannot escape responsibility" and added that the guilt of Alfred Rosenberg, Nazi minister for occupied eastern territories, had been "established on the same ground."

Peter H. Bergson, chairman of the Hebrew Committee of National Liberation, which seeks recognition of a Jewish nation as an ally of the United Nations, with representation on the various Allied councils, was the principal speaker.

Referring to repeated warnings by Prime Minister Winston Churchill and President Roosevelt that poison gas will be used against Germany if the Nazis use it against any member of the United Nations, Mr. Bergson pointed out that a million Jews had been reported killed by poison gas in Nazi concentration camps.

"Since poison gas has been used against the co-belligerent Hebrew nation, we of the Hebrew Committee of National Liberation publicly demand of the American and British Governments that unless this practice ceases poison gas be used against Germany," he declared.

Jacob Lestchinsky Estimates Reduction in Europe Since '39

The Jewish population in Europe has been reduced from 9,500,000 in 1939 to 3,500,000, it was estimated yesterday by Jacob Lestchinsky, exiled economist and newspaperman, in a address at the annual conference of the Jewish Scientific Institute. Mr. Lestchinsky, who is research secretary of the institute, spoke at the closing sessions of a three-day conference at the Hotel Park Central and attended by delegates from Jewish scientific and cultural groups.

"Of the 6,000,000 European Jews who have died, 5,000,000 had lived in the countries under Hitler's occupation," he said.

Other speakers included Dr. Harry M. Orlitzky, professor of Bible at the Jewish Institute of Religion; Prof. Abraham Heschel of Hebrew Union College, Cincinnati, and Joseph Opatoanu, vice president of the institute's executive board.

Ilya Ehrenburg, a notorious Jewish Propagandist in the USSR who agitated for genocide against Germans and incited the mass rape of German women by the Red Army, prematurely proclaimed that "the world now knows that Germany has killed Six Million Jews" before anyone could have known that was the number.

Communist Jew demons, Ilya Ehrenburg and Vassily Grossman

At a March 1945 Congressional Hearing, Joseph Thon, representing The National Organization of Polish Jews in America, stated to the committee:

"The German people murdered, in cold blood, in excess of 6,000,000 European Jews ... I accuse the whole German people that in the years 1939 to 1945 they slaughtered upward of 15,000,000 men, among which there were 6,000,000 Jews."

Zionist liar, Joseph Thon, let slip the "6,000,000 Jews have died" hoax a bit too early. These Jews just can't help themselves can they?

The Weak Disappear

By the end of 1942, however, Germany felt the need for foreign labor and the remaining able-bodied Jews were sent to work camps. The women, old men and children all disappeared into the gas chambers.

The slavery of the able-bodied and the execution of the frail continued until the beginning of 1944, by which time the Nazis had reached the saturation point of their cruelty. More than five million Jews had been liquidated and the remaining ones were no longer regarded as a "problem," as Hitler saw it.

But the answer is provided by the seemingly endless streams of former "slaves" from all parts of Europe and by the huge cantonments of liberated victims of Nazism. **More than six million of them have been liberated,** and that is just about the number of her own men that it is estimated Hitler's "intuition" cost his nation in killed, wounded and captured.

A year after the war Jews are already spouting the "six million" myth as fact.

LEWISTON EVENING JOURNAL LEWISTON, MAINE
 THURSDAY OCTOBER 3 1946

Hold Yom Kippur Services Friday And Saturday

Yom Kippur services will be conducted Friday and Saturday in the Beth Jacob Synagogue, with Rabbi David Berent and the choir officiating. The following is the schedule of the services: Kol Nidre—Friday evening, 8 o'clock; Shachris—Saturday morning, 8 o'clock; Torah reading, 9:45 A. M.; Memorial services, 10:30; sermon, 11:30; Musaf service, 11:30; Mincha, 3 P. M.; N'Ilah service 4 P. M.; and Sounding of Shofar 5:30.

Topics of the Kol-Nidre sermon will be "Five Letters of Repentance," and the Yizkor, "The Living and the Dead." Junior services will be conducted in the vestry, Kol-Nidre at 5:30 and Yom Kippur at 10 o'clock.

A special memorial service will be conducted for members of the congregation who gave their lives in the war, and in conjunction with this a service will be held memorializing the six million Jews who died in Europe.

Jews everywhere will observe the Yom Kippur, or Day of Atonement, from sundown Friday until sundown the following day. It is the most sacred and solemn day in the Jewish year, and as such, will be observed with special prayers and rituals. Unlike other Jewish holidays, the Day of Atonement has no historical background. It is a day given over to introspection and contemplation. On the New Year, the Book of Life was opened. On the Day of Atonement, the Book is sealed. And before it is closed, Jews everywhere will fast and pray in order that they may be written down for a good life.

The Day of Atonement represents man's striving for a more perfect world, a world in which there will be no wrong-doing or evil-thinking.

Meanwhile, as the Jews whine about a phony Holocaust in Europe, Zionist terrorist groups wreak havoc in Palestine slaughtering Arab men, women and children, at will, like the massacre at Deir Yassin.

