### Product Obsolescence Timeline

End of Life of the listed products in Table 1 begins on November 11, 2011 with no last time buy.

Table 1

| PART NUMBER  | DESCRIPTION                                                                                                              | REASON FOR DISCONTINUANCE               | ALTERNATIVE PRODUCT                   |
|--------------|--------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|---------------------------------------|
| 090-46300-01 | TimeWatch Standard Probe with server software license                                                                    | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 090-46320-01 | TimeWatch Standard probe w/GSM modem, probe-mounted antenna with SMA connector, server software license                  | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 090-46330-01 | TimeWatch Standard probe w/GSM modem, GSM antenna assembly, GSM 6m cable with SMA connector and server software license  | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 090-46340-01 | TimeWatch Standard probe w/GSM modem, Cabinet mount antenna, GSM 6m cable with SMA connector and server software license | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 090-46301-01 | TimeWatch Reference probe with GPS and server software license                                                           | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 090-46321-01 | TimeWatch Reference probe w/GSM modem, probe-mounted antenna with SMA connector, server software license                 | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |

|              |                                                                                                                          |                                         |                                       |
|--------------|--------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|---------------------------------------|
| 090-46331-01 | TimeWatch Standard probe w/GSM modem, GSM antenna assembly, GSM 6m cable with SMA connector and server software license  | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 090-46341-01 | TimeWatch Standard probe w/GSM modem, Cabinet mount antenna, GSM 6m cable with SMA connector and server software license | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 990-46300-99 | TimeWatch Standard probe w/standalone software & TimeMonitor Bundle package                                              | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 990-46301-99 | TimeWatch Reference probe w/standalone software & TimeMonitor Bundle package                                             | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 920-46200-01 | TimeWatch Probe license – TimeWatch Server software license                                                              | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 920-46201-01 | TimeWatch Probe License – TimeWatch Standalone software license                                                          | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 093-46321-01 | Add GPS antenna and 5m cable                                                                                             | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 093-46322-01 | Add GPS antenna, roof mount, surge protector and 10m cable                                                               | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 093-46323-01 | Add GPS antenna, roof mount, surge protector and 25m cable                                                               | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 093-46324-01 | Add GPS antenna, roof mount, surge protector and 40m cable                                                               | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 093-46325-01 | Spare GPS antenna                                                                                                        | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 093-46326-01 | Spare Lighting Arrestor for SA-200 GPS antenna                                                                           | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 093-46327-01 | Spare Cabin Roof Mount for SA-200 GPS antenna                                                                            | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 140-46300-01 | Mains power conversion – 110/240v AC to 48v DC adaptor                                                                   | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 140-46331-01 | Mains power conversion – 110/240v AC to 48v DC 50W Din rail mounted unit                                                 | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 140-46332-01 | Mains power conversion – 110/240v AC to 48v DC 100W Din rail mounted unit                                                | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 140-46333-01 | Din rail plus cable & connectors for power conversion modules                                                            | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |

|              |                                                   |                                         |                                       |
|--------------|---------------------------------------------------|-----------------------------------------|---------------------------------------|
| 140-46334-01 | RJ45 120 ohm to BNC 75 Ohm Balun                  | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 551019-0005  | Adapter, input/output, DE9 S/BNC 120/75 Ohm Balun | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 140-46340-01 | IDC 120 ohm to BNC 75 Ohm Balun                   | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |
| 992-46340-01 | TimeWatch Server Software                         | Not available from OEM vendor (Chronos) | SyncWatch 300 from Chronos Technology |

### Support Policy

Symmetricom will not offer repair services for out of warranty units. We will honor the 1 year standard warranty but no extended warranties are available.