Inhuman Jewish terror agents of the Irgun ruthlessly slaughtered Arab women and babies, then mutilated their corpses in the Palestinian village of Deir Yassin.

In 1946, Jewish Terror agents from the cutthroat Irgun terrorist network in Palestine, led by the mass murderer Menachem Begin (who would later become the Prime Minister of Israel), **blow up the King David Hotel**, disguised as Arabs. 91 people are killed, 28 of the victims were British officials. The British were the real target of the bombing as the hotel was the headquarters for the British military command.

Begin the beast; terrorist leader of the Irgun; mastermind of the King David Hotel bombing in 1946 and other atrocities; Prime Minister of Israel. A complete animal.

1947-1949

Over the course of two years Zionist Jews **obliterate 419 Arab villages** and build Jewish settlements in their place. This process of ethnic cleansing of Palestinians from their own homeland by Jews continues to this very day.

The Zionist colonization and ethnic cleansing of Palestine ~ a crime against humanity that goes unpunished and is, in fact, supported by many Western governments.

1963~

The Encyclopedia Britannica prints its 1963 edition, within which it states that 2,000,000 people, mostly Jews, were exterminated by the Nazis in Mauthausen, a concentration camp in Austria. This absurd figure has been officially revised quite a lot. Now it is claimed that only 95,000 people died in Mauthausen, of which only 14,000 were Jews. An exaggeration of 1,905,000! ([more info](#)) This camp is no longer considered by official sources who support the holocaust legend as an "extermination camp," nor is it still claimed that any camps on German soil were either.

the whole of eastern Europe quiet until his preparations against the U.S.S.R. were complete. The situation was made worse by the total failure of the invasion of Greece and by the rapid retreat of the Italians in North Africa before Sir Archibald Wavell's advance (Dec. 1940). Hitler was obliged to come to the aid of his axis partner. He sent German reinforcements to North Africa (where Erwin Rommel succeeded in driving the British back in the spring of 1941), and he took steps in readiness for a German invasion of Greece. Hungary and Rumania had already been reduced to the status of German satellites and made no difficulties about the movement of German troops toward the Greek frontiers; nor did Bulgaria, where, after a sharp diplomatic contest with the Russians the Germans proceeded to occupy key positions throughout the country in March. The remaining Balkan country, Yugoslavia, was induced under pressure to accede to the tripartite pact in March 1941, but the Yugoslav government was overthrown by a palace revolution in the name of the young king Peter. Thereupon Hitler ordered drastic measures to make an example of Yugoslavia. In the course of April 1941 German forces invaded both Yugoslavia and Greece, the former operation being accompanied by brutal air attacks on the defenseless city of Belgrade. By the end of the month both countries had been occupied, and in the last half of May German parachute troops completed the Balkan campaign by the capture of Crete.

Invasion of the Soviet Union.—With the occupation of Crete and Rommel's success in driving back the British to the Egyptian frontier, Raeder and others urged that the situation was ripe for a decisive blow against the whole British position in the middle east. But Hitler was set upon attacking the U.S.S.R. and insisted that all other operations must be postponed until it had been defeated, a task which he confidently expected to accomplish within six or eight weeks.

The invasion began on June 22, 1941, and in the opening stages of the campaign the German army drove deep into Soviet territory. Despite imposing successes, however, the Germans failed to achieve a decisive victory and by dispersing his forces Hitler left the frontal assault on the Soviet armies defending Moscow until late in the year. At the beginning of Dec. 1941, the onset of the dreaded Russian winter and the unexpected Soviet counter-offensive faced the German high command with a major military crisis. This brought to a head the strained relations between Hitler and the army leaders. Since the reluctance of the high command to undertake offensive operations in the west in the winter of 1919-40, Hitler had become increasingly critical of the generals, and was less and less prepared to listen to their advice. In Dec. 1941 he dismissed Gen. Walther von Brauchitsch, the commander in chief of the German army, and assumed the direct command of the armies in the field himself. The fact that by drastic measures he succeeded in holding the Soviet attacks during the winter greatly increased his confidence in his own military genius. Henceforward he refused to listen to any views, or even information, which ran counter to his own conception of how the war should be conducted.

Germany Declares War on the United States.—The Japanese attack on Pearl Harbor in Dec. 1941 now extended the war to the whole world. Hitler promptly declared war on the United States, whose resources he underestimated as grossly as those of the U.S.S.R. He failed however to grasp the unity of the war or the importance of seapower and in his growing preoccupation with

Hitler had shown an equal blindness to the importance of the Mediterranean theatre of operations. At the close of 1942, the advance of the British 8th army from the east and the joint Anglo-U.S. landings in northwest Africa were driving the German and Italian forces under Rommel into a trap. Hitler now hurriedly made available the reinforcements he had earlier refused, but without being able to halt the Allies' advance; the only result was to increase the size of the forces captured in Tunisia, where more than 250,000 German and Italian troops surrendered in May 1943.

Meanwhile, in the east, ignoring the warnings of his professional advisers, Hitler had embarked on still more ambitious operations for the campaign of 1942, aiming at the occupation of the Caucasus oil fields in the south and a drive to the Volga in the south-east. The invasion of the Caucasus fell short of its objective, while the drive to the Volga turned into a desperate contest for the city of Stalingrad, where Hitler's obstinate refusal to withdraw in time led to the encirclement and capitulation of the German armies under Field Marshal Friedrich von Paulus at the end of Jan. 1943.

The double defeat of Stalingrad and Tunisia represented the turning point of the war. By mid-1943, Hitler had lost the initiative and from that time the German forces everywhere stood on the defensive.

The Nazi Empire.—At the height of his success, Hitler was the master of the greater part of the European continent. German rule in the east was extended to wide areas of the Baltic states, Byelorussia, the Ukraine and European Russia; Poland (part of which was annexed, the rest organized as the government-general) and the protectorate of Bohemia-Motavia; Serbia and Greece (where the occupation was shared with the Italians); and the nominally independent, satellite states of Slovakia, Croatia, Hungary, Rumania and Bulgaria. In the west, Norway, Denmark, the Netherlands, Belgium and France were all under German occupation, part of France from the summer of 1940 and the whole country from Nov. 1942.

German economic exploitation of these territories was ruthless. The needs of the native population were subordinated to the demands of the German economy, often at the cost of widespread hunger and shortages, while German industrial and business firms as well as officials made the most of the advantages the situation offered. In eastern Europe German policy treated the population not only as conquered peoples, but in accordance with Nazi teaching, as inferior races without rights, fit only to serve as slaves. Those classes of the population which on account of their education or position might be expected to provide leadership, together with the Jews and any who showed signs of resistance, were put to death. At Mauthausen, one of the extermination camps in Austria, close to 2,000,000 people, mostly Jews, were exterminated between 1941 and 1945; at Oswiecim (Auschwitz) in Poland, 2,500,000 were executed in the gas chambers, while another 500,000 died from starvation and disease. Frequent man hunts were carried out to round up labour for deportation to Germany; at the end of 1944, 4,795,000 foreign workers had been recruited in this way, the three largest groups being Russians (1,900,000), Poles (851,000) and French (764,000). Those from the east were treated entirely as slave labour and the conditions under which they lived were often appalling. Hitler's and Himmler's plans for the new order they meant to build in eastern Europe were only

The influential Zionist leader Nahum Goldmann, co-founder and long-time head of the World Jewish Congress, publishes a book about Jews, *The Jewish Paradox*. In the book Goldmann candidly admits on pages 122 and 123 that years before the end of the second World War two influential co-conspiring Jews conceived the idea of a post-war Nuremberg show-tribunal and "German reparations" to be paid out to the Jews. Goldmann describes how he, and his fellow conniving Zionists at the World Jewish Congress, intended the reparations swindle to finance Jewish settlement in Palestine after the war.

of the situation, Germany was already so powerful that there was no longer anything to be done.

Apart from my encounter with the survivors of the concentration camps after the liberation, I only returned officially to Germany in order to meet Chancellor Adenauer and open negotiations about reparations. These reparations constitute an extraordinary innovation in terms of international law. Until then, when a country lost a war it paid damages to the victor, but it was a matter between states, between governments. Now for the first time a nation was to give reparations either to ordinary individuals or to Israel, which did not legally exist at the time of Hitler's crimes. All the same I must admit that the idea did not come from me.

During the war the WJC had created an Institute of Jewish Affairs in New York (its headquarters are now in London). The directors were two great Lithuanian Jewish jurists, Jacob and Nehemiah Robinson. Thanks to them, the Institute worked out two completely revolutionary ideas: the Nuremberg tribunal and German reparations.

The importance of the tribunal which sat at Nuremberg has not been reckoned at its true worth. According to international law it was in fact impossible to punish soldiers who had been obeying orders. It was Jacob Robinson who had this extravagant, sensational idea. When he began to canvass it among the jurists of the American Supreme Court they took him for a fool. "What did these Nazi officers do that was so unprecedented?" they asked. "You can imagine Hitler standing trial, or maybe even Goering, but these are simple soldiers who carried out their orders and behaved as loyal soldiers." We therefore had the utmost trouble in persuading the Allies; the British were fairly opposed, the French barely interested, and although they took part later they did not play any great part. The success came from Robinson managing to convince the Supreme Court judge, Robert Jackson.

The Institute's other idea was that Nazi Germany ought to pay after its defeat. That still required belief in the defeat, at a time when it seemed likely that the war in Europe was lost for the Allies, but like Churchill and de Gaulle I kept my faith. I never

doubted for a moment, because I knew that Hitler would never manage to moderate himself and that his excesses would draw the Allies into the conflict. According to the Institute's conclusions, the German reparations would first have to be paid to people who had lost their belongings through the Nazis. Further, if, as we hoped, the Jewish state was created, the Germans would pay compensation to enable the survivors to settle there. The first time this idea was expressed was during the war, in the course of a conference in Baltimore.

Once the Nuremberg trials were over, this reparations problem received further consideration. Several Jewish leaders then attempted to establish relations with Adenauer, but their proposals were often ridiculous. One organization suggested a payment of twenty million Deutschmarks—and at the conclusion of the agreement I obtained, the Germans will have paid out a total of eighty billion!

Our 'contacts' were Walter Hallstein, then an under-secretary of state, and later president of the EEC, and the diplomat Herbert Blankenhorn, director of the political department of the German Foreign Ministry and Adenauer's right-hand man. These two have remained close friends of mine.

During a meeting of the World Jewish Congress in London, a Russian Jew called Noah Barou, a wonderful man and great idealist whose premature death was a severe blow, talked me into taking an active part by first of all meeting Adenauer. I was very hesitant at heart, because it was no easy matter for me to talk to the Germans again. And in fact it was eventually my head, and not my heart, which decided me to negotiate. But I laid down a pre-condition: before I would meet the Chancellor to open negotiations, Adenauer had to make a solemn statement to the Bundestag; he must say that although the Germany of those days was certainly not the Germany which had produced Auschwitz (Adenauer himself had been in prison under Hitler, and then had to hide in a monastery because the Gestapo were looking for him), it nevertheless inherited the Nazis' responsibilities, and reparations were its duty; he must add that material reparations could not erase the evil done to the Jews by the Germans.

Goldmann admits the swindle

The Allied Nuremberg Trial indictment charged the Nazis with murdering 4,000,000 people at Auschwitz. This figure was printed on the plaques displayed to tourists visiting Auschwitz, and the figure was repeated as "fact" by governments, historians, journalists, politicians, and all authority figures, for 45 years. In 1990 it was all exposed as a big lie when the Auschwitz State Museum officially revised the death toll from 4,000,000 down to 1.1 million, of which 960,000 are claimed to be Jews. ([source](#))

The original plaques were removed and replaced with new ones sporting the "new" fake figure of 1.5 million. That's at least 2.5 million people erased from the official death toll overnight. They can't even make up their mind about what the new figure should be. This should tell you right away that they are just making it up as they go along.

The Nuremberg Trial indictment charged the Nazis with killing 1,500,000 people at Majdanek, a camp in Poland. This ridiculous figure was conjured by Saul Hayes, a Canadian journalist in the pay of a Canadian Zionist organization, the Canadian Jewish Congress. It is now claimed that only 79,000 people died in this camp, officially. An exaggeration of 1,421,000!

Despite substantial reductions in the official death toll's of Mauthausen, Auschwitz and Majdanek, the mythical and obviously false "Six Million" figure is never revised and continues to be peddled by Zionist Jews everywhere. That's because it has religious significance to Jews and fulfills their delusional ancient Torah prophecies. The Holocaust™ is nothing more than a religion to inculcate the "Goyim".

Also in 1990, another Holocaust myth was vanquished; that being the preposterous lie that the Nazis used the skin of Jews to make "lampshades" and their fat to make "human soap." Jewish groups in Israel have confessed that this widespread rumor was a myth.

Human fat wasn't used by Nazis, Israel's Holocaust Museum says

Freuter
JERUSALEM

Israel's Holocaust Museum, rebutting a common belief, said yesterday that the Nazis never made soap from human fat of murdered Jews during the Second World War.

"Historians have concluded that soap was not made from human fat. When so many people deny the Holocaust ever happened, why give them something to use against the truth?" said Shmuel Krakoski of the Yad Vashem Museum.

Israeli Holocaust historian Yehuda Bauer said there is no evidency Nazi Germany used corpses for soap, although it did use skin for lampshades and hair for mattresses.

He said many Jews believed murdered families had been turned into soap because the Nazis themselves propagated the idea as "a sadistic tool for mental torture."

Holocaust expert rejects charge that Nazis made soap from Jews

By DEBORAH ORSEL
Jewish Telegraphic Agency

TEL AVIV — Professor Yehuda Bauer, head of the Hebrew University's Holocaust history department and regarded as one of the foremost researchers of the Holocaust, has denied the long-quoted charge that the Nazis used the bodies of Jewish death camp victims to make soap.

The historical possibilities for transforming human fat into soap were not known at that time, Bauer said Sunday at a Holocaust memorial evening for Yom Hashoah.

The camp inmates were prepared to believe any horror story about their persecutors, and the Nazis were content to let them go on believing the reports, he said.

"The Nazis did enough horrors through during the Holocaust. They do not have to go on inventing horror stories," Bauer said.

Historical research about the use of bodies of British soldiers to make soap had circulated during both World War I and World War II, he said.

Karel Hilberg, professor of Jewish Studies at the University of Toronto, said a few historical anecdotes of the Holocaust, argued that the soap rumor, although widespread, was probably unfounded.

"There were all kinds of rumors," he said, noting that a New York Times article during the war suggested that Jews were given

initial injections before digests them and entered at the extermination camps already dead.

Other rumors speculated that Jews were killed in the Belzec camp for their skeletons in water, some thought that Jews were gassed in the India.

"All of these rumors are untrue, based on nothing at all," Hilberg said. "The evidence has been dug up to suggest that the Nazis used human fat to make soap."

In Dandig, Germany (then Gdansk, Poland), photos of dead, bearded people cut into plates and a sample of soap were discovered in 1943 at the Scharf camp. "But we don't know that the bodies were of Jews, or that the photos and sample were to be given," said Hilberg.

Moreover, the rumor was being circulated as early as 1942, according to documentary evidence.

"It's fairly reliable that the story was circulated, but I can't say whether or not it is true," said Hilberg.

JTA staff writer Chana Hershman in New York contributed to this report.

Nazis never made human-fat soap

By BILL HUTMAN

Yad Vashem, the Israel Holocaust Memorial Authority, last week upheld the recent statement by Professor Yehuda Bauer, an eminent Holocaust historian, that the Nazis never made soap from human fat.

No documentation exists to back up such allegations against the Nazis, Yad Vashem spokesman Menachem Fogel said. "That is the position Yad Vashem has always held."

Bauer, a professor at the Hebrew University and head of the International Centre for Research on Anti-Semitism, said at Wizo House in Tel Aviv, "The Nazis never made soap from Jews because they did not have such technology."

Shmuel Krakoski, archives director at Yad Vashem, explained that the reason many believed, and still believe, that the Nazis made such soap was because during the war the Germans started rumors to that effect.

"What is clear is that soap was made or which the letters RIS were inscribed, and there was propaganda that this soap was made from Jews," said Krakoski. RIS supposedly stood for *Rein Jidlich Seif*.

The Nazis did however use the skin and hair of humans to make various products, said Krakoski.

Bauer said that the Nazis carried out many atrocities and there was no need to add false allegations to their already dark record.

Despite this admission, there are still Jews today going around claiming that this actually occurred.

Two Zionist Holocaust promoters, Deborah Lipstadt and Professor Peter Novick, both have stated in their books that Simon Wiesenthal, the infamous "Nazi hunter" and pathological liar, outright invented the "five million non-Jewish deaths" that supposedly happened in the Holocaust as a marketing ploy to garner interest of Non-Jews in the Holocaust religion, also known as "Holocaustianity."

The revisionists estimate that the combined death toll in all German concentration camps was somewhere between 300,000 to 500,000. Of that amount about half the victims were Jews. Unlike the comical and discredited "6,000,000", this figure is based on solid documentation, including the reports released by the International Red Cross who inspected the camps, the **Auschwitz death registries** released to the Soviet archives in 1990 (which recorded only 69,000 deaths in Auschwitz), and other evidence. The main cause of death was the typhus epidemic and starvation.

After decades of careful forensic investigation, scientific analysis, and intense study, scholarly revisionists have allocated the "gas chambers," "steam chambers," "electrocution conveyor belts," "suffocation rooms," "pedal-driven-brain-bashing-devices," "Jew bone powder used for construction," and other absurdities to the realm of science fiction. IAN KAGEDAN

In 1991, a leading Jewish Freemason let slip the agenda behind the Holocaust religion. Ian J. Kagedan, an official for the Canadian branch of B'nai B'rith (a secretive organization founded in New York City in 1843 by Jewish Freemasons), told us:

"Memory of the Holocaust is central to the new world order.
Achieving our quest of a "new world order"
depends on our learning the Holocaust's lessons."

Memory of Holocaust central to new world order Unchallenged, racism has the capacity to undercut civilization's basic values and to destroy democracy

Abstract (Document Summary)

Resistance to a productive contemplation of the Holocaust is apparent elsewhere in Europe. War-time Poland was a virtual death factory for millions of Jews. Only eyes blinded by anti-Semitism could have failed to notice the fact of so many "missing" neighbors. Yet can one speak of a coming to terms with the Holocaust?

So, it is no surprise that Holocaust revisionist David Irving continues to find audiences in Canada, nor surprising that Holocaust denial figures prominently in the activities for which Ernst Zundel, John Ross Taylor, Jim Keegstra, Donald Andrews and Robert Smith were brought before our country's courts and Malcolm Ross before a human rights tribunal.

The Holocaust stands as Western civilization's greatest failure. It was a natural outcome of centuries of racism and of

anti-Semitism. To deny the Holocaust is to deny racism's capacity to undercut our civilization's basic values and to destroy democracy. Achieving our quest of a "new world order" depends on our learning the Holocaust's lessons.

"Just Another Drive," But the Lives of 6,000,000 Human Beings Wait Upon the Answer

Just another drive—just another campaign—just another effort to alleviate human misery, to save the lives of men, women, and children. Campaigns are an old story in New York.

But to 6,000,000 men, women and children, HUNGER IS AN OLDER STORY, AND NAKEDNESS, HOMELESSNESS, DISEASE AND DEATH HAVE ALSO CEASED TO BE NOVEL.

At no time during the war, in any land, not even in Belgium or Northern France was there a situation more critical—a need more great—a demand for sacrifice and help more insistent than now comes to us from Eastern and Central Europe.

There is but ONE WAY in which the lives of the people of these lands are to be saved.

There is but ONE PLACE in all the world to which they may look for help.

The second day of the intensive two weeks' drive of the United Jewish Campaign to raise \$6,000,000 in New York's share of the \$15,000,000 national relief fund for suffering Jews of Eastern Europe saw hundreds of campaign workers seeking subscriptions throughout the city yesterday.

EUROPEAN NEEDS AND AMERICA RESOURCES.

Greater New York ushered in the campaign for a \$15,000,000 American relief fund for the Jews of Eastern Europe by contributing just about half of the city's quota of \$6,000,000 in the course of a single evening. With such a start there is little doubt that when the campaign closes on May 10 the objective will have been attained.

*This is the cry that comes from the
Jews of Europe to the Jews of America*

“Make them understand that we are dying! Make them understand that a whole people is dying!

*Dying for lack of food!
Dying for lack of medical help!
Dying for lack of shelter!*

“Make them understand that hundreds upon hundreds are killing themselves because their suffering and the suffering of their loved ones has made life unbearable.

“Make them understand that millions of Jews are trapped in Europe and there is no hope except the Jews of America help.

“We solemnly declare to the Jews of America that never in the history of the Jewish people, dating back for centuries, was there a situation like this, and never before in the history of the Jewish people was there any emergency as great as this.

“Time and again the Jews of America have saved us from death. And now, from the depths of our despair, we plead with you again to help us quickly or we perish.”

Extract from a letter received from one of the leading Jews in Europe to David A. Brown, National Chairman, United Jewish Campaign for \$15,000,000.

Jews of New York, you have the opportunity and privilege of saving these, your people, by subscribing as never before during the Campaign about to be conducted. Every Jew worthy of the name will want to carry his full share of this great responsibility.

Every Jew will want to give answer to the cry that comes from Europe.

Jewish Suffering and Arrests

To the Editor of The Tribune.
Sir: Reading your editorial of the 14th "Arrests," in which you rightfully rebuke the Turks for the execution of Armenians, I wish to ask you what about Russia?
What the Turks are doing to Armenians is a child's play compared to what Russia is doing to six million Jews, her own subjects. This at a time when about half a million Jewish soldiers are fighting for her in the many of whom have been decorated, who show their faithfulness. When the war returns home, escapes for the rest of us lives, they find their homes gone, women by an outside enemy but by the very government they served, their parents slain, their children starved and tens of thousands of Jews are being sent to the gas chambers from the American press. It was Ambassador to Turkey (by the way, a Jew) who protested against these same "Arrests." Was there any such protest from the American Ambassador to Poland? You may blame Germany for what the Turks are doing. Can you also blame England or France for what Russia is doing to her own subjects? I am not pro-German, as I am against militarism, but of that is the kind of civilization Russia is fighting for, that of the "German Kultur" - that is the kind of Tribune on the square, and hope you will include me in that. Six Million Jews Are Deprived Of Papers
By Russian Censorship

Petrograd, Russia, April 22.—After a spirited fight the Duma has passed the censorship bill, which was introduced to limit the powers of the censor, but in the form in which it was adopted actually increases them. The debate over the bill was extremely bitter and the members of the opposition parties attacked the government and the papers controlled by it savagely. Harlow, the leader of the "moderates," and the socialist deputy Kosenow accused the government of withholding the editors and publishers of all large dailies and offering proof for their charges.
The progressive deputy Benach created a sensation by producing a model circular sent out by the minister of the interior which instructed the police to suppress all Jewish publications, even if not printed in Yiddish.
"Six million Jews" have been robbed of their newspapers," the deputy said. "The only Jewish papers still tolerated are a few insignificant weeklies which support the government, because they are paid for doing so. Not one of the suppressed seven Jewish dailies, hundreds of weekly and monthly papers committed the slightest offense. They did not antagonize the government, but were loyal without a single exception. The only reason for their suppression was the anti-Semitic spirit which dominates the authorities from cabinet ministers down. This spirit is also responsible for the fact that the post-offices have been ordered to destroy all letters and postal cards written in Yiddish."

Millions Needed For Jewish Relief Work in Poland

New York Committee Seeks More Funds as Result of Destruction of Towns During the Present War

All the relief work of the joint distribution committee among the Jews of Poland, in which several millions of dollars were expended, has been nullified by the war between the Soviet and Polish armies, according to reports received by Judge Otto A. Rosenthal, chairman of the Greater New York Campaign for Jewish War Sufferers Abroad.

The committee faced the lack of several additional millions of dollars as a result of the war in Poland. Relief work in Warsaw and Lodz, where the fighting zone has been temporarily abandoned, has been suspended. Much of the reconstruction work has been wiped out, the chairman has learned from his representatives in Europe. It is an old story that, wherever the Jew is the sufferer, Polish Jew and Jew everywhere, the world has been made kinder by the acts of foreign and domestic wars through the aid of the committee. In relief work for which the greater New York committee was organized, we had succeeded in gathering them in some measure to normal health and economic independence.

An Appeal in Behalf Of Suffering Millions

The Chairman Of The Jewish Relief Work in Sumter County Appeals To The Citizens Of Sumter County

I was asked by some of my friends to assume the chairmanship in Sumter County for the Jewish Relief work. I did so very gladly, because I feel that the call to service in this particular interest is so imperative as to be irresistible. It is a work in behalf of humanity.

Six million Jews in Poland, Lithuania, Galicia, Palestine, Turkey and Siberia are dying of starvation. Hundreds, they wander homeless, hungry, in rags. Their suffering is worse than death— it is the deepest torture of starvation, the pitiless tragedy of emaciation, the horrible waiting, in agony of hunger, for the grim reaper to end their misery. These six million despairing souls are totally dependent on American generosity for the bare necessities of life.

What matters it if they die before us, other nations? What matters it if they do live in other climes? The hour of suffering knows no lines of demarcation. It is enough for us to know that these people are dying day by day, dying amidst such surroundings as to make death a blessed release, dying amidst such misery and suffering as to make the driest crust of bread or a bowl of thin soup a real luxury. RUSSIAN JEWS.

A correspondent of Dnipro-Et, a paper edited by Rabbi Vornberger of San Francisco, gives a pitiful picture of the condition of the Jews in Russia. He says that poverty, starvation and disease are the afflictions which now beset the Russian Jews in that country and Russia. The government does afford some modicum of relief to the starving Russian laborer, but for the Jew there is no charity, no mercy! The little assistance which used to come from America and England is diminishing daily. Part of the money sent by relatives who have emigrated in search of consolation, whilst those who could make sure that their doses would reach their destination are unemployed, and "wasteful" when they work, and are no longer able to receive any assistance. The revolutionary movement has destroyed the industries in the Pale. Thus, for instance, whilst the factories at Lodz are not working, or only working half time, the Russian factories at Moscow have been over-run. But in Moscow there are not any Jewish workers. What is to become of the masses of the Jewish population in Russia beyond that? It is useless to look for the cause when a calamity is staring in the face. It is useless to point out that such and such important mortgages are one of the causes of the great poverty. A portion of Malthusianism would probably be needed if he dared to suggest it to the Jews of Russia. Russian regeneration would be something, but impossible.

PUSH DRIVE FOR JEWISH RELIEF

Representative of National Headquarters Here to Take Part

Hamilton Bond representing national headquarters of the American Jewish Relief committee, is in Ogden assisting S. G. Day, county chairman, in raising the remainder of Weber county's quota of \$1,000 for the relief of the suffering Jews in the devastated war zones. Mr. Bond declared today that there are six million Jews in eastern and central Europe whom the war has left dependent upon America. "About \$10,000 of these are starving, ragged, helpless, orphaned children. This is a condition where neither race, creed nor nationality counts. Nothing counts except humanity. Mr. Bond comes to Utah from Tennessee where the campaign was recently conducted and states that Tennessee gave \$20,000 for the saving of these lives. Weber county has raised about half of her quota and it is expected that she will distribute the remainder within the next few days. Headquarters have been established at the Weber club."

SEVILLE, April 12.—All Spaniards venerate the name of Isabel la Catolica, nor is the impressionable De Amicis the only foreigner who has trembled and wept before the enshrined memorials, jewel box, mirror, missal, and crown of her royal womanhood. She is a precious figure in poor Spain's sunset revery—a saint beneath a conquering standard, a silken lady in a soldier's tent.

 Yet this peerless, Queen, merciful, magnanimous, devout, "the shield of the innocent," caring supremely for the glory of God and the good of her country, gave consent, albeit reluctant, to the establishment of the Inquisition, Christianity's chief scandal and Spain's most fatal blight. So ironic were the stars of Isabel.

Wherever one moves in Spain the sickening breath of the auto da fé lingers in the air. In such a square, we read, was once a mighty holocaust of Jews; beneath our feet, we are told, is a mass of human bones and cinders. This sunshiny Seville,

RESISTANCE, AND NON COMPLIANCE

KENNY OF KENNY'S SIDESHOW SEZ:

"Most of us are as non-violent as they come. That's one of the best qualities of being human. Peace within can become peace manifested outwardly throughout the world we've been told. Still, the idea of not being afraid to die for what we consider a worthwhile cause and for the protection of our children, grandchildren and those to come is what the powers that be fear the most. They don't think we're up to it. They may be wrong."

WORDS OF NOTE

"It is our duty to force all mankind to accept the seven Noahide laws, and if not ~ they will be killed." ~ Rabbi Yitzhak Ginsburg

Pharisaism is Talmudism;

Talmudism is Judaism;

Judaism is Zionism;

Zionism is Communism;

Communism is Nazism;

Nazism is the New World Order;

The New World Order is the reign of the Antichrist;

They are all the Six forms

of the ultimate Satanic Evil.

"Every time anyone says that Israel is our only friend in the Middle East, I can't help but think that before Israel, we had no enemies in the Middle East." ~ Fr. John Sheehan, S.J.

REMEMBER MY CHILDREN, THAT ALL THE EARTH MUST BELONG TO US JEWS, AND THAT THE GENTILES, BEING MERE EXCREMENTS OF ANIMALS, MUST POSSESS NOTHING. ~ Mayer Amschel Rothschild on his deathbed, 1812

"Gentiles exist only to serve Jews as slaves. Goyim were only born to serve us. Without that they have no place in the world. Only to serve the people of Israel. Why are gentiles needed? They are only here to work. They will work, they will plow. They will reap. We will sit like effendi and eat. That is why gentiles were created," Rabbi Yosef, Sha Party, Jerusalem Post

"The difference between a Jewish soul and souls of non-Jews ~ all of them in all different levels ~ is greater and deeper than the difference between a human soul and the souls of cattle." ~ Rabbi Kook, the Elder, father of the messianic tendency of Jewish fundamentalism, said

The cruel canard 'anti-Semitic' does not apply for many reasons, not the least of which is the simple fact that the slanderous word itself is derived from language games for purposes of propaganda and in real world context has no validity. ~ Tom Valentine

Follow the path of the unsafe, independent thinker.

Expose your ideas to the dangers of controversy.

Speak your mind and fear less the label of 'crackpot'

than the stigma of conformity.

And on issues that seem important to you,

Stand up and be counted at any cost.

~ Thomas J Watson (1874-1956)

"There is no such thing, at this date of the world's history, in America, as an independent press. You know it and I know it. The business of the Journalist is to destroy truth; to lie outright; to pervert; to vilify; to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and what folly is this toasting an independent press? We are the tools and vassals for rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes." ~ John Swinton, former Chief of Staff, The New York Times, 1953

WORDS FROM THE ZIONIST/TALMUDIC ENTITY TO BE AWARE OF

"My opinion of Christian Zionists? They're scum, but don't tell them that. We need all the useful idiots we can get right now." ~ Bibi Netanyahu

It was hard for Satan alone to mislead the whole world, so he appointed prominent rabbis in different localities.
~ A Chasidic saying attributed to Nahman of Bratzlav, early 19th century

This is what Trotsky, a Jew, was preparing for the Russians for the implementation of Communism, which Marx based on the Babylonian Talmud for Gentiles:

"We should turn Her (Russia) into a desert populated with white Niggers. We will impose upon them such a tyranny that was never dreamt by the most hideous despots of the East. The peculiar trait of that tyranny is that it will be enacted from the left rather than the right and it will be red rather than white in color.

Its color will be red literally because we would spill such torrents of blood that they will pale all human losses of the capitalist wars and make the survivors shudder.

The largest overseas banks will cooperate with us most closely. If we win the Revolution and squash Russia, on the funeral pyres of its remains we will strengthen the power of Zionism and become a power the whole world would drop in the face of on its knees. We will show the world what real power means.

By way of terror and blood baths we will bring the Russian intelligentsia into a state of total stupor, to idiocy, to the animal state of being. So far our young men dressed in leather ~ the sons of watch repair men from Odessa and Orsha, Gomel and Vinnitza ~ oh, how beautifully, how brilliantly do they master hatred of everything Russian! With what a great delight do they physically destroy the Russian intelligentsia ~ officers, engineers, teachers, priests, generals, agronomists, academicians, writers!" ~ Secret Forces in History of Russia. U.K. Begunov 1995, p 148

Marxism, to which all branches of Socialism necessarily adhere, was originated by Jew Karl Marx, himself of Rabbinical descent and has been dominated by them from the beginning. Marx did not actually originate anything; he merely "streamlined" Talmudism for Gentile consumption.

"One of the finest things ever done by the mob was the Crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle the job. If I'd had charge of executing Christ, I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed him to the lions. They could never have made a savior out of mincemeat!" ~ Rabbi Ben Hecht

"The only reason that Jews are in pornography is that we think that Christ sucks. Catholicism sucks." ~ Al Goldstein (publisher of Screw Magazine).

"You have not begun to appreciate the depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom of not merely the latest Great War, but of every other major revolution in your history.

We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it. Who knows what great and glorious destiny might have been yours if we had left you alone." ~ Marquis Eli Ravage, Century Magazine February, 1926.

Life was so much easier when your clothes didn't match and boys had cooties! ~ Anonymous

"The United Nations is nothing but a trap-door to the Red World's immense concentration camp. We pretty much control the U.N." ~ Harold Wallace Rosenthal, Zionist, The Hidden Tyranny

We Ain't Got Time to Bleed

"You control our world. You've poisoned the air we breathe, contaminated the water we drink, and copyrighted the food we eat. We fight in your wars, die for your causes, and sacrifice our freedoms to protect you. You've liquidated our savings, destroyed our middle class, and used our tax dollars to bailout your unending greed. We are slaves to your corporations, zombies to your airwaves, servants to your decadence. You've stolen our elections, assassinated our leaders, and abolished our basic rights as human beings. You own our property, shipped away our jobs, and shredded our unions. You've profited off of disaster, destabilized our currencies, and raised our cost of living. You've monopolized our freedom, stripped away our education, and have almost extinguished our flame. We are hit... we are bleeding... but we ain't got time to bleed. We will bring the giants to their knees and you will witness our revolution!" ~ Jesse Ventura
